Was Only Survivor Of The P. E. I. Legislaure Of 1908

The death of Mr. Leonard Wood of Southport at the advanced age of 92 years, brought to a close a life of fine service to his community and the Province at large. Mr. Wood spent all his life among his own people near the old home at Mt. Herbert in which he was born almost a century ago. He was the son of Robert and Margaret Wood who operated a productive farm in that area, and Leonard, brought up in the tradition of progressive agriculture, followed in the footsteps of his father, and became one of the outstanding livestock and farm crop producers in this fine farming district. His death on Saturday closed an agricultural career that extended over three quarters of a century.

Early in life, at sixteen years of age, he represented his father at Sydney and Halifax in marketing farm products. After his marriage, at the age of 24, to Miss Jessie Stewart of Mt. Albion, he launched out on his own initiative in the farm produce business. In the succeeding years he shipped by vessel, steamer and rail, and became one of our chief exporters of farm produce in the Charlottetown area.

MOVED TO SOUTHPORT

Forty years ago Mr. Wood transferred his valuable farm property at Mt. Herbert to his son Walter, and moved to the Dr. Dewar residence at Southport, from where he continued to conduct his wide interests in the export field. It may well be said of Mr. Wood that he contributed largely to the interests of the farmer in developing outlets for farm products in Maritime and Newfoundland markets. In doing so he built up a fine reputation for honesty, integrity and square dealing, not only among his farmer patrons, but also in the markets in which he made his contacts.

Mr. Wood, on the solicitation of many admirers, in a district that was strongly Liberal, successfully contested the Fort Augustus constituency for the Conservative Party in the campaign of 1908, and was again returned in the elections of 1915 and 1923.

MEMBER OF COUNCIL

During the latter two terms he was a member of the Executive Council, and performed an excellent service in the interests of his constituents. Until the time of his death, he was the only living survivor of the 30 elected members in the 1908 Provincial House.

Few men have retained the high measure of confidence, admiration and affection that have characterized the life of the late Mr. Wood. He was a kindly man, with a bright, youthful outlook on life. He was a man of sound judgement, and wise counsel, and retained throughout his busy and fruitful career the abiding respect of all, old and young, who had the privilege of his acquaintance. In the community and the home, his memory will long be held in loving remembrance.

His passing leaves to mourn a sorrowing wife, his faithful companion for 68 years of happy married life; one daughter Mary, Mrs. Bragg, at home; one son, Walter, Mt. Herbert; three grandchildren, Leonard, Mt. Herbert; Pauline, Mrs. Donald MacLeod, Toronto; Laurdrene, in the Honor Course in Home Economics at the University of Toronto; one great grand-daughter, Nancy Anne MacLeod, Toronto.

He is also survived by the following brothers and sisters, Seymour, Mt. Herbert; Matthew, Cross Roads; Mrs. William Stewart, Charlottetown; Mrs. Jane Ballem, Southport; and Mrs. Ida Lane Regina. One sister, Mrs. Seaford Acorn, and one brother, Henry, predeceased him.

The funeral services were conducted Monday at the home at Southport by the Rev. T. R. Goudge, of the Pownal United Church, assisted by Rev. G. W. Tilley. A beautifully rendered solo, "The Old Rugged Cross," was contributed by Mrs. John MacRae.

The large concourse following the remains to its last resting place in the Mount Herbert Cemetery, bore ample evidence to the fine character and service of an outstanding and worthy citizen.

Little Theatre Will Produce Journey's End

Breaking away from the traditional beautiful heroine and masterful hero of many of their successful play presentations, the Little Theatre Guild have something new and entirely different on the billing for Thursday April, 25., at Queen Charlotte High School with George Anderson as Director.

"Journeys End" will be next male cast of thirteen deals with behind the lines in battle as experienced by men of action in two wars and cleverly compiled by the author to produce a thrilling stage production.

The lead as played by Bert Foster will be ably supported by local artists of proven skill and experience including Art MacLean, Peter Shama, Dick Turpin, James Coyle and J. T. Place.

"Journeys Edn" will be next to the last of four presentations by the Little Theatre Guild for the season which included three one-act plays and "Chalk Garden" which went into three acts. The final presentation for the season will be the children's play "Peter Peter" to be staged early in May.

Wheat Exports Are Increasing

OTTAWA (CP) — Canada's wheat exports continued to rise in the first seven months of the current crop year, but the increase was only about one-sixth of that gained by the United States, the world's leading exporter.

Canadian exports rose by 23,000,000 bushels in the seven months to 160,000,000 from 137,000,000, the bureau of statistics reported today.

U.S. exports increased by a spectacular 152,200,000 bushels to 297,400,000 from 145,200,000. Some of the American wheat is given away or sold on long-term credit.

In that same period, Australia's shipments almost doubled to 81,900,000 bushels from 48,600,000 while Argentina's exports declined to 49,500,000 from 72,800,000.

Total shipments by the four major exporters rose by 185,200,000 to 588,800,000 from 403,600,000.
