

Parkdale Humbles Youth Club 9-5 In Fast Game

Unleashing a devastating 6-goal attack in the third period Parkdale Flyers humbled B.Y.C. 9-5 in a fast and furious Island Senior hockey game at the Sports Arena last night before a crowd of over 900.

The Flyers broke a close, hard-fought game wide open in the third period after the Youth Club had overtaken an earlier 3-0 lead and went ahead 4-3 on four straight goals—three in the second and the other in the early minutes of the third. The Flyers walked in 6 tallies in a row in a little more than 9 minutes of the third to take home their eighth victory in 11 starts and solidify their hold on the top rung of the league.

The stellar and sometimes spectacular work of Frank Roper in the Parkdale cage saved the day for the Flyers in the first and second periods. Time and again Roper turned back the Youth Clubbers when they seemed to have sure goals on their sticks. Roper turned aside 37 of the 42 drives sent his way and Thane Doyle was only slightly less sensational at the other end of the rink stopping 29 of 38 shots.

Playing coach Allie Carver led the way for the Flyers with a three-goal performance and brother Orin Carver was top pointgetter of the night as he triggered one goal and set up three others on spectacular end-to-end rushes. Skip Carver, Erland Wood, Bob Hurry, Jim MacLeod and Willie Dunn shot the other goals for the Flyers.

Merrill Pineau fired two for the Youth Club in the second period and Johnny Squarebriggs, Mark Delaney and Frank Shepherd chipped in with one apiece.

FAST PERIOD In one of the fastest and best played first periods of hockey seen in this corner

IN THIS CORNER Muscles An N.H.L. Necessity?

Last year when the Boston Bruins paid a visit to Summerside for an exhibition hockey game with St. John's Beavers, few if any of the 2,000 plus fans who watched the game at Civic Stadium new they were getting a bird's-eye view of a team that in the 1956-57 season would be battling for the leadership of the National Hockey League with Detroit's potent Red Wings and the Canadian team, Montreal. Yet here in the '56-57 season that is where we find them in one of the most hectic hockey races seen in the N.H.L. for many years.

It is certainly a healthy state of affairs for the big time that one of the teams, called just a few years ago a "have-not", has arisen to challenge for the Prince of Wales trophy, long been thought to be the exclusive property of the Wings and Habs. If the New York Rangers were displaying the drive that made them playoff material last year and if Toronto, L.A. and Chicago could get some of their players out of the hospital long enough, the teams would probably be setting new attendance records all around the loop, except, of course out in Chicago, where Tommy Ivan is trying to build a big league team around young players like Eddie Litzenberger, Forbie Kennedy, Elmer Vasko, Hank Ceisla and Lalande.

Hockey men throughout the league, especially club owners ought to send "thank-you" notes to both Lynn Patrick and Milt Schmidt who have given the Bruins a tremendous lift this year and have caused a resurgence of hockey fever not only in Boston but throughout the league wherever the Bears happen to be. For were it not for the Bruins it would be a rather dull year for the N.H.L. with the Red Wings and Canadiens playing in one league and the other four teams in another.

Now if Ted Kennedy can give the youthful Leafs the ice generalship they need and Phery Phil Watson can instill some of the "phire" back into the Rangers, say by next year, the N.H.L. should experience the greatest fan interest in its history. Which only goes to prove once again the old saw that balance is to sports what variety is to life.

There doesn't seem to be too much hope for the Black Hawks for another few years until the "youth movement" in the Windy City begins to pay dividends. Of course in hockey, you never know. Maybe by next year the Hawks will be into the thick of things.

Gene Fullmer-Ray Robinson Return Match Appears Likely

NEW YORK (AP)—A Gene Fullmer-Sugar Ray Robinson rematch in March appears likely, pending a decision today by the 36-year-old former champ and his retinue of co-managers and advisers. Fullmer, winner of a unanimous decision in Wednesday night's Madison Square Garden fight, appeared at the offices of the International Boxing Club Thursday ready to give Sugar Ray another chance "anytime."

Marv Jenson, his manager, told promoter Jim Norris, "all we're interested in is — get us the most money you can."

Norris said he would like to promote the fight in New York if the same sort of local television blackout could be worked out.

Robinson didn't appear for a scheduled press conference. George Gairford, his "chief adviser" said over the telephone that he wanted a rematch at the earliest date Fullmer is ready.

in a local ice palace in years Allie Carver shot the only goal after being set up beautifully by brother Orin while Jack Ready was sitting out a slashing penalty. In the second period Flyers shot two goals before the 6 minute mark was reached and appeared on their way to an easy win. However B. Y. C. rammed home three of their own to tie things up at the end of the second and went ahead 4-3 in the third before the Parkdale deluge came.

After the Flyers had shot six in a row B. Y. C. tallied the last goal of the game. The game was rather rough and tempers flared in the last period when Jack Ready of B. Y. C. and cousin Jim of Parkdale tangled in the front of the B. Y. C. net while all the action was taking place at the other end of the rink. Both were tagged with majors and at 11:16 Frank Shepherd drew a minor penalty from referee Joe Revel, temporarily crossed checking and was later assessed a match-misconduct charge. He argued the point by pushing Revel.

Allie Carver got the Flyers off to a 1-0 lead in the first when he tipped in Orin's pass after the younger Carver had set it up with a rink length rush. In the second Orin sent the Flyers up 2-0 when an intercepted pass landed directly on his stick and sent him into the clear from centre ice. Skip Carver got another at 5:55 when he scored a wondrous goal from the side of the net. Merrill Pineau got the youth club back in the game with two in a row the first on a three-way passing play with Roper and Red Howatt and the second was a real beauty that he speared Sny Ready's ankle high shot behind Roper.

CHATTER... Press box viewers were generally agreed that for two periods the game was the best seen at the Arena for years and years. One fellow termed the first period the best he had seen in six years. Buck Whitlock and Bob Hurry seemed to be having a bit of a feud all their own. Art Perry stopped a sure goal when he blocked a high shot headed for the twines with Doyle lying flat on the ice. Buck Whitlock engineered one of the neatest plays of the evening when he sent Lloyds Shepherd in all alone on Roper, but Frank playing his best game of the year, stopped him cold. We would venture a prediction that the next time the two teams clash the Arena will be filled to the rafters. Tonight the Flyers are facing their old nemesis Summerside Aces.
