Hard Luck.

(Boston Courier)

See the skater with his skates,
Gleaming skates;
How anticipation now his plump and ruddy
cheeks inflates!
How he hurries, hurries, hurries,
As he sees the lake in sight!
While no fear his spirit worries
As vehemently he skurries
On the pinions of delight;
Keeping time, time, time,
To the skater's ringing chime,
And the merry invocation that his ardent soul
elates
From the skates, skates, skates,
Skates, skates, skates!
From the ringing and the singing of the
skates.

See the skater on his skates,
Tipsy skates;
How their movement devious that little boy
gyrates!
How they veto his delight
And encumber him with fright
As he pivots on the ice where he is thrown!
While upon the air there floats
From a hundred fiendish throats
Not a groan,
But a round of ringing laughter
That nevermore thereafter
May condone.

Then upon his hunkiest rising
While that laughter's lurid tone
As his jerks and jolts surprising
Ripples through the frigid zone,
He essays the perpendicular,
But ensues a scoot orbicular,
And he swirls,
And he trips a lurking snag on,
Then he whirls
Like a fellow with a jag on,
Till a far resounding thump eventuates;
And the yells
Of hilarity that follow
Echo through the furthest hollow,
And there swells
From the larynx of the victim
And the balance of the day he imprecates,
His tongue with reeking, rasping rancour
baits
The stinging, staggering, stigmatizing states
Of the skates, skates, skates, skates,
Skates, skates, skates, skates,
The scarring, scarring, scoff invoking skates!

WHAT a cleaner at Lessive Phenix is Try it upon anything. It is the ideal clothes washer, for it takes the place of the old harsh chemical washing powders, and makes every article sweet and clean, being efficacious with cottons and flannels alike. Then after using it in the wash, just try what it will do with silver, brass or metalware, in removing stains from wood; or in cleaning glass You really can't pelieve it until you try it.

SAVED!

The testimonial below refers to a patient who was pronounced incurable by leading physicians in England:

From Rev. Dr. Hill.

M. F. Eagar, Esq. HALIFAX, N. S.

Dear Sir,—I feel that it is due to you that I should say publicly what I have said privately very many times, namely, that I firmly believe your PHOSPHOLEINE was the means of restoring a near relative of mine to ordinary health. The patient was apparently in the last stages of Consumption, but with the concurrence of skilled physicians your PHOSPHOLEINE was tried, and, I am happy to say, with results that I certainly did not anticipate. My friend is to-day in the enjoyment of excellent health.

Believe me, yours very truly,
