DRIVE SAFELY

**IF YOU DRINK - DON'T DRIVE
THE LIFE YOU SAVE
MAY BE YOUR OWN**

**MAKE THAT "ONE FOR THE ROAD" COFFEE
DRIVING and DRINK
JUST DON'T MIX**

... you're really gambling against long odds if you get behind the wheel of your car after having had liquor of any kind ... A person must have all his senses about him to keep complete control of a car at any time ... but ice and snow make driving even more hazardous ... ONE DRINK CAN IMPAIR YOUR DRIVING ABILITY ... so don't take a chance of being the last fatality of 1966 or the first one in 1967 ... make a resolution to be a backseat driver whenever you have been partying.
