#### Mother's Doughnuts.

"I've a little surprise for you, Harold," said the young wife as her husband sat down to the supper-table.

"Is it a pleasant one?" asked Harold, with an anxious look.

"It ought to be," said his wife, dubiously, and she uncovered a plate of doughnuts.

"H'm. They don't look much like mother's doughnuts, but then I daresay they'll be good. Only you have not had her experience."

He tasted one and made a wry face.

"Too much lard," he said, "but of course you couldn't be expected to know, Allie. Don't be annoyed, dear, but I dare not eat them. Write and ask mother to send her recipe."

"That was hers, dear."

"Impossible. You must have changed the ingredients to get such poor, soggy results. Write and ask her to send you a batch. She'll be delighted."

A week later when Harold sat down to the table the doughnuts, brown and crisp, loomed before him.

"So they came, did they? Ha! I knew she would send them. M-m-m-m, but they are good. I tell you, Allie, there isn't another woman in the world that can make doughnuts like mother."

"I guess that's so, Harold," answered his wife. "Those I gave you the other night were hers, and I bought these you are eating at the little bakery around the corner."

Then the front door was slammed shut by a very angry man.

#### Simmons' Share.

Mudge—Oh, yes, we had a real lively time, Simmons and I. It cost us nearly \$50.

Wickwire—Yes. I saw Simmons this morning, and he told me he spent \$45.—*Indianapolis Journal.*

#### How He Got There.

"How came you here?" said the visitor to a prisoner in the penitentiary.

"I was brought here by my convictions," was the firmly spoken reply.—*London Tit-Bits.*

#### The Instinct of Oysters.

Oysters, after they have been brought away from the sea, know by instinct the exact hour when the tide is rising and approaching their beds, and so, of their own accord, open their shells to receive their food from the sea, as if they were still at home.

#### Matriculate.

Matriculate means to enroll oneself under a mother. A college like the Newcomb or a university is called alma mater (propitious mother, soul mother). The meaning of alumni is foster children, which students are to their college, being enrolled in a register after certain forms and examinations. Matricula is Latin for roll.—*New Orleans Times-Democrat.*

#### MESSAGE TO MEN.

Proving that True Honesty and True Philosophy still Exist.

If any man who is weak, nervous and debilitated, or who is suffering from any of the various troubles resulting from youthful folly, excesses or overwork, will take heart and write to me, I will send him confidentially and free of charge the plan pursued by which I was completely restored to perfect health and manhood, after years of suffering from Nervous Debility, Loss of Vigor and Organic Weakness.

I have nothing to sell, and therefore want no money, but as I know through my own experience how to sympathize with such sufferers, I am glad to be able to assist any fellow-beings to a cure. I am well aware of the prevalence of quackery, for I myself was deceived and imposed upon until I nearly lost faith in mankind but I rejoice to say that I am now perfectly well and happy once more and am desirous therefore to make this certain means of cure known to all. If you will write to me you can rely upon being cured and the proud satisfaction of having been of great service to one in need will be sufficient reward for my trouble. Absolute secrecy assured. Send 5c silver to cover postage and address Mr. Geo. G. Strong, North Rockwood, Mich. 135p&w.
