

Hawktåler Couchtard

by Luke Leunes

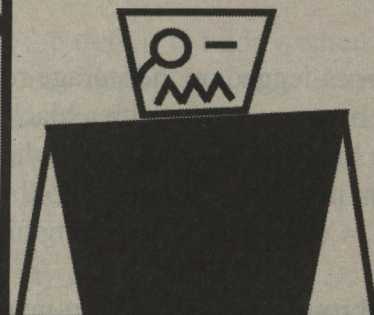

It was the night before
christmas and Couchtard
was broke.

He wanted some eggs to
fill his great bloat.

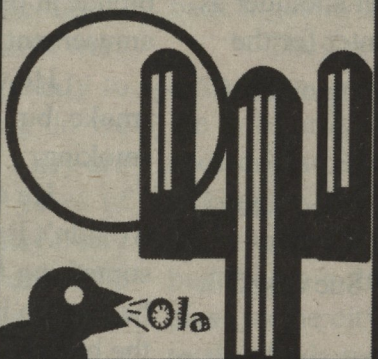

Hawktålers' idea was to
steal some bread
from a fat guy up north
who dresse in red.

They found his house in
all the deep snow.

Grabed the loot and sled
Mexico was where they were
fled

Sold all the loot for eggs,
money, tacos and rent.

Took out a bat and gave
Santa a big blow.

When they got back home
they were greeted by some
feds

Back to mexico Blitzer, Spritzer, Dawner. Back to Mexico
Couchtard and Hawktåler
