The Provincial Camp at "Buchan" will be under the direction of F. A. Driscoll.

Staff Changes In R.C.N. Announced

OTTAWA, June 16 — Appointment changes involving four senior R.C.N. officers and affecting three of the top administrative posts of the Royal Canadian Navy were announced today by Defence Minister Brooke Claxton.

Rear-Admiral Harry G. DeWolf, C.B.E., D.S.O., D.S.C., R.C.N., 47, of Bedford, N.S., who has been Flag Officer Pacific Coast since September, 1948, will take up the appointment of Vice Chief of the Naval Staff at Headquarters on September 11.

He will succeed Rear-Admiral Frank L. Houghton, C.B.E., R.C.N., 52, of Ottawa, Vice Chief of the Naval Staff since September 1, 1947, who will proceed on retirement leave early in September.

Rear-Admiral DeWolf will be succeeded as Flag Officer Pacific Coast by Rear-Admiral Wallace B. Creery, C.B.E., R.C.N., 40, of Vancouver and Ottawa. Rear-Admiral Creery at present holds the appointment of Chief of Naval Personnel at Headquarters. He will take up his new duties August 30.

Captain James C. Hibbard, D.S.O., and Bar, R.C.N., 42, of Hamilton, P.Q., and Victoria, has been appointed to succeed Rear-Admiral Creery as Chief of Naval Personnel on August 5, and will be promoted to the rank of acting commodore on the same date. Captain Hibbard is currently taking advanced staff courses.

Both Rear-Admiral DeWolf and Captain Hibbard will serve as members of the Naval Board when they take up their new appointments.

CHICAGO, June 16 (AP)—An overturned gasoline truck trailer dumped 4,000 gallons of gas into a suburban creek yesterday and turned the stream into a ribbon of flame. There were no casualties. The blaze destroyed three wooden bridges along a one-mile stretch.

Will Vote On Daylight Saving At Farm Meetings

Votes to determine whether or not the farming population are willing to have daylight saving time during the months of August and September will be taken at the County Federation of Agricultural meetings to be held next week.

The perennial daylight saving time question was discussed at the annual Federation meeting held in Charlottetown last January. Board of Trade spokesmen were present and the Federation decided that time during the months of June and July was not feasible but that it might be considered for August and September.

District school meetings were held in April at which representatives were appointed to get the opinion of each district before the County meetings. These representatives will vote on the fast time problem according as their district desires at next week's meeting and thus decide the August and September issue. Board of Trade spokesmen will attend the meetings.

Immediately following the conference, the Atlantic Salmon Committee will meet in Lunenburg June 21 to consider an overall program that will conserve and develop to the best advantage salmon stocks on the Atlantic coast.

This will be the 3rd meeting of the co-ordinating committee on Atlantic salmon. All phases of the salmon industry—commercial and argling—will enter into the deliberations.

Plan Holding Of Fisheries Conference Here

The 1951 East Coast Fisheries Conference will be held in Charlottetown in either November this fall or in January of next year it was decided at a recent meeting of the directors of the P.E.I. Fisheries Federation.

The fisheries officials accepted the invitation of Hon. Eugene Cullen, Minister of Industry and Natural Resources to hold their 1951 conference in Charlottetown at the 1950 annual meeting in Fredericton.

Plans for the conference will be discussed at the quarterly meeting of the Federation which will be held in Tignish on Wednesday, July 5. A directors' meeting will be held at 10:30 in the morning followed by a lobster luncheon at 1 p.m. The business meeting will be held at 2:30 in the afternoon. The meetings and luncheon will be presided over by Mr. J. E. Burden, Federation president.

Will Represent P. E. I. At Fisheries Conference In N. S.

Messrs. J. A. Rodd, director of fisheries for Prince Edward Island, and Eugene Gorman, chairman of the Fishermen's Loan Board, will represent this Province at the 3rd Federal-Provincial Fisheries conference in Lunenburg June 19-20.

The meeting is being convened by the Federal Department of Fisheries and discussions will cover a wide variety of subjects pertaining to the fishery industry. Two previous meetings in the series have been held in Ottawa.

Main theme of the meeting will be a discussion of a development program for the fisheries of the Atlantic Coast Provinces. Delegates from Quebec, New Brunswick, Nova Scotia, Newfoundland and this province will be in attendance.

The extent of government assistance to aid private enterprise in development of the fisheries is expected to be discussed by the delegates. Resources, fishing equipment, processing, transportation and marketing will also be on the agenda.

Immediately following the conference, the Atlantic Salmon Committee will meet in Lunenburg June 21 to consider an overall program that will conserve and develop to the best advantage salmon stocks on the Atlantic coast.

This will be the 3rd meeting of the co-ordinating committee on Atlantic salmon. All phases of the salmon industry—commercial and argling—will enter into the deliberations.

Programme To Restore Mill Ponds For Anglers

The Provincial Government programme of restoring old mill ponds in the Province as angling areas, which got underway last year, will be continued during 1950, it was announced yesterday by the Department of Industry and Natural Resources.

Preliminary surveys of the ponds are carried out by members of the Royal Canadian Mounted Police. The best sites are then chosen and the dams are either rebuilt or repaired. This selection is based on the dam costing the least money to restore and serving the largest area.

Three ponds were restored last year—two rebuilt and the other two repaired. A total of 41 sites were surveyed in 1949.

The ponds restored last year were: Whitlock's at upper Dundas Centre, Norris, near Souris, and Blackett's near Annandale.

J. A. Rodd, provincial director of Fisheries will next week inspect the more favorable of those already surveyed to determine which ones will be developed this year. It is expected about four ponds will be restored during 1950.

Reports by the secretary, Mrs. S. G. Peppin, and by the treasurer, Mrs. J. M. Garnham, were adopted as read. Field Secretary, G. E. Wood, reported on the services given to the forty blind residents of Charlottetown since the last meeting and also announced that Col. E. A. Baker, O.B.E., M.C., Managing Director of the C.N.I.B., was arriving in Charlottetown, Sunday evening, while on a Maritime tour to observe the activities of the Maritime Division of the Institute.

Members of the Auxiliary reported on visits made to blind persons in recent weeks and arrangements were made to increase the number of visits in the future. It was decided that the Charlottetown Women's Auxiliary hold their tag day to support the Canadian National Institute for the Blind in Charlottetown on Saturday, November 4th.

A former Islander, Mr. H. F. Bovyer, Canadian Pacific Railway representative in Australia, is paying a one month visit to his sister Mrs. Thomas Allen, Charlottetown, and renewing acquaintances in the province.

A native of Mount Stewart Mr. Bovyer received his first railway experience in the Island Division of the C.N.R. Since that time he has worked with the C.P.R. in various parts of Canada and the United States until his transfer to Melbourne, Australia about 20 years ago where he opened the Australian C.P.R. branch.

This is Mr. Bovyer's first visit to the Province in eleven years. He is accompanied by his wife and two sons.

Another P. E. I. Sow Makes Record Score

According to a recent report of the Canadian Advanced Registry Board, the sow "Mayflower 1C," owned by Allison MacEachern & Son, Clyde River, has made a slaughter test score of 94. This is the third living qualified sow in this Province with such a record.

A feature which makes this sow outstanding is that the four test pigs reached 150 pounds cold dressed weight at 165 days of age. No other sow in Canada has made such a high slaughter test score with such early maturing pigs.

The A. R. Board has also reported the following P.E. I. sows recently qualified: Mayflower 1C, owner A. MacEachern & Son, score 11-165-94.

Aima Patsy 2C, owner L.B. MacMillan, score 11-198-88.

Stiel 9B, owner Errol Stetson, score 10-186-85.

Hillsboro Cora 2C, owner A. E. Phillips, score 14-187-82.

Hillsboro Carol 1C, owner A. E. Phillips, score 14-198-83.

Marshall Duchess 17C, owner Stanley Colwell, score 8-189-83.

Eastside, Cara 41C, owner Robert D. Brown, score 9-194-80.

In the above scores, the first figure indicates the number of pigs seen in the test litter. The second figure denotes the age in days of pigs when slaughtered. The last figure gives the average slaughter test score of the four test pigs.

After some evidence had been taken the case was adjourned until June 24, as was also the case against Sorrey.

Both men were admitted to bail, Waterworth's being set at \$2,000 and Sorrey's at \$1,500.
