CMHC announces that up to 100 University Scholarships will be awarded for 1978/79 to assist graduate students in their study of the social, physical, economic or management aspects of housing. Scholarship benefits include a stipend to cover personal living expenses, an allowance for dependent children, payment of tuition fees, and reimbursement of the cost of travel from place of residence to place of study. Candidates must be following a graduate program of study directly related to the field of housing.

In addition, up to 25 Open Scholarships will be awarded to assist those wishing to carry out individually-designed programs of study in specific areas of concern to CMHC. Candidates for this award may choose to carry out their work in any setting appropriate to their particular program of study.
