

Royas Seeking Maritime Crown

Sandy's Paradise Royals will try to grab the Maritime Intermediate 'A' crown tonight when they host the Nova Scotia champions from Bridgewater at the Sports Arena.

The Royals won a 2-0 lead in the best-of-five series. They eked out a 5-4 overtime victory in the opener at Bridgewater but the next night they walloped the bombers 7-2. However, Royals' players insist the Bridgewater boys are a hustling outfit and they expect stiff competition from the Nova Scotians tonight.

Sandy is optimistic about closing things out tonight and he expects to be manager of the Maritime champions once the smoke of battle clears this evening. The Royals are taking no chances on letting this Maritime crown slip away at this stage of the going-on.

Arse Arsenault ran wild on the Bridgewater boys on Monday and Tuesday. Last night he scores three, including the overtime winner Monday and then went wild with four goals in the Nova Scotia match.

KIM NOVAK: last of the glamor girls

Hollywood's glamor girls, noted more for their beauty and sex appeal than for any acting ability, have all but vanished. Only one glamor queen has been able to survive — Kim Novak, the emerald-eye blonde with the hour-glass figure. From the movie capital, Ronald Freeman relates, in this week's Weekend Magazine, how Kim Novak has managed to make her particular brand of glamor appealing to audiences around the globe.

HUNTERS' CORNER

Anglers Eagerly Awaiting Trout Fishing Season

The trout fisherman's day of days is drawing close. Just ten days distant... and trout conditions at the moment are far from promising. Ice clogs dams and ponds, and gravel roads bordering on the impassable will test the stamina of the most hardened trout addict. Two feet of ice is reported on some dams and on others is topped by a layer of slushy snow. Conditions could improve before the fishermen get out upon the weather. There was a time when I would stand on the bank and watch the anglers as they flurried to select lures. A sun would blot out the green spruce shoreline in temporary gusts. If the opening day is crisp and sunny I could be induced to try my luck. The type of weather prevailing could be a factor in the ice and watch my opening day trout activities.

FAVORITE MONTHS May and June are my favourite months. If trout are not in co-operative mood one can take advantage of the weather. A winged black bird swaying on the flag tips or a masknut swimming before the fishermen depending upon the official's face when I hit the question was thrown at him. I knew the trio in question were sparring for an opening and immediately questioned the recommendation, passed by all Queens County Fish and Game Association a 5 or 6 weeks ago. That the Duck and goose season this year (1963) open on October 15th and close on December 9th. A vote was taken by the members of the tri-o whether or not the duck and goose season open on Oct. 1st or 15th. They got their answer. The vote was 22 to 6 for the October 15th opening date.
