## Horny the Engineer Has the Last Laugh

Well, hi kiddies! It's been a great year so far. How about that Bio Page a few weeks back? I bet those clever bios were working on it all year. Quite an achievement, if you ask any Bio.

The Bios are really very nice people, once you get to know them. Why the S.U. president this year was a Bio and the S.U. president next year will be one too. Bios are so cute. Bios are so smart and nice. Why, I bet those Bios are just the coolest people on the whole... AAAR-RRRGHH!!

I CAN'T STAND IT ANYMORE!!!!

I'm sorry, censor board! I just can't do it! I can't! I'VE GOT TO INSULT THEM! And now (hee hee hee) I shall. I was walking down the street and I met a Bio carrying a pig. "How much did you pay for that?" I asked. The pig replied, "seventy-five cents." An interesting biological note: Bio mothers are strong and broad shouldered from raising Dumbells. There even was once a Bio who lost his job as an elevator operator because he couldn't learn the route.

Hah Ha Ha Haaar! I'm not finished yet, Kiddies, I...

Worse things could happen.

entertain people; to make them laugh, and to bring light and hope to the world. I have a dream! A dream of peace and understanding between all nations of the...
