FRANK A. ROBBINS' CIRCUS gave the closing performance last evening. It was largely attended, the programme was slightly changed, and the different feats performed, were an improvement on the previous show. The circus was removed to Summerside by three special trains last night. It will give two exhibitions there to-day, and then proceed to Moncton.

HYMENEAL.—By reference to the proper column, it will be seen that an interesting event took place on the 3rd inst., at Chelsea, Mass. Mr. L. B. Miller, Principal of the Commercial College was united in holy wedlock to Miss Isabella Longworth, eldest daughter of the late William Longworth, Esq. The happy couple are spending their honeymoon in Annapolis Valley. We wish them happiness and success.

MR. W. E. WOOD, St. John, agent of the All Rail Line, is at the Rankin. He informs us that the reclining chair cars, which were taken off the trains between St. John and Baggor a month ago, will be put on again this week. Mr. Wood has at his disposal, pocket port tables of summer time tables, which give, in compact form, all information regarding routes, rates, etc., relating to the various resorts of New England. We are indebted to him for a copy. All who intend to travel on the New England States, should secure a copy free from Mr. Wood in St. John; they are convenient for the purpose of selecting routes.

THE Somerset races took place at the Driving Park, yesterday. Arrangements were complete, the Ardent was absent, and the day passed off pleasantly. In the five-year-old class, Mr. R. C. McLeod's (Summerside) mare took first money, having won in three straight heats, with Mr. J. D. Enman's mare second, and Mr. Ronaghan's third. The best time made in the race, was 2:51. In the four-year-old class race, Mr. Kelley's colt won first money. During the day, Mr. Duggan's three-year-old was speeded, and showed fast time. We learn that an offer of \$1,500 was made for this animal, but Mr. Duggan refused it. The running race was won by a horse owned by Hon. Stewart Burns.

Wolfe and wife, Mr. Benton, Mrs. Benton, Miss Benton, Mrs. Peet, Addie Poole, Martha Campbell, Mrs. J. D. Campbell, Rev. J. H. Fleming, Rev. L. B. Boland, Rev. J. T. Madden, Mrs. Nickerson, C. B. Henderson, Miss Alice Henderson, Miss Annie Newbery, J. D. Campbell, Alex. McLaren, Thomas R. Potter, C. P. Blanchard.

A MONTREAL clergyman visiting the Island, in a letter to the Montreal Witness says:

"The P. E. Islanders are only waiting for the chance to beckon Yankee friends to cut the cords that hold them on their back. They have no love for Canada and groan beneath a needless load of government, in which ignorance is nursed at the sacred breast of honor, and like a toad, swells out with dignities that are only fit for men of rank."

We wonder why the above clergyman went into the Church. There are other professions which would suit a tongue like his much better, while the reputation of the Church would in a measure be saved. Liars are said to have a rortion in the hereafter remarkable for its warmth,—the Rev. gentleman should be advised in time.

THE cricket match played between the Wanderers, of Halifax, and the St. John club, on the beautiful grounds of the latter, resulted in a signal victory for the New Brunswickers. The Wanderers going first to the bat, were all retired for 40 runs. Neal alone getting double figures, scoring 13. The St. John's first innings was almost as unsuccessful, being all put out for 43 runs. In the second innings for the Wanderers, scoring was very slack, and the whole team only managed to pile up 38 runs. After losing but one wicket the game was called in favor of St. John. This is the most disastrous defeat the Wanderers have sustained for some time; and two previously the St. John team were easily defeated by the Garrison, it seems as if the Wanderers are either playing very loosely or their team is an inferior one.

MEETING AT RUSTICO.

STRONGLY LIBERAL-CONSERVATIVE.

About four hundred persons were present. The meeting was addressed by Dr. Jenkins, D. McKay, M. P. P., Hon. D. Ferguson, Dr. McNeill, and Mr. Thomas Doyle in the interest of the Government, and by Mr. Welsh, D. Farquharson, M. P. P. W. Patterson, M. P., L. H. Davies, M. P., and S. F. Perry, M. P. P., on behalf of the Independent-Opinionist. Good order prevailed.

Mr. Patterson knocked the bottom out of the Grit argument (!) that the duty increases the price of flour in Canada. He showed that as Canada produces more wheat than she consumes, and as the price is controlled by the foreign market, it was utter nonsense to contend that the National Policy increased the price here! It is to be hoped that we shall hear no more of the grave political heresy which the Grits here have been preaching for so many years—that the N.P. increases the cost of flour to the consumer in P. E. Island. Mr. Patterson discussed the Trade Question in the abstract, presenting the Grit argument in a neat and forcible manner.

Mr. Ferguson replied by quoting Patterson against Patterson. That gentleman was among the first to advocate the National Policy, or what he called "Defensive Policy." As a manufacturer of cigars he had sought protection for that industry, and having obtained it, he placed his opinion of it on record, in the following words uttered by him in Parliament in 1876.

"The other year the Finance Minister, in revising the Tariff, gave some encouragement to our industry which it never had before. The result was that 1,000 men who were engaged in that industry, in Germany, were literally transported, by the change in the tariff, to Canada and set to work here. The cost of the article was not increased one iota, and Canada got all the benefit. The middlemen suffered a diminution of profits, but for them nobody seems to care much, the producer and consumer receiving all the sympathy."

Mr. Ferguson proceeded to quote Paterson against Paterson with telling effect, and evidently to the great delight and amusement of the meeting.
