A CARD.

MRS. WINSLOW TO THE LADIES.

MRS. WINSLOW, an old an experienced nurse and Female Physician, would call the attention of the Ladies to her Soothing Syrup for childern teething. It will immediately relieve them from pain, allay all spasmodic action, soften the gums, reduce inflammation, and is sure to regulate the Bowels. Depend upon it, Mothers, it will give rest to yourselves and relief and health to your children.

Price, 25 cents per bottle.

We have sold very large quantities of Mrs. Winslow's Soothing Syrup during the past six years, several thousand the last year. We believe, it the best medicine in the world for children teething or for the cure of Dysentry and Diarrhea in Children, whether it arises from teething or any other cause. It gives universal satisfaction—never never heard a complaint from any one using it, never sold a medicine so universally successful in relieving pain and effecting cures—relief is *absolutely sure.*

CURTIS & PERKINS,

WONDER OF THE WORLD.

Gravel Cured of five years standing.

Messrs. CURTIS & PERKINS, Bangor, Me.

Gentlemen.—I have been entirely cured of the Gravel, by the use of your *Cramp and Pain Killer.* I commenced taking the Cramp and Pain Killer in the Spring of 1847. I had been a great sufferer for ten years previous; some four or five years of the time I suffered beyond all my powers to describe.

During this time, I have had medical aid, and tried various specifics, but found very little relief until I obtained your Cramp and Pain Killer. In one month after I commenced using it, I began to grow better. I continued to use it for a year, all the time improving until I was entirely cured.

MILES STAPLES.

Prospect, Me., Jan. 29, 1851.

We, the undersigned, are well acquainted with the above case, and certify to the above statement of facts.

CHARLES CLIFFORD,
HANNAH CLIFFORD,
STANTON ELLIS.

Doctor Toby, a regular practising Physician, of East Machias, writes us under date of March 20, 1847:

" Please send me half a gallon of your Cramp and Pain Killer—it is the best medicine to cure what it is represented to, that I ever used."

The Doctor first made use of it in his own case, for a severe sprain in the shoulder, caused by the upsetting of a stage, and found immediate relief, and has since used it in his practice.

Read the following. It speaks for itself.

RHEUMATISM CURED.

I certify, that I was afflicted with a violent Rheumatic pain in the small of my back, which entirely disabled me, so that I could not get up without the greatest pain and effort; nor could I walk without a cane, and but very little with. I applied Doctor Johnson's Anodyne Liniment, or Liquid Opodeldoc, and several other remedies, without any relief. After suffering in this way about a week, I purchased a bottle of *Cramp and Pain Killer*, prepared by CURTIS & PERKINS, Bangor, and after *three applications* was entirely relieved and free from pain, and am now entirely well. I also cured a friend of mine, who had been suffering for a long time with a lame side, with the same bottle. I believe it the best medicine in the world, and am happy to add my testimony in its favour.

OLIVER TOWNES.

N. B.—Be sure and call for CURTIS & PERKINS' Cramp and Pain Killer. All others bearing this name are base imitations.

Price 25 cents per bottle.

REVIEWS OF THE WORK.

" MANHOOD, by J. L. CURTIS—We agree with the Author, that so far from works of this class being objectionable in the hands of youth, or difficulties being opposed, every facility should be given to their circulation; and to strengthen our opinion, we need but refer to the recent distressing events at our Military and Scholastic Academies at Carshalton and Woolwich."—*Naval and Military Gazette, Feb* 1, 1851.

" We feel no hesitation in saying, that there is no member of society by whom the book will not be found useful—whether such person hold the relation of a parent, preceptor, or a clergyman.—*Sun, Evening Paper.*

" CURTIS ON MANHOOD.—Fortunate for a country would it be, did its youth put into practice, the philanthropic and scientific maxims here laid down—one cause of matrimonial misery might then be banished from our land, and the race of the enervate, be succeeded by a renewal of the hardy, vigorous spirits of the olden time."—*Chronicle.*

Published by the AUTHOR; who begs to inform patients in the East and West Indies, the Mediterranean and the British Colonies, that their cases can be successfully treated by correspondence only, if the usual fee be enclosed, and the most inviolable secrecy may be relied on.
