MOVEMENTS OF THE TRAINS.—The train which left Tignish yesterday morning did not get to Charlottetown until after midnight last night, having been delayed on account of the storm. To-day all trains are running on time, excepting the one from the West, which is an hour late.

The train which left Charlottetown for Tignish yesterday did not get through. It got off the track one mile east of Alberton, damaging the engine and plow somewhat. The train got into Alberton about six o'clock this morning, and will return from that station to-day.

HOCKEY.—The last hockey match and races of the season will take place in the Hillsborough Rink on Friday evening, 15th inst. SUMMERSIDE NEWS.

A special train will run to Kensington to-night to convey those who wish to attend the concert there.

Ex-councillor Ramsay and Mr. Robert Glover have lately fitted up a splendid outfit for spring shooting. They have purchased a "site" on Curtain Island, where they will spend a few weeks when the season opens.

"Music Hall" is a name given by the boys to a house near the railway crossing on First street. Good music is always acceptable, but our citizens do object to the sounds of dancing and the discordant scrape of the violin on the Sabbath. These Sunday concerts should be stopped.

The Salvation Army are to have their barracks lighted by incandescents soon.

We regret to hear that Mr. John Martin, grocer, is dangerously ill.

Rev. Dr. Orsborne's lecture in the guild room last night was well attended. The reverened gentleman treated the subject "The Moabite Stone" much to the satisfaction of his hearers.

The western train, due here about noon, did not arrive here until 8 o'clock last night owing to the storm of Saturday night.

A young lady went into one of our grocery stores last night and asked for "canned tomahawks." The puzzled clerk told her that they did not deal in such goods, but she insisted, saying she had seen them advertised. Reference to the ad. proved that it was quahaugs that she wanted.

There was no business transacted at the meeting of the Council last night. As Chairman Hunt was absent, it was moved that Councillor Compton act instead. An amendment was moved that Councillor Lefurgey act as Chairman. Both Councillors Compton and Lefurgey refused to act, and the meeting dispersed. It is to be hoped that Chairman Hunt will call a meeting on his return home.

CITY COUNCIL MEETING.

THE regular monthly meeting of the City Council was held last night, Mayor Dawson presiding. Every member of the Board was present.

The minutes were read and approved, and a number of bills were disposed of.

A bill from Philip Coyle, for a claim of $92 on land on Passmore Street, was referred to a special committee consisting of Councillors Taylor, Haszard and Hughes.

Councillor Haszard reported on the bill of Prowse Bros. for $19.25 for caps for the policemen, recommending that it be paid. The report was adopted and the bill was ordered to be paid.

Councillor Tanton, Chairman of the Public Property Committee, reported concerning the Park roadway, with plan and specification attached. Ordered to lie on the table.

A bill of $20 from John P. Nicholson for preparing the plan and specification for the Park roadway was ordered to be paid.

An application was read from Angus Macdonald for permission to operate a billiard or pool table in the Cameron Block. Ordered to remain on file in the Clerk's office for one month, according to the by-law respecting such matters.

Mayor Dawson presented the report of the committee appointed to investigate the charge made against Officer Bradley by Councillor Tanton, as outlined in the resolution presented at the last regular meeting. The committee was composed of Mayor Dawson and Recorder Haszard. Their report is as follows:

"The undersigned having been appointed at the last meeting of Council to make enquiry concerning an arrest made by police officer Bradley under a warrant issued against Alva Duchemin, beg to report that we have enquired into the matter referred to us and have heard the statements of all the parties desiring to be heard, and while deprecating under ordinary circumstances the entering upon any place of worship for the service of legal documents, we are of opinion that the circumstances of this arrest were not such as require that any action should be taken by this Council thereon.

W. E. DAWSON,
Mayor.
F. L. HASZARD,
Stipendiary Magistrate and Recorder.

The report was adopted.

An application was read from Michael Egan and John Burhoe, asking for $57, the amount retained by the Finance Committee in settlement of their contract on Pownal wharf. The Council voted that they be paid $29.

Council adjourned *sine die*.

PERSONAL.

Mr. L. Winchester left yesterday for Montreal.

Arrivals at the Revere Hotel on the 11th: Thos L Cook, Murray River; Wm Grant, do; Angus Nicholson, Hunter River; J Hayden, Vernon River; Thos. McLennan, Eldon; P Murphy, do; Capt R McRae, Pinette; H Vanderstine, Vernon River; John Stewart, Bluefield, Murdock McLeod, West River, Geo B. McKay, Clifton; Archie Campbell, do.

In its notice of the Art Exhibition in Montreal the Star says: "Mr. Robert Harris has six pictures, four of them portraits, "The Wharf by Moonlight" and a "Landscape." The portrait of His Excellency, the Governor-General in his scarlet academic robes, is a striking feature in the gallery. It is full length, the likeness is good, and the picture impressive. Mr. Harris has handled this large composition with much skill. Mr. Peterson's portrait is perhaps the finest work yet done by Mr. Harris, the figure is natural and intensely life like, the position easy and unconstrained, and reality seems to dominate the picture which is full of forceful vigor; the color is true and harmonious and the treatment of the whole subject is masterly.

NORTH RIVER CONCERT.

The concert and social held in the North River Schoolhouse on March 8th was in all respects a decided success. We should like to particularize only want of space forbids our doing so. The proceedings commenced with a march played by Master Willie McKinlay, who performed his part very creditably. After recitations by two boys, there was a chorus by the Templars, this being followed by a dialogue by two small girls. The two solos by Miss Laura Howard and Mr. James C. Lawson were a very marked feature of the entertainment, being the best on the programme. We must not forget the Misses Stevenson in their duet, which was a pleasing performance. The dialogue by the little boy and girl was far the best in the line of dialogues that evening. It would be superflous to enter into all the details only we must not forget the dialogues "Bridget's investment" and "The Expected Visitors" which were creditably performed. After a chorus by the "Templars" the concert concluded. Then came the selling of the pies by Messrs. Howard and Horriel which netted something like $10 or $12, we should judge. About 10 o'clock all dispersed to their respective homes well pleased with the evenings entertainment and hoping that such another pleasant time would shortly take place.

STRANGER.

MUSICAL.—The following programme will be rendered at the sixth recital of the Music Club to-night at the residence of Mr. F. L. Haszard. The evening will be devoted to compositions by Mozart:—

5. Soprano Solo—"Bati Casi," from opera of "Don Juan."
6. Duet—"La che darem," from Don Juan."
7. Benedictus from 12th Mass. Choir and Orchestra.
8. Soprano Solo—"Dove Sono," opera of Figaro.
9. Third Symphony—Piano Duet.
10. Bass Solo—"Non gire andrai," opera of Figaro.
11. String Orchestra—Minuet and Trio from Symphony in G minor; Minuet in F sharp; Minuet from Don Juan.

NEWS NOTES.

The French have seized the Island of Nessivey, on the south-west coast of the Island of Madagascar.

Ottawa proposes to spend forty-five thousand dollars to improve its fire protection.

Dr. Montague has been nominated by the Conservatives of Haldimand as their candidate for the Commons.

Mr. Laurier at Lachute said the worst evil of protection is that it begets corruption. There was an impression abroad that Messrs. Tarte, and Pacaud, and Langelier, and the other beneficiaries of a Liberal government's queer doings in Quebec were free traders.

A good story is told of Dean Stanley issuing a large number of invitations to his friends "to meet the author of 'Ecce Homo.'" Each guest, it is said, greeted his fellows with inquiring gaze, wondering which of them all could be the "author," but the party broke up "as ignorant on the subject as when they met."
