The Wonderful Cheap Men

What is Scott's Emulsion? It is the best cod-liver oil, partly digested, and combined with the hypophosphites and glycerine. What will it do? It will make the poor blood of the anæmic rich and red. It will give nervous energy to the overworked brain and nerves. It will add flesh to the thin form of a child, wasted from fat-starvation. It is everywhere acknowledged as The Standard of the World. DR. JOHN P. MURRAY, Queen St., near London House.
