

DOES SANTA KNOW ABOUT VITAMINS?

Of course not, and most people don't. But you, like him, are very fortunate that your pharmacist DOES KNOW VITAMIN PRODUCTS and how to use them properly.

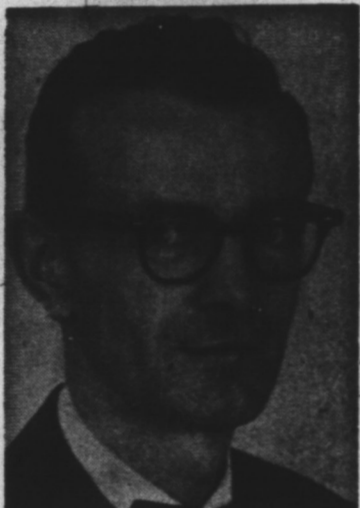

Vitamin products can be vitally important to your family's health. That's why you should take only the word of those who have been trained and schooled in knowing what vitamins are best for you and your particular health circumstances. **DON'T GUESS!** Get **DEPENDABLE VITAMINS** from those who know!
