Nat. CWL Annual Meet First Here In 33 Years

For the second time in its 44 year history, the National Convention of the Catholic Women's League of Canada will meet in Charlottetown from August 23 to 28th.

It is now 33 years since this national body held its meeting in Charlottetown and at that time the late Mrs. W.J. MacIntyre of this city was elected as its national president. She has been the only Islander to be elected to the presidency of this national organization which now has more than 150,000 members across Canada.

The invitation to hold these meetings during Centennial Year was extended to the CWL two years ago when it met in Halifax by Most Rev. M.A. MacEachern, bishop of Charlottetown, as well as by Premier W.R. Shaw and Mayor W.A. Gaudet.

The theme of the convention is "The CWL Motto — 'For God and Canada' — A Modern Apostolate", and the title "Most Reverend Bernard Angus MacEachern, First Bishop of the Diocese of Charlottetown".

Mrs. Hermon Stevens of Calgary, national president, will chair all the business sessions.

The formal opening will be held Monday evening in St. Dunstan's Basilica Recreation Centre, at which time the delegates will be welcomed by Bishop MacEachern, and Rev George MacCormack, director of the P.E.I. Provincial Council.

Greetings will be extended by Miss Ibhigenie Arsenault, provincial president, as well as by civic, provincial, federal and fraternal representatives. Most Rev. T.J. McCarthy, DD, bishop of St. Catherines and national director of the league, will address the delegates and the response will be given by the national president, Mrs. Hermon Stevens.

The program of the convention will cover reports of provincial presidents, conveners of standing committees and chairmen of special committees — with highlights featured — providing at a glance, the achievements in the many phases of CWL endeavor.

Recommendations and resolutions from all parts of Canada, many with national and international implications, will be studied and voted upon. Projects for International Co-operation Year and Centennial Year will be announced, a revised leadership course and a series of social action programs for general meetings of parish councils will be presented and forums, successfully introduced last year, will again develop the convention theme.

Each day's sessions will be preceded by Mass in St. Dunstan's Basilica, Holy Redeemer Church, Mt. St. Mary's and in the chapel at Marian College.

SOCIAL EVENTS

The social events will include scenic drives, entertainment in private homes, tea at Government House, dinner at Summerside with the P.E.I. Government as host, luncheon at the Charlottetown Hotel with the city as host, a tour and supper at Mt. St. Mary's.

Rev. F.W.P. Bulger, PhD, chairman, department of history, St. Dunstan's University, will speak on "Prince Edward Island's attitude to Confederation 1863-1873" at the closing dinner on Thursday evening in St. Dunstan's Recreational Centre.
