FOR SALE ON UNION ROAD Rare opportunity to buy one of the best home and farm properties in the Province, known as the Essery homestead. Approximately one hundred and seventy-five acres of land seven miles from Charlottetown, all clear and in a high state of cultivation. Ten acres under orchard which is in two separate plots. In the center of this beautiful property is a large trout pond well stocked and completely surrounded with wild rice which makes it one of the best fishing, hunting and trapping locations in the Province. This property is level with a natural slope to the center where a never failing stream of water exists. This property is provided with electricity and water works. Some years ago this property was the winner of the John Richards award. Anyone wishing to purchase a farm for raising dairy or beef cattle would be well advised to consider buying this property.
