THE WEEK AT S.D.U.

The sharp winds and heavy snowfall that have been buffeting us during the past week seem to have done more than just snarl traffic and interfere with communications. The heavy mantle of winter with its propensity for prompting hibernation and rendering much of the normal activity of life quite dormant seems to have turned that fluid medium in which the wheels of our student government turn here at Saint Dunstan's into something of a taffy-like consistency. Although the students with but a few exceptions have somehow managed to move about from one classroom to another and so follow, at least ostensibly, their courses of education for some reason or other, few have been able to present themselves for the monthly general meeting of the Students' Union. Now whether this was because they couldn't get their dog-leads rigged or their snowshoe bindings in place for the treacherous passage across the ice and snow to the assembly hall, we cannot definitely determine.

Perhaps it is the general will of the body that each would prefer to remain blissfully entangled in his bedroll in the isolation of his own little igloo until the verdant blades of spring come growing up all around him, we can't

AN EASTER GIFT WITH A MEANING!

EASTER has a deep religious significance and our gifts should reflect its meaning. Such gifts may be obtained at the "Bible House". For instance: Bibles and Testaments in white, maroon or black; mottoes and plaques beautifully designed; books with inspiration for practical living — and hundreds of other articles. See these along with a perfect assortment of Easter greeting cards and devotional booklets, some especially designed for the aged and shut-ins. Here you may also make a contribution to the great work of the British and Foreign Bible Society — that of bringing the story of Redemption in their own language to men and women of all races, colors and creeds the world over.
