A PROCLAMATION

BY HIS EXCELLENCY

GEORGE DUNDAS, ESQUIRE,

Lieutenant Governor and Commander-in-Chief in and over Her Majesty's Island Prince Edward, and the Territories thereunto belonging, Chancellor, Vice

[L.S.] *Admiral and Ordinary of the same, &c. &c. &c.*

GEORGE DUNDAS, Lieut. Governor.

WHEREAS it appears that divers persons in certain parts of this Island have associated, or leagued together, for the purpose of counselling, aiding and assisting one another in resisting the payment of certain Rents, which they became legally bound to pay, as Tenants, on certain Townships in this Island.

And whereas it has been brought to my notice that an Officer of the Law has recently been violently obstructed and prevented from discharging his duty by persons who have so combined as aforesaid. Now I have thought fit to issue this my Proclamation, warning all parties concerned in such unlawful combination that, in attempting to carry out such purposes, they do oppose themselves to Her Majesty and the Laws.

And I do command and enjoin all such persons immediately to abstain from all such unlawful associations.

And I do further command and enjoin all Magistrates, Sheriffs and other Ministers of the Law, and all Constables and Peace Officers, and all other loyal subjects of Her Majesty, to discourage, by every means in their power, such unlawful combination, and to give their prompt aid and assistance, when lawfully required, in opposing, preventing and resisting all persons, whomsoever, who shall take part in any such unlawful combination, and in arresting and bringing to justice any such persons offending, or having offended as aforesaid.

And I do further solemnly warn all persons that it is my duty to see that the Law shall take its course, and that I shall cause it to be obeyed and respected throughout the Island.

Given under my hand and the Great Seal of this Island, at Charlottetown, in the said Island, this Twenty-second day of March, in the year of our Lord One thousand eight hundred and sixty-five, and in the Twenty-eighth year of Her Majesty's reign.

By Command,

WM. H. POPE, Col. Sec'y.

GOD SAVE THE QUEEN.

THE ONE THING NECESSARY!

HOLLOWAY'S PILLS.

The Blood.

These famous Pills are so composed that they operate wholesomely on the Stomach, the Liver, the Bowels and other organs; by correcting any derangements in their functions; whereby a steady supply of pure materials for the renewal of the Blood is furnished, and a constant abstraction of effete products is effected. This perfect circulation thus becomes the very fountain of health and life, and overcomes all form of disease wherever its situation.

General Disorders of the Liver and Stomach.

All whoever indulge at table, either in eating or drinking, should take about ten of these famous Pills at bed time, from which will result a clear head and good stomach the following morning. Thousands of Ladies are always complaining of sick headaches, want of appetite, want of energy, and want of strength; to correct all these evils, three or four of these Pills should be taken twice a week, when they would give the invalid the health and appetite of a ploughman.

Females of all Ages and Classes.

Obstructions of any kind, either in young persons, or those between forty and fifty—the most critical period of life—may be radically removed by using these Pills according to the printed directions which accompany each box. Young persons with sickly and sallow complexions may have the bloom of health restored by this wonderful corrective, which purifies the blood and expels all gross and impure humours from the system. Beware then of the critical age from forty to fifty, as it sends many thousands to a premature grave,—these Pills should be taken at that period of life two or three times a week.

Want of Strength and Energy.

Persons of sedentary habits, or those troubled in mind, working in Factories, or Coal Pits, who cannot obtain that amount of fresh air and exercise which nature requires, suffer from weakness and debility, lowness of spirits and want of appetite. All such should take a dose or two of these Pills every three or four days, as they act gently and effectually on the system, and impart vigour and energy of the body, which is always followed by a good appetite, sound and refreshing sleep, and a high flow of spirits.

For the Cure of Dropsy.

The efficacy of Holloway's Pills in Dropsy is extraordinary. They act with such peculiar effect upon the system, that the fluids causing this direful complaint, are imperceptibly carried off and prevented from any further accumulation. The sufferer regains a buoyancy of spirits, and rejoices in a completely renovated constitution. It is indispensably necessary that the Ointment should be most effectually rubbed into the complaining parts during the whole course of treatment.

Children and their Ailments.

In no country in the world are more children carried to an early grave than in Great Britain. Coughs, Measles, Scarlatina, Fevers, and other diseases attack the little sufferers, and death but too often follows at rapid pace; yet if, at the first stage of these complaints, parents were to have recourse to Holloway's Pills, all danger would be avoided; for the stomach and bowels would be gently but effectually cleansed by this mild aperient, the depraved humors corrected and the secretions duly regulated. A perfect cure would soon be effected, and the little patient be restored to sound health.

Holloway's Pills are the best known remedy in the world for the following diseases:—
