**FIRST FROSH COMMITTEE MEETING: APRIL 10TH (FRIDAY) AT 1:30 - 2ND FLOOR BARN EVERY WELCOME !!!**

### ***THE BATTLE OF THE SEXES - A PLAY BY THE STUDENTS OF UPEI***

Cast: Cory Large - Ego: King of all that is dull, conceited and right-wing (although progressive in his use of a hyphenated name)

Peter & Joey: Leaders of the Backlash super hero team. Just tow guys trying to save their own red-necks.

The Libby Petition: Not a real person as some might believe, but an object of much reverence and vile hatred. Disappears in Act II and becomes sought after like the Holy Grail.

Jean Claude Vaughn Jelliffe: The heavyweight of the feminist fatale faction, known for her acid tongue and cut-off letters in the school newspaper.

Bugs Bunny: An alias used by an intrepid spy for the Backlash super hero team. One of the original signers of the Libby Petition.

Tracy Smith: real name unknown. Pretends to be on the feminist fatale side, but often shoots her own troops in the back with poor writing thus killing any chance they have to be taken seriously.

The Doctor: Also affectionately known as Adolf. Guilty of several war-crimes, the worst being

Enquireresque-like journalism. Thought to have disappeared but will be caught arraigned when caught

National Association of Scholars: A group of men who couldn't get dates in college because of rumours about small penis size.

Student Union Council: A group of young men and women devoted to sitting on the fence.

Students/Children of UPEI: Sometimes angry at the war, sometimes apathetic, mostly just confused.

Attitude: Leading role - can be played by a female or male - perhaps big enough for both.

Act I Sc. 1: The feminists fatales are busily deconstructing the letter .....

Auditions will be held as soon as a ceasefire is called and people begin to use their pens for peace treaties rather than intellectual violence.

Respectively yours,  
Michelle MacCallum

P.S. The above article is a satire -- and to be construed as such. I hope people take it as a little dig at all the pain that was caused this year by the great war.

## **UPEI STUDENT CENTER/ BUILDING FUND**

On April 1st and 2nd, the Student Union held a referendum asking students whether or not they were in favor of the challenge of the 80's student fee, which has now expired being replaced with another fee. Results said YES!!!

A \$10.00 fee will be implemented for the upcoming fall academic year. This fund will go towards the eventual construction of a new Student Center. However, this fund is only one source as contributions will come from various avenues.

If students have questions or would like to look at what work has been done by past councils, presentations etc., please call the Student Union at 566-0530 or drop down during office hours.
