

After Dangers of the "Grip"

Boston papers facetiously remark that "La Grippe" is seldom fatal unless you use all the remedies recommended for it. They are correct. The writer fully believes that the end of the poor "grip" victim, if he tried all the patent medicines that have adorned (?) the pages of our leading newspapers as "sure cures for 'La Grippe,'" would be like Mark Twain, who for his famous cold tried every remedy advised by friends, until his stomach became so weak that he began to vomit, and continued until, as he avers, "he was like to throw up his immortal soul."

The question is often asked, why is it that W. P. Colwell can sell so much more crockery and so much cheaper than anyone else on the Island? The question is easily answered, and this is it:—They keep a good class of goods, they keep the largest stock, they buy at the cheapest market, they buy for cash, they advertise in all the papers, so that the people know where to go to get what they want. Always go to the cheapest Crockery Store, which is W. P. Colwell's. dw 4w—feb24

CANADIANS

Work Too Hard!

The Result is Sleeplessness, Nervousness and a Broken-Down System, often Ending in Insanity.

Thousands of over-worked business men, wearied brain-workers, industrious mechanics, and tired women, in all parts of the Dominion are to-day in a terrible position. Their nerves are weak, digestion poor, head aching, and they cannot sleep, work or live in comfort. This is what fills our Insane Asylums. This is the cause of that terrible Paralysis. Before it is too late, use Dr. Phelps' wonderful discovery, Paine's Celery Compound. It removes the results of overwork, restores strength, renews vitality, regulates the whole system, and tones up the overworked brain and body. Do not despair, but use this wonderful remedy, and be restored to health and happiness, the same as was Mr. John L. Brodie, of Montreal, who writes: "I have great pleasure in recommending your Paine's Celery Compound. My system was run down and I was not fit for business, could not sleep well at night and was nervous. I commenced taking Paine's Celery Compound and improved immediately. I am now able to transact my business and endure any amount of excitement without bad effect."

Paine's Celery Compound can be purchased at any druggist's for one dollar a bottle. If he should not have it on hand, order direct from WELLS, RICHARDSON & Co., Montreal.
