A Joke That Failed.

During one of the legislative sessions at Albany Senator Thomas F. Grady wired for his evening dress suit. He wished to attend a reception. When the satchel arrived at Grady's apartments, his roommate, Assistant Corporation Counsel Thomas J. Creamer, opened it, took out the dress suit and replaced it with one of his rainy day suits.

"Let's get a crowd of senators here when Grady opens that satchel this evening," said Creamer.

"All right," said Senator Timothy D. Sullivan. "Hurry up and get the senators."

As soon as Creamer left the room Sullivan took Creamer's old suit out of the satchel and put back Grady's evening dress suit.

Senators Coggeshall, Ahearn, Coffey, Featherson, Martin and McCarren were present when Grady opened the satchel. As he carefully unrolled his dress suit the senators looked at Creamer. The latter was speechless. At last he stammered:

"The cigars are on me, boys."—New York Journal.

Trick of the Sleight of Hand Man.

The Anne Psychologique has an interesting article by M. Binet, the well known French psychologist, on mental suggestion and prestidigitation, in which he shows that sleight of hand and clever tricks do not make a prestidigitateur without a power of "suggestion" on the spectator. A skilled performer has a marvelous power of acting on the secret springs of the will. Thus he can generally make a person choose a figure below ten by the way he asks for it. If he wishes the person to choose five, he runs rapidly over the first figures and dwells a little on "five" to suggest it to the memory. It is also curious that of such figures "seven" is the most likely to be chosen and "one" the least likely.

A Frenchman Finds Canadian

Weather Had a Bad Effect on His Health

St. EUSTACHE, Que., Feb. 12.—Auguste Dubois landed here from France, a perfect stranger to the weather conditions prevailing in this country. The food also differed from that to which he had been accustomed, and his heart being weak, the change had a serious effect upon it. He went to a medical man who did him no good. He went to others with a similar result in each case.

"I had to go to Montreal," he says, "to work for the Grand Trunk in that city and met a man who was suffering the same as myself, but had started to take Dodd's Kidney Pills. He told me they were doing him good. He was kind enough to give me a few of them. I took them. I felt much better. I procured a box, and in fifteen days felt like a different man."

Who hath not known all fortune, never knew himself or his own virtue.—Mallet.

Are You Bilious?

A sluggish liver fails to filter the bile from the blood, and when the poisonous matter gets through the body in the circulation, the whole system is tainted and deranged. This is called biliousness and can be completely cured by Dr. A. W. Chase's Kidney-Liver Pills, which act directly on the liver, making it healthy and active. One pill a dose, 25 cents a box. The cheapest medicine in the world.

Unbecoming forwardness oftener proceeds from ignorance than impudence.—Greville

Don't Tear Down—Build Up.

The old-fashioned theory of tearing down disease was entirely changed by the advent of Dr. A. W. Chase's Nerve Food, which cures by creating new rich blood and nerve tissue. Through the medium of the circulation and the nervous system they strengthen and invigorate every organ in the human body.

The noontide sun is dark and music discord when the heart is low—Young.

An Interesting Case.

Mr. W. G. Phyll, proprietor Bodega Hotel, 36 Wellington Street East, Toronto, says:—"While living in Chicago I was in a terrible state with itching and bleeding piles, I tried several of the best physicians and was burnt and tortured in various ways by their treatment to no avail, besides spending a mint of money to no purpose. Since coming to Toronto I learned of Dr. Chase's Ointment. I used but one box and have not been troubled with piles in any shape or form since."

His Imagination.

During one of the Napoleonic campaigns a Frenchman was tripped up by a spent cannon ball, but without being injured in any way. He thought both his legs had been carried off and lay on the ground all night, suffering excruciating agony and never moving for fear of encouraging the bleeding. Next day the medical officer, coming around, said to him, "What has happened to you, comrade?" "Ah," he answered, "please touch me gently! A cannon ball has carried off both my legs!"

The Oratory of Gallerus.

The oldest Christian structure in Ireland is a remarkable building, evidently very ancient, but wonderfully well preserved, at Dingle, in County Kerry. It is popularly known as the "Oratory of Gallerus." Who Gallerus was history does not say, but as the oratory has stood practically uninjured for more than a thousand years he was probably one of the converts of St. Patrick.
