to submit a special case to the Court of Appeal. Appeals are allowed in certain cases, provided the ground of appeal turns exclusively on questions of law, as *ex gra.*, in all cases where no judgment can be given in consequence of a disagreement of opinion between the judges of the court below; in all cases of rules to enter a verdict of non-suit on a point reserved, or for a new trial. If the rule to show cause be refused, or discharged, or made absolute, provided one of the judges dissent; in all cases of proceeding by *mandamus*, or *quo warranto* or *scire facias*, to repeal a patent, or charter, or information by the Attorney-General, or Advocate-General, or writ of intrusion, or other prerogative writ or where the matter relates to the taking or demanding of any duty payable to the Queen, or to any fee of office, or annual rent; and, lastly, in all cases of indictment or criminal information for a misdemeanor where the sole ground of appeal shall be error manifest on the record. Notice of such appeal must be given within 14 days of the decision complained of, and security to the amount of £500 be given by the appellant for the prosecution of the appeal. Clause 8 enacts, that when and so often as the Legislature of any colony passes any laws for the simplification, facilitation, or expediting of appeals, the Privy Council may adopt such rules and orders, from time to time as they shall in their discretion think fit for giving effect to such enactments; provided always, that nothing in the act contained shall be construed to abridge the right of her Majesty to admit any appeal from a person aggrieved by the judgment of any court.

ROYAL AGRICULTURAL SOCIETY.

Minutes Committee meeting, Oct. 17, 1855.

Present.—Hon. Judge Peters, Hons. Mr. Coles, Mr. Warburton, Mr. George Wright, Esq. Thomas Pethick, Esq., Daniel Hodgson, Esq. William M'Gill, Esq., Henry Longworth, Esq.

Read minutes of last meeting.

Ordered, That Mr. Duncan be paid six pounds sterling for freight of Durham Bull.

Resolved, That Hon. Mr. Coles take charge of the Durham Bull just imported for 12 months; stall belonging to the Society to be served gratis, and the public not to be charged more than 3s. for each cow.

The Society's Bull at present on the farm of the Hon. Mr. Coles to be sent to Cascumpec in exchange for Hon. Mr. Warburton's Ayrshire Bull.

On application from Mr. W. Swabey junr. to be relieved from keeping the Society's Durham Bull any longer, it was ordered that the Secretary write to the different Districts and send him where he is most wanted. Mr. Swabey to continue to take charge of him, until disposed of as above.

Ordered, That Mr. Spink's claim for keep of Bull purchased by him for the Society in April last, be paid.

On motion, Resolved, That a Committee be appointed to visit the different breeders of stock, and select 12 of the best breed Cows and Heifers over 2 years old, to be put to the young Durham Bull, next spring, and that the Committee agree with the owners, that in the event of any or all of the said Cows and Heifers having calves, the Society to have the right of purchase on approval at 6 months old, at a price not to exceed £10 each, the following gentlemen to form the Committee: Capt. Rice, Mr. Pethick, Mr. Irving.

Resolved, that Judge Peters, Mr. Henry Longworth, and the Secretary be appointed a Committee to make enquiries and report upon the practicability of purchasing or renting a farm, to be conducted by the Society, for the breeding of improved stock, raising of seeds &c. to be distributed through the Country, and also as to the probable cost of such an establishment and the probable saving it would effect, with relation to the system of importing stock, now pursued.

The subject of the late Secretary's accounts come again before the Committee, when it appeared that a cash balance amounting to £39 7s. was in the hands of Mr. Stewart; It was therefore ordered, that he be called upon to pay over that sum forthwith, and that that the £146 12s 11½d for sundry credits given by the late Secretary, which appears not yet paid by the parties, and for which he is therefore liable, be also collected and paid by him into the hands of the present Secretary.

Ordered also, that Mr. Stewart be called upon to pay the deficiency upon Turnip Seed imported from Liverpool in 1854, and that the per centage loss upon the different seeds as shown by the auditor, be allowed and carried to Profit and loss, excepting the loss upon Timothy Seed, which is to be carried into by Messrs. Cap. Rice and Pethick, who are to report upon the same to Mr. Cundall.

Ordered, That Mr. Stewart be allowed a loss of 27 feet on sale of Wire Web.

Ordered, That the Secretary make enquiries relative to 9 Ayrshire Heifers imported in 1850, and find out in whose possession they now are, and report to Committee.

By order,
WM. W. IRVING,
Secretary.

GILMAN'S HAIR DYE.

The best article ever used, as hundreds can testify in this city and surrounding country. Read! GILMAN'S LIQUID HAIR DYE *instantaneously* changes the hair to a brilliant jet *Black* or glossy *Brown*, which is *permanent*—does not stain or in any way injure the skin. No article ever yet invented which will compare with it. We would advise all who have grey hairs to buy it, for it *never fails.*—*Boston Post*

The Great American Hair Tonic.

Bogle's celebrated Hyperion Fluid, for the growth and preservation of the Hair is well known to be without a rival on this continent. Hundreds of imitations have started into an ephemeral existence since the introduction of this unrivalled Hair restorative, and their doom been sealed, whilst Bogles's Hyperion Hair Fluid, with a popularity never attained by any other article, goes "conquering and to conquer." There is no malady, which can affect the Hair but can be cured by this incomparable preparation. To ladies it is invaluable; and on children's heads it lays the foundation of a good head of Hair. It is now patronized by Her Majesty the Queen of Great Britain, and commands an extensive sale throughout Europe.

Bogle's Electric Hair Dye converts red or grey hair into a beautiful black or brown, the moment it is applied, literally dyeing the hair without staining the skin and leaves the Hair soft and glossy without injuring its texture in the least; a decided superiority over all other Hair dyes.

Bogle's Amole Shaving compound renders that usually unpleasant operation (shaving) a decided luxury.

Bogle's Hebeaiona removes Freckles and tan from the face in the shortest possible time, and is acknowledged to be the very best article for beautifying the complexion.

To be had, wholesale or retail, of W. Bogle, 227 Washington street, Boston, U. S.

And by all Druggists and perfumers throughout the Canadas, United States and Great Britain. W. R WATSON, Agent for P. E. I.
