THE AMERICAN FAMILY MEDICINE.

THAT Mr. MOFFAT'S Life Pills and Phœnix Bitters have long since obtained the high and enviable distinction and a host of competitors, and that they acquired it solely by their invariable and almost unlimited efficacy, without the usual aid of fulsome puffery and pretensions, are well known to the public, and cannot be denied.—While very little has been said concerning these astonishing Life Medicines by the proprietor himself, and not more than was necessary to call the attention of the afflicted to a sure and speedy means of relief, their renown has rapidly flown from one individual to another, and from family to family, until they have long since become known in almost every town and village in the Union, as a wonderful and inestimable blessing.

Voluntary and unsolicited testimonials of their absolutely astonishing efficacy, in diseases of the most dreadful and obstinate character, as well as in others of prevalent and ordinary occurrence, have been received by the proprietor from the persons they have cured from every section of the country, and still continue to be received in increasing numbers. It is with pride and pleasure that the proprietor refers the public to his

"MEDICAL MANUAL," where a widely various selection of these testimonials is published, with the names and residence of the writers, because he has no hesitation in saying that the annals of Medical Science do not contain a greater number or variety of cures effected by any medicine known to the profession, or cured of a more frightful kind or of longer standing, coming as these testimonials do from their own persons themselves, who certainly know best, from their own happy experience, whether they are cured or not. The evidence they afford of the pre-eminence and unprecedented efficacy of these grand remedies is perfectly irresistible, and commands rather than solicits the respect of the public.

In addition to those already published, the proprietor is in possession of a vast accumulation of these personal certificates, demonstrating that his Life Pills and his Phœnix Bitters are promptly and uniformly efficacious in Scrofula in all its hydra-headed forms. Dyspepsia whether chronic or occasional, Rheumatism both acute and chronic, Jaundice and bilious and liver complaints, however distressing or complicated, Fever and Ague in all its varieties, and when quinine and all other specifics fail; Habitual Costiveness, (especially when the Life Pills are used as dinner pills, immediately before or after that meal) Piles even in cases of thirty years standing, Dropsy, Gout and settled pains in cases of thirty years standing, disease of the bladder and kidneys, piles, tumours, back, or Erysipelas, and all other eruptive diseases; Pleurisy, Asthma, Bronchitis, and other affections of the chest, lungs and mucous members; complexion, arising from whatever cause, nervous or general debility, in proof of the speedy and effectual cure of which by these medicines alone, the proprietor has hundreds, nay thousands of certified testimonials. Both the Pills and Bitters are mild and delightful in their operation, producing none of even the temporary prostrations and nausea occasioned by nearly all other medicines; and they can be administered with safety to young children, and females in the most delicate health. Prepared and sold by Dr. Wm. B. Moffat, 375 Broadway, New York. For sale also by the agents.—New York, May 30.

COOPER & BREMNER, Agents for Prince Edward Island.

These valuable Medicines may also be had on application to Mr. George Farley, Searletown, Bedeque; Mr. George Wigginton, Crapaud; and Mr. Edward Henry, Lot 18. Charlottetown, August 12, 1842.

MOFFAT'S

VEGETABLE LIFE PILLS AND PHOENIX BITTERS

THESE superlative Family Medicines have long since acquired an established reputation for direct and invariable efficacy in all the prevalent and ordinary diseases, as well as in many others of a peculiar and aggravated character. Their virtues are proved by the voluntary testimonials of the persons they have cured, and who accompany their certificates with their names and places of residence. These certificates now amount to thousands, being hundreds to each particular kind of disease. They embrace the most frightful and inveterate cases of Scrofula, Piles, Dyspepsia, Jaundice, Bilious and Liver affections, acute and chronic Rheumatism, Asthma, Bronchitis, Scrofulus as well as Mucous Consumption, habitual Costiveness, Worms, Stomach and Bowel complaints of all kinds, headache, giddiness and nervous debility, eruptive diseases, and the clouded, sallow, unhealthy appearance of the skin, arising from various causes of ill health, Fever and Ague of every variety, settled pains in the side, back, organs and limbs, humors, ulcers, foul breath and inward fever, night sweats, and general weakness and loss of appetite, the mumps, swollen face and gums, affections of the bladder, kidney, spleen and pleura, and the sickness incidental to females, together with very many other maladies which cannot be here enumerated. The certificates of cure in all these diseases are immense in number, and clear, direct and explicit in description, and coming as they do, in every case, from the persons cured, they are indisputable and conclusive in authority. These inestimable medicines should therefore be kept by every family and grown person in the Union, as they will be found to be not only the best remedies for disease, but also its most certain preventatives, and the surest renovators of sound, cheerful and elastic health. They are singularly mild and agreeable in their operation, and though perfectly effectual, never occasion even the temporary prostration and nausea which always follow the use of course drastic purgatives and the use of calomel. Prepared wholesale and retail by Dr. Wm. B. Moffat, 375 Broadway, New York. For sale also by the agents.—New York, May 30.

PURGATIVE AND STOMACHIC VEGETABLE PILLS

"He that wants Health wants every thing."

THESE Medicines are entirely Vegetable, and will be found upon trial to be the mildest, and at the same time the most effectual, remedy ever offered to the public for the relief of humanity.

IN ALL DISEASES they will be found to allay Irritation, remove Fever and Inflammation—cleanse the Stomach and Bowels—improve Digestion—purify the Blood—restore tone to the principal functions—and impart renewed energy to the whole Constitution.

In the following Diseases they have proved of the greatest utility: Fevers of every character; Inflammations; Costiveness; Bilious Liver Complaints; Consumption; Asthma; Dyspepsia; Dropsy; Disordered Joints; Nervous Disorders; Hysterics; Female Complaints of every kind; Impure state of the Blood; Worms; Derangements of the Stomach and Bowels; and General Debility of the whole Constitution.

Indeed, there is scarcely a Disease to which mankind is subject, which they will not either greatly benefit or perfectly cure. The Purgative Pills operate in the most gentle manner in cleansing the Stomach and Bowels, and removing obstructions.

In severe Chronic Diseases they are an invaluable Alterative, and when combined with the Stomachic Pills, quickly improve the secretion of the whole system—the stomach is strengthened—a healthy flow of bile is produced—the bowels become regular—and disease, whether Local or Constitutional, gives place to health and vigour of mind and body.

In all diseases of the Digestive Organs, accompanied with loss of appetite, nausea, sour stomach, and general debility, the Stomachic Pills (with the occasional use of the Purgative,) will be found of the greatest utility.

The Stomachic Pills should always be taken after Fever and Inflammation are reduced by the Purgative Pills—as they greatly facilitate the recovery of the patient. Weak and delicate Females will find the Stomachic Pills of great value in all complaints to which they are subject. In all cases of debility they will be found to increase the patient's strength, and restore him to the enjoyment of perfect health.
