THE CELEBRATED COMMON SENSE

FAMILY SEWING MACHINES

Improved and Perfected!

Acknowledged to be the best cheap Family Sewing Machine in the United States.

MANUFACTURED BY A. F. JOHNSTON & Co., BOSTON, MASS.

For Elegance of Finish it has no Rival, high Price or low.

THE Celebrated Common Sense Family Machine is now before the public, with all the improvements that can well be combined in a Sewing Machine. Great labor and pains have been bestowed to bring this machine into the very highest circle in the scale of Sewing Machines. It is acknowledged by the best judges to stand entirely ABOVE AND BEYOND any cheap machine ever produced before. It will sew anything that can be sewed on any high priced Machine in the land, just as nicely and just as rapidly It will sew from Swiss Muslin up to Beaver Cloth, at the rate of twelve hundred stitches per minute.

Our Machine has a new style of feeding apparatus, which makes the Machine Self-Guiding. The cloth, without the aid of either hand, will run nearly as true as when guided by Barnum's SELF SEWER This is an advantage not possessed by any other Machine in the world, high price or low. This is one reason why this Machine is so easily managed by children. A girl with one hand can use it more successfully than she could ordinary Machines with two hands

This Machine will Stitch, Hem, Fell, Tuck, Quilt, Cord, Bind, Braid, and Embroider in a most superior manner

EVERY MACHINE WARRANTED FOR FIVE YEARS!

You can cut every second stitch of this sewing and then we will give you a Machine if you can pull the cloth apart without tearing it. It is useless to multiply words, our Machine needs only to be seen to be appreciated.

Flattering Testimonial from the New York Tribune:

The Common Sense Sewing Machine. This is the name of a new candidate for public favor. We have had Sewing Machines many. Some costing enormously, and some costing as little as the "Common Sense Machine," but they have most of them passed away because of faulty construction. But few of the higher priced machines retain the confidence of the public. It was the good fortune of the inventor of this machine to combine excellence of construction and excellence of performance with extraordinary cheapness (only twenty dollars), and just the result that might have been expected has been attained. These sewing machines sell rapidly. They give abundant satisfaction. They are acknowledged to stand entirely ahead of any cheap machine ever invented. The thread is laid evenly upon the fabric, and the work holds firmly.—TRIBUNE

No household complete without our "Great Labor Saving Machine."

CARTER'S

COMBINED WRITING & COPYING

INK!

THIS COMBINATION INK has been awarded the HIGHEST PREMIUMS over all others in the United States and pronounced by the most celebrated Chemists the best Ink ever offered to the public.

It is used by many of the largest Commercial Houses, Banks, Railroads, and other Corporations and gives perfect satisfaction.

The Advantages of this over other Inks are:

FIRST.—It flows freely from the pen, and does not thicken by exposure to the air.

SECOND.—It will give a perfect and instantaneous copy.

THIRD.—It will not mould.

FOURTH.—Being equally as good for Copying as for Book-keeping, it entirely does away with the use of two kinds of Ink.

FIFTH.—It is more permanent than common Inks.

SIXTH.—The color, when first written, is a beautiful dark green, but in a remarkably short time it changes to a BRILLIANT JET BLACK—not a brownish black.

SEVENTH.—It is admirably adapted to the most delicate writing, and ALWAYS "makes its mark"

This Ink is warranted to flow as freely as any other Writing Fluid now in use; to give as perfect a copy as any Copying Ink; and not to mould.

This ink is for Sale at HARVIE'S BOOKSTORE, Queen Street

THE ROAD TO HEATH

AND LONG LIFE

SECURED BY

HOLLOWAY'S PILLS.

Impurities of the Blood.

In selecting the most appropriate medicine for a particular ailment, there may be some difficulty unless one can be found to purify, regulate, and improve the quality of the blood. These Pills possess and exert these three qualifications in an extraordinary degree. They enable the stomach to digest any ordinary food, increase the secretory powers of the liver, cleanse and purify the blood, expel all morbid matter, and throw into the circulation the purest elements for sustaining and repairing the frame.

Weakness and Debility.

How many persons suffer from debility without knowing the causes why they are feeble! In many cases the stomach is the aggressor. Holloway's Pills have long been famed for regulating a disordered stomach, and restoring its healthy digestive tone; they are, therefore, confidently recommended as a never-failing remedy in all cases where the constitution, from any cause, has become impaired or weakened.

Disease of the Head and Heart

These formidable diseases are, unfortunately, of frequent occurrence; for the most part they creep on gradually, but may be prevented by proper precautions. Holloway's Pills are the surest preservatives against all derangements of the brain, and are the speediest correctors of irregular circulation. If they be taken without delay, when tingling in the limbs, drowsiness, or giddiness comes on, the effect will be marvellous.

Females of all Ages & Classes

The fame of these Pills is partly based upon the beneficial effects they have upon the constitutions of females. From the domestic servant to the peeress universal favor is accorded to them for their invigorating and purifying properties, which render them so safe and invaluable in all disorders peculiar to the sex. Obstructions of every kind, either in young persons entering into womanhood or approaching the turn of life—the most critical period—may be radically removed by a recourse to these Pills.

All Disorders affecting the Liver, Stomach and Bowels

Whenever the stomach, liver, or bowels are disordered by high living, climate, over-indulgence undue exertion or other causes, these fine regulating Pills will soon rectify the evil, and speedily bring back energy, strength and cheerfulness to the frame where previously all was lassitude, gloom and dejection.

Despondency, Low Spirits.

The misery occasioned by a disordered digestion is, unfortunately, felt by most. These famous Pills should be taken in appropriate doses to adjust the disturbed functions. They dispel headache, biliousness, nausea, lowness of spirits, and all similar ailments. A course of these invaluable purifying Pills never fails in removing the cause of such morbid affections, without subjecting the sufferer to any inconvenience.

Influenza, Diptheria, Bronchitis Coughs and Colds.

In our changeable climate few persons escape without colds, sore throats, influenza, diptheria, or bronchitis, for all of which these famous corrective Pills may be taken with the certainty of effecting a cure. While the Pills are expelling all impurities from the body generally, Holloway's Ointment should be well rubbed upon the chest and throat, it will penetrate the skin, reduce inflammation; and restore lasting soundness.

Holloway's Pills are the best Remedy known in the world for the following diseases:
