Reform in the Courts.

THE main features of Hon. Mr. Peters' bill to amend the practice of the Supreme Court seem to be good. The bill provides, in the first place, that all absent debtor cases shall be disposed of by a Judge alone. All other cases in which there is no defence will also be settled without the aid or expense of a jury. But any suitor who desires a jury may have one on giving five days' notice and paying eight dollars into Court. That is to say, if men wish for a jury in the settlement of their disputes, they shall pay for it. This seems but fair. Practically the effect of the bill will be to cast the responsibility of deciding a large majority of the civil cases which may come before our courts upon the Judges. For unless a suitor desires a wrong verdict, he will not care to pay for the services of men whose business is *not* to weigh evidence.

There are some minor provisions, such as summoning the petit jurors on the second day of the term instead of the first, and directing that Trinity Term of the Supreme Court in Charlottetown shall not begin until after Dominion Day.

On the whole, the operation of the bill will result in a saving of time and public money,—and, perhaps, in fewer miscarriages of justice.

Presbyterian General Assembly

KINGSTON, June 16.—Prof. Scrimiger reported from the committee with regard to Mira, to appoint a committee to meet with the presbytery, session and congregation to settle all difficulties. The commission will consist of John F. Forbes, D. MacDonald and Robert Murray.

D. Stiles Fraser submitted the temperance report. Reference was made to the multitude of petitions in favor of prohibition. Improvement in the law has not kept pace with the public sentiment. A resolution was proposed, re-affirming the assembly's former deliverances regarding the liquor traffic. Nothing short of prohibition rigidly enforced should be accepted as satisfactory, and the Dominion Parliament should enact such a law.

Rev. A. Simpson moved to omit the clauses asking for prohibition. Only eleven members voted for his motion. The discussion was brief. All the recommendations were adopted.

Dr. Warden presented the Record report. The circulation is 46,000; surplus about $3,000. Jas. Croil resigned the editorship. The assembly gave $1,000 to Mr. Croil as a small token of its high appreciation of his services for many years. The assembly unanimously appointed Robert Murray editor.

In the afternoon Mr. Murray stated that he had carefully considered the appointment and felt constrained to decline. He proposed Rev. Ephraim Scott, of New Glasgow, be apptointed. Carried. It is expected Scott will accept. It is one of the best positions in the gift of church.

The assembly was invited to meet next year in Victoria, B. C., St. John, N. B., and Montreal.

The assembly selected Montreal.

The foreign mission board was authorized to appoint a medical missionary to the Jews of Palestine; also a missionary to the Chinese of British Columbia.

The estimate of expenditure next year for the western section is $95,000; eastern section, $30,000.

Loyal addresses to the Queen and Governor General were adopted.

Dr. A. B. McKay, of Montreal, speaking on the state of religion of the country, attacked Christian Endeavor Societies. A large number of members expressed indignant dissent from his views.

The assembly recommended the organization of Christian Endeavor Societies in every congregation.

Dr, Armstrong (Ottawa) presented the Sabbath observance report

Satisfaction was expressed with the attitude of Archbishop Fabre, of Montreal, favoring observance of the Lord's Day.

PROVINCIAL LEGISLATURE.

HOUSE OF ASSEMBLY.

THURSDAY, June 18.

AFTERFOON SESSION.

Mr. Shaw resumed, enforcing his contention by reference to facts as detailed in the public accounts of Cnnada, and to the conditions under which this Province entered the Confederation; and he argued that the present Government should go on to press the claims of the Government against the Dominion before saddling the Province with a funded debt, or inflicting direct taxation upon the people.

The amendment was then negatived and the draft address agreed to without any amendment.

Mr. Speaker then resumed the chair. The amendment was then put and lost on the following division :

Yeas.		Nays.	
N. McLeod,		Peters,	
Shaw,		McLean,	
Arseneau,		McMillan,	
A. J. McDonald,		Farquharson,	
Clow,		Richards,	
Sullivan,		Sinclair,

Underhay,		Bell,	
McKay,		Warburton,

		Jenkins.	16

The address was then adopted.

Mr. Peters submitted a bill entitled "an act to amend the practice of the Supreme Court of Judicature in Prince Edward Island," and explained its provisions.

House adjourned.

FRIDAY June 19.

After formally presenting their address in reply to the Lieutenant Governor's speech at the beginning of the session,—

Mr. Peters submitted a bill respecting moneys paid into the Court of Chancery.

Mr. Peters also submitted a bill to authorize the publication of the public accounts as soon as they are printed.

Mr. Warburton submitted a bill "respecting the profession of medicine and surgery."

Mr. Peters submitted a bill to repeal two sections of the Full Electric Light Company incorporation act. He explained that the provisions of these two sections were met by the statutes of Canada, and that there is some doubt as to the right of the Provincial Legislature to pass them, and that if left upon the Provincial statutes doubt might be created as to the law under which it would be right to proceed.

Mr. Shaw asked the Commissioner of Public Works what action the Government intended taking in having steam communication resumed this season between Montague, Georgetown, Annandale and Dundas, and if not, what provision the Government intend to make in furnishing such conveyance on said route as that of last season.

Hon. Mr. McLean replied in effect that the matter is under the favorable consideration of the Government.

Hon. Mr. Peters presented the report of the Superintendent of Education for 1890.

Hon. Mr. McLean presented the report of the Commissioner of Public Works.

Hon. Mr. McMillan presented the report of the Commissioner of Crown Lands.

Hon. Mr. McLean presented the report of the Suprintendent of the Hospital for Insane.

Hon. Mr. Peters presented the report of Provincial Auditor on the Public Accounts.

House adjourned to meet on Monday.

St. Dunstan's College.

COMMENCEMENT EXERCISES.

Owing to the recent death of the late lamented Bishop of Charlottetown, the commencement exercises were shorn of their accustomed display. The public were not invited to attend, and the examination and the distribution of prizes were conducted in the presence of His Lordship Bishop McDonald, the clergy of the diocese and a few of the friends of the institution. The classes were examined by Prof. Caven, Dr. Morrison, Revs. F. X. Gallant, D. B. Reid, and A. McAulay. The students acquitted themselves well. When the several classes had been examined, the prizes were distributed by His Lordship Bishop McDonald.

The year just closed has been one of the most successfull in the history of the institution—upwards of eighty students having attended its classes during the year. There is evidently a bright future in store for St. Dunstan's, and we have no doubt that next year an increased number of students will be in attendance.

At the close of the distribution the valedictory was read by Mr. D. F. Morrison, after which eulogistic speeches were delivered by His Lordship, Prof. Caven, Fathers Gregory McDonald and F. X. Gallant. Mr. Morrison's Valedictory will be published in THE EXAMINER to-morrow.
