

Good Temper.

There's not a cheaper thing on earth, Nor yet one half so dear; 'Tis worth more than distinguished birth, Or thousands gained a year.

It maketh Poverty content, To sorrow whispers peace; It is a gift from heaven sent, For mortals to increase;

A charm to banish grief away— To snatch the brow from care; Turns tears to smiles, makes dullness gay, Spreads gladness everywhere.

What may this wondrous spirit be, With power unheard before— This charm, this bright amenity? Good temper—nothing more.

School mistress—"Edward, give me the definition of excavate." Edward—"Excavate, to hollow out." School mistress—"Give me a sentence containing the word."

The military custom of saluting by bringing the hand into a horizontal position over the eyebrows is thus accounted for: It is supposed to date back to the tournaments of the middle ages, when, after the queen of beauty was enthroned, the knights, who were to take part in the sports of the day marched past the dais on which she sat, and, as they passed, shielded their eyes from the rays of her beauty.

"Young man, you want to marry my daughter?" "Yes, sir." "You have no objections to my asking you a few questions. What's the sure way to come out ahead on a horse race?" "Don't bet."

"Very good. What is the best hand in the deck at a poker game?" "Ace high, if you have nerve enough." "What's the best way to get along with a woman?" "Give her everything she wants."

"Young man, it's useless to question you any further. You are fitted to make a model husband."

Among the heaviest locomotives ever built are those recently put on its mountain division by the Philadelphia and Reading railroad. The tubes are 270 in number and 2 1/2 inches in diameter. The fire box is over 11 feet long inside by 42 inches wide, and is placed above the frames, but not above the wheels. The heating surface in the firebox is 185 square feet and the total heating surface 2,345 square feet. The engine is designed to burn anthracite.

Dr. Pierce's Favorite Prescription

is the greatest early boon, being unequalled as a purgative or cordial and restorative tonic. As a soothing and strengthening medicine, "Favorite Prescription" is unequalled in its effects upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and despondency.

As a powerful, invigorating tonic, it imparts strength to the whole system, and to the womb and its appendages in particular. For overworked, worn-out, run-down, debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest early boon, being unequalled as a purgative or cordial and restorative tonic.

As a soothing and strengthening medicine, "Favorite Prescription" is unequalled in its effects upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Favorite Prescription is a legitimate medicine, carefully compounded by an experienced and skillful physician, and adapted to woman's delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system. For morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and kindred symptoms, its use, in small doses, will prove very beneficial.

"Favorite Prescription" is a positive cure for the most complicated and obstinate cases of leucorrhoea, excessive flowing, painful menstruation, unnatural suppression, prolapsus, or falling of the womb, weak back, female weakness, anteversion, retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, accompanied with internal heat.

As a regulator and promoter of functional action, at that critical period of change from girlhood to womanhood, "Favorite Prescription" is a perfectly safe, remedial, and can produce only good results. It is equally efficacious and valuable in its effects when taken for those disorders and derangements incident to that later and most critical period, known as "The Change of Life."

"Favorite Prescription" when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Purgative Pellets (Little Liver Pills), cures Liver, Kidney and Bladder diseases. These combinations, chronic rheumatism, neuralgia, and abolishes cancerous and scrofulous humors from the system.

"Favorite Prescription" is the only medicine for women, sold by druggists, under a positive guarantee, from the manufacturers, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottle-wrapper, and faithfully carried out for many years.

Large bottles (100 doses) \$1.00, or six bottles for \$5.00.
