

# Primroses To Play All-Star Team Tonight

Tonight at the Montague rink the Primroses, runners-up in the Island Intermediate "B" playdowns will face an all-star team from the Southern Kings Hockey League. The All-Star team will be comprised of four players from each of the four teams which make up the league—Murray River, Summerville, Bison Bombers and Murray Harbor North.

The game was arranged at the request of many fans in the Montague area who believe that a Southern Kings All-Star team is quite capable of taking the measure of the powerful Primroses. However, Primrose fans were of a different opinion and so it seemed the only way to settle the question was to have the two teams battle it out to a decision on the ice surface.

The All-Stars chosen are as follows:

From Murray River, A. White, G. White, R. Munn, B. Munn; Murray Harbor North, W. Millar, F. Jackson, W. MacLure, E. Condon; Summerville, E. Wood, G. Chiver, C. Cain, M. Fraser; Bison Bombers, J. Giddings, C. Stewart, F. Thompson, B. Clair.

From a humble beginning 30 years ago when a dozen members were granted a charter, the original Charlottetown's Y's Men's Club, one of the first in Canada, now has a membership of 62 under the name Alpha Y's Men.

The club has sponsored many projects of the Y. M. C. A., including the building and maintenance of the boys and girls summer camp at Holland Cove, involving an expenditure of approximately \$20,000. The annual Y's Men's concert, one of which is now in the process of development, is a means of providing funds for the maintenance of the camp.

The first club of this nature was organized in Toledo, Ohio, in 1922 and the International Association now has 506 clubs in 32 countries with a membership of 13,916.

Three charter members of the local club are still active in the work of the organization. They are John A. MacLair, Reginald Taylor and Reuel LePage. W. R. Carson is President.

## Montague Fire Dept. To Take First Aid Course

Mr. Gilbert Clements announced yesterday in Montague that the members of the Montague Fire Department will begin immediately to take a first aid course.

Mr. Clements, who along with Mr. John Shaw will direct the course, brought this idea up some time ago at one of the regular meetings of the brigade and it was received enthusiastically. It was mentioned at that time that a working knowledge of first aid should be had by every member of the department, because in the regular line of duty they might be called upon to assist an injured person and prompt first aid could possibly be the means of averting a tragedy.

The firemen will spend two evenings a week for the next six weeks receiving instructions.

There are twenty members in the department and all of them will be taking instructions, and Mr. Clements stated that a number of other citizens wishing to take the course along with them may do so.

## Expect Polio Inoculating Clinics Soon

All arrangements for the clinics for inoculations against polio to be held early in April in the city schools and in rural regional centres by the Department of Health have been completed. Lists of Grade I pupils in every school in the province, the only age group eligible for receiving the Salk Vaccine this Spring, have been sent to the Department by the teachers.

Notices of place, date and time of the regional clinics which the pupils will attend have been mailed to every teacher along with notices for parents and request forms to be signed by the parents who wish their children to be given the vaccine. These pupils will be required to present at the first clinic the request form carrying the parent's signature. A full schedule of rural clinics will be published in the press next week.

The polio inoculations will be given in the same way as the same amount as are inoculations against diphtheria, whooping cough and tetanus, with which all children and parents are familiar.

Although the report of the results of Salk Vaccine given to hundreds of thousands of children in the U. S. A. and Canada last year has not been published, medical authorities hope that the vaccine in the long sought solution to the polio problem on which scientists have been working for many years. The extent of its value is not known, but that it has no harmful effects is known. Its use by all provincial Health Departments this Spring is being permitted temporarily by the Food and Drug Directorate of the National Department of Health and Welfare.

## Returns From Red Cross Drive Are Coming In Well

According to a statement made last night by Mr. Walter R. Shaw, provincial chairman of the 1955 Red Cross campaign, returns are coming in more quickly this year and amount to \$8,516.81 up to date. This represents 31.5% of the province's objective. Brigadier G. G. K. Peake, general chairman for Charlottetown reports that the special names committee, headed by Mr. Frank A. MacKenzie, has already turned in \$4,766.00 while a few teams of the five divisions in the general canvass have made returns amounting to \$1,098.65. This makes a total of \$5,864.65 of Charlottetown's objective of \$13,000.00 received to date. The balance, amounting to \$7,135.35, has come in from districts in Prince, Queens and Kings Counties where canvassers have been appointed and are underway with their collecting in all but a few districts. Every effort is being made to have canvassers appointed in 100% of the rural districts and wonderful co-operation is being received on all sides.

Team 21 of Charlottetown men's division, three composed of life underwriters with Mr. R. J. Rupert as its captain, has made a record this week in having all its members complete their work but one and bringing in a total of \$140.25. Special mention was made last night by Brigadier Peake of the fine response met with by Chief of Police C. W. McArthur who collected \$66.90 from employees of the City Building.

A highlight of the week in the Charlottetown campaign was the receipt of a cheque for \$15.00 from Local 282 of the United Packing House Workers of America sent in by the financial secretary, James H. Coles, who said the members wanted to express their interest in this way. The "Maple Leaf Team" at Canada Packers was the first one to make complete returns in Charlottetown.

An outstandingly successful canvass was carried out in Montague by the Ladies' Auxiliary of the Canadian Legion under the presidency of Mrs. Neil Hooley. These energetic ladies collected \$395.65 in Montague which is \$87.00 in excess of the subscriptions from Montague last year. And the Georgetown Ladies' Auxiliary of the Canadian Legion again undertook the Red Cross campaign in that centre, with Mrs. H. P. George in charge, and were successful in collecting the splendid sum of \$99.65.

Next week 72 Charlottetown ladies representing 21 different

## Commends Fine Showing of Stock of Beef Cattle

Commenting on the results of yesterday's fat stock sale, Mr. W. R. Shaw, veteran retired Deputy Minister of Agriculture, said: "This show not only justifies the faith of island farmers in the beef cattle industry, but proves that we can produce, in considerable volume, some of the finest beef cattle in the eastern Canada."

Noting that the average price was almost 29 cents per lb. four cents higher than that paid at Amherst—and the top price, \$1.00 per lb., Mr. Shaw stated that it would be a difficult price level to surpass in subsequent years. "I do not know of any influence," he said, "that can give a greater impetus or encouragement to qualify beef production than this great feature. Buyers, producers and management are deserving of great praise in bringing to such a successful conclusion this noteworthy effort in the livestock records of the Province."

## Caledonian Club Party Enjoyed

There was a good attendance of Clansmen and their wives and friends, when the Caledonian Club of Prince Edward Island celebrated with a Ceilidh last night in the Y. M. C. A.

Clansmen Wilf MacLeod occupied the chair and introduced a splendid program by artists, all of whom were within the membership of the Club.

Barry MacGillivray piped up with "London's Bonnie Woods and Braes" and he also played for the dances, Judie MacDonald (Cardigan) in the Highland Fling and Sword Dance and Ruth Ross (Charlottetown) in Sean Trubhuais and Highland Fling.

Clansman Walter Shaw in his own inimitable way addressed the gathering upon the history of Clan MacIntosh and the association thereof with other prominent clans in the Federation known as Clan Chattan, with topical references to the Shaws and the MacGillivrays. The times were hectic and often ferocious but they made virile history and left a glorious heritage.

An interesting film was screened by the Chief of the Caledonian Club, Clansman George Fraser, the subject being the Explosion of the Atom Bomb at Monte Bella, and this tragic event was most absorbing. Another film followed with the more topical subject of a MacBrayne Steamer and Coach Iona of the Western Highlands of Scotland with splendid scenes of mountain glories and the sombre glens including the Pass of Glencoe of tragic MacDonnells' memories.

Community singing round the piano with Clanswoman Mrs. Bruce MacLaren then followed, and included the Gaelic songs — "Mo Dhachaidh" and "Brochan Lom."

Clansman Harold Sutherland played the March "Captain MacLean of Pionnycross," strathspey — "Deil in the Bitchin'" and "Mrs. MacLeod of Raasay."

Clansman Gordon MacMillan moved a vote of thanks to the artists and all rose to sing "Auld Lang Syne" and the "Queen," bringing another successful Ceilidh to a close.

Word has been received by relatives here of the sudden death Friday in Lowell, Mass. of Mr. William Dowling formerly of Charlottetown. A blacksmith and machinist by trade and a former employee of Bruce Stewart and Co., he had been a citizen of the U.S.A. for over forty years. His sudden passing will be a severe shock to his wife and many people who had the pleasure of his acquaintance.

Endowed with a ready wit and charming personality, he had many steadfast friends, all of whom will mourn the loss of a good man and fine neighbor.

His first wife, nee Elizabeth Garland of Fort Augustus, predeceased him some 35 years ago. His second wife, the former Lotie Dougan of Charlottetown, survives him. He is also survived by three sons; William Jr., James and Charles all of Lowell, Mass., also five daughters; Carlotta (Mrs. Walter Darty) New York; Rita (Mrs. Paul Beauregard), Helen
