Home And School Addressed By Travel Bureau Director

—Mr. George Fraser, in an address to the Kensington Home and School Association on Thursday night, November 13th, emphasized the importance of the tourist industry in this Province. The figures have not yet been compiled for this year's traffic but it is estimated that there will be considerable increase over last year's 75,000 tourists visiting this Province.

"Everybody is benefitted either directly or indirectly by the tourist industry," said Mr. Fraser. He spoke of two young people, Mr. Charles Gorman and Miss Bonnie Woodside of Kensington who had worked with his department last year and said they were worthy representatives of the town.

He spoke of what the Government is doing to attract tourists and pointed out some of the things the people might do to please visitors and bring them back each year and others with them. First by making farm homes and surroundings more attractive and providing good accommodations, and by keeping Prince Edward Island traditions, serving native foods and above all being courteous to strangers at all times.

Nature has blessed this island with the best beaches and the best assistance from the natives in making the Province attractive, said Mr. Fraser, and it might yet be known as "the Bermuda of the North."

Mr. Fraser showed some of the literature which is being distributed.

At the conclusion of his address a hearty vote of thanks was tendered Mr. Fraser for his interesting and informative address.

The Summerside Home and School Association were guests of the Kensington group at this meeting and Mr. Hubley, president of the Summerside group, spoke briefly in appreciation of Mr. Fraser's address and complimented the Kensington group on the work they are doing.

Several trophies which the Kensington School won at the South Shore Festival were shown by the music teacher, Mrs. Jean Badger.

The Treasurer, Mrs. F. T. Bowness, gave the financial statement and also reported receiving a letter from the European child adopted by this group which she hopes to have translated for next meeting.

Mr. Austin Pendergast gave a brief account of his visit to the Tamaquaque Regional High School. The meeting was followed by a social hour with the social committee serving delicious refreshments. The visitors were shown through the school and commented favorably on the pleasing appearance of the class rooms.

"CORPORAL DOLAN GOES A.W.O.L." AT THE CAPITOL

—Eddie Albert plays the leading role, that of a G. I. in London home and his wife. He has just been handed a three-day pass, but what are three days when the only thing you want in the world is to see your bride, who is 3,000 miles away in Woodville, New Jersey?

Through the intervention of Fate, Eddie runs into two pals who are ATC pilots and who induce him to make a routine week-end flight to New York. Eddie can have a twelve-hour layoff in New York, and still get back in time to report for duty.

Fate cannot resist playing a trick on Eddie, though, and when he is discharged from service nearly a year later, he finds his wife, Annie (played by Faye Marlowe) about to present him with an heir.

His embarrassing predicament in trying to prove himself the father of his own child provides most entertaining screen fare.

Gail Patrick appears most decoratively in her sequences as a glamorous night club hostess. Sir Aubrey Smith is seen as Sir Archibald Clyde, a distinguished Briton, and Philip Reed and James Millican portray the two ATC pilots with genuineness.

Raymond Walburn, Will Wright, William Frawley and Wallace Ford also figure in the plot.

Allan Dwan produced and directed from the original screen play by Mary Loos and Richard Sale.

Gideon Camp Organized In S'ide

The inaugural meeting of the Summerside Gideon camp took place at the United Baptist Church on Wednesday, November 19th. Those in attendance were FO. Jack Farr, Brewer Waugh, Amos Hubley, Harry Linkletter, Emory Linkletter, Roy Simmons, George Taylor, Colin Waugh and Wm. Brooks.

A delegation of Gideons in the persons of Blair MacDonald, Ralph Balderson and Vic Runtz were in attendance from Charlottetown.

Mr. C. R. Roberts, Eastern Field Secretary from Toronto, addressed the meeting, outlining the purpose and justification for a local organization. In his remarks Mr. Roberts emphasized the fact that the Bible has been the bed-rock basis of all true civilization. In countries where the Bible has been given to the people a high standard of living is to be found. All modern benefits of civilization enjoyed today have come from those who believe the Bible as the Word of God.

The following were elected to office: President, FO. Jack Farr; vice-president, Mr. Brewer Waugh; secretary-treasurer, Mr. Amos Hubley; chaplain, Mr. Harry Linkletter.

The Gideons International is the oldest and largest Christian commercial men's Association on the North American Continent. They number some 18,000 men and during the past fifty years have been responsible for placing over three million Bibles in hotels; giving thirteen million New Testaments to the Armed Services, and seven million New Testaments to the school children of Canada and the U. S. A.

The purpose of the Summerside Gideon camp is to "Bible" all hotels, motels, tourist cabins, hospitals, prisons, schools, etc. The first project will be to offer to all school children from grade V and up a well bound copy of the New Testament with Psalms and Proverbs.

Mr. Roberts spoke appreciatively of the co-operation of the Charlottetown men and said he was looking forward to a strong local group in the future in Summerside.
