New Federal Building, Summerside

Summerside's new Federal Building has just been revealed to the gaze of passers-by after being covered with a wooden frame since construction started. It is considered likely that it will be completed this coming fall. In addition to

the Post Office on the ground floor it will house the Customs and Excise Department, Royal Canadian Mounted Police, Unemployment Insurance, Fisheries Department, all on the second floor.

DARNLEY AND SEA VIEW W. M. S.

The Auxiliary of the W. M. S. of Darnley and Sea View met at the home of Mrs. Jas. Hickey for its April meeting. The theme being "Recruiting for full-time service in the church." Mrs. Hickey presided and conducted the worship service, assisted by the following members, Mrs. H. Crozier, Mrs. R. Cousins and Mrs. A. MacKay.

Hymn 263 "My Faith Looks Up to Thee" was sung following Scripture reading found in Mark 10:17-22 and Matthew 6:24. Prayers were then offered for ministers and missionaries who have gone to foreign fields; for members of the Auxiliary that they may take seriously their responsibility in recruiting candidates for church work; for the young people of the church that they may respond to God's call to Christian service.

The president then took the chair for business period. Roll call was answered by four members with a verse containing the word "Faith". Minutes were read and approved. Secretary gave financial report. Donations were received from Robert Simpson

WOOL MARKETING

Wool will be received at the Potato Growers' warehouse at the foot of Prince Street, Charlottetown, after May 15th. Wool shipped by rail or truck should be carefully tagged and addressed to the Wool Grading Station, Charlottetown, "Freight Collect". Payment of freight by truck will be on the basis of rail rates only. Truckers must present a proper warehouse receipt before truckage will be paid. On the basis of present market values AN ADVANCE PAYMENT OF 70c PER POUND WILL BE MADE ON ALL WOOL OF SATISFACTORY QUALITY, AND PROPERLY PREPARED FOR MARKETING. Any final payment due will be paid as soon as wool has been graded.

In shipping, each fleece should be tied separately with paper string and packed in old, but clean sacking. Use one large sack if at all possible, as this aids in checking. A number of old, clean sacks sewed together will suffice. Large sacks may be secured from the Sheep Breeders' Association, Charlottetown, for lots of over twelve fleeces.

EACH SACK SHOULD BE TAGGED WITH THE NAME AND ADDRESS OF THE OWNER WRITTEN IN CLEAR LETTERING WITH INK, ONE TAG TO BE SECURELY ATTACHED TO THE OUTSIDE OF THE SACK AND ANOTHER PLACED ON THE INSIDE. No responsibility will be accepted for sacks without tags. A deduction of one cent per pound will be made for wool tied with binder twine or other unsatisfactory string. Shipping tags and proper paper twine are available at the Provincial Department of Agriculture free of charge.

It is in your interest to see that wool is properly prepared for market. Growers should

1. Remove all tags and dung locks before tying each fleece.
2. Any burry, chaffy, or strawy portions of wool should also be removed and shipped separately.
3. Sheep should be shorn when dry, and wool should be stored in a place free from dampness.

All wool should be delivered between May 15th and July 15th. Do not sacrifice your wool. Market it through Canada's finest Co-operative producer Association, the Canadian Co-operative Wool Growers, Limited. This is your Association. Why not support it? Producers selling through this Organization last year received as high as twenty cents (20c) per pound above prevailing market prices. A bonus of five cents (5c) per pound on last year's deliveries will shortly go out to all who patronized the Co-operative last season.

Make this year the BIGGEST and BEST year in our history.
