

Dominican Requests Stay Of Departure

OTTAWA (CP) — Arturo Rodriguez Espallat, 41-year-old Dominican twice deported from Canada, has asked Immigration Minister Tremblay for more time to arrange his departure from Canada.

Jean-Charles Sirois, counsel for the former head of the secret police of the Dominican Republic, said that he plans to see officials of the minister later today.

Espallat was ordered by the immigration department last January to leave Canada voluntarily by midnight tonight or be taken into custody and deported.

Mr. Sirois said today that Espallat is planning to leave Canada but I don't know the exact date.

He said Espallat needs more time to complete arrangements to enter another country with his wife and children. These arrangements could be completed by the end of August.

Youth Orchestra Embarks On Tour

TORONTO (CP) — The National Youth Orchestra embarks on a 13-day tour of eastern Canada Tuesday. By its end, the orchestra will have played in every major Canadian city since it was founded in 1960.

The 57 young instrumentalists, whose average age is 18, have been rehearsing in Toronto since July 5. Their tour program will include works by Beethoven, Hindemith, Berlioz, Mozart, Mendelssohn and Benjamin Britten.

Conductors for the tour are Vancouver-born John Vison, founder and conductor of the CBC Vancouver Chamber Orchestra, and Toronto-born Victor Feldbrill, who conducted the Toronto Symphony Orchestra at the age of 18 in 1942 and is a regular conductor of the CBC symphony orchestra.

Other internationally-known musicians will accompany the orchestra on the tour.

Seven provinces are represented in the orchestra. Ontario, with 48 has the most players, followed by Quebec 18, Alberta 10, British Columbia nine, Manitoba six, Saskatchewan four and Nova Scotia two.

Mission Founder Dies After Being Struck By Car

QUEBEC (CP) — Msgr. Edgar Laroche, founder and former superior general of the Society of Foreign Missions, died in hospital here Tuesday night of injuries suffered a few hours earlier when he was struck by a car. He was 68.

For 12 years he was apostolic prefect in the Manchurian province of Lintung.

He founded missions in the Philippines, Cuba, Japan, Honduras and Peru where more than 200 missionaries now are working.

From 1938 to 1958 he was superior general of the missionary society and since 1958 had been superior of probationers at the society's seminary in suburban Ste. Foy.

The car struck him as he crossed the road in front of the seminary.

Funeral service will be held in Quebec Saturday with burial at the society's seminary in the Montreal suburb of Point St. Viateur.

Cuba Has New Economic Min.

HAVANA (AP) — President Osvaldo Dorticos assumed No. 1 status in Cuba's economic picture today with the announcement that he had taken over duties of minister of the economy and chairman of the economic planning board.

A government announcement said Dorticos was replacing Rogelio Boti, who was being "liberated" of those responsibilities and would be given another position.

The sudden change was not explained.

Dorticos thus controls planning of the Cuban economy. He already had been chairman of the commission for the economy of the United Party of the Socialist Revolution.
