IN ST. JOHN.—Zera Semon and his boy Lawrence, are playing to big houses in St. John.

VALUABLE DISCOVERY.—A gas well has been struck one mile from Port Lambton, Ont. It throws sand and water 100 feet in the air.

AFTER FENCING.—Senator Ferguson, of Charlottetown, P. E. I., has placed a large order for fencing, with the Anchor Wire Fence Co. of this town.—Truro News.

THE PORTLAND FUND.—Thirteen hundred dollars have been subscribed in Portland, Me. for a fund to relieve the distress caused by the loss of the steamer Portland.

BETTER BE SURE.—Nearly ten per cent of the population of Bedford, Pa. are down with smallpox. The Bedford doctors, it seems, at first mistook the disease for chickenpox, and the result was disastrous.

JUST THINK OF IT.—The Moncton Times publishes the following special despatch: Captain Swanson bought a farm here two years ago and while repairing a leak recently he spied an old box. Curiously he opened it and found fifty thousand dollars in sovereigns. This is no fairy tale, as the captain exhibited them here today.

WAS WRONGLY IMPRISONED.—After serving three years for a crime he never committed, George Ogle was released from Sing Sing prison last week on the Governor's pardon. He was convicted in 1885 of stabbing a man during a quarrel. One of the men on whose testimony Ogle was convicted recently confessed that the guilty one was himself.

THE FULLER TRAGEDY.—A Boston despatch says it is announced that Assistant Attorney General Boyd has instructed District Attorney Jones to proceed with the other trials growing out of the barkentine Herbert Fuller tragedy, at his earliest convenience. These cases are the indictment of Thomas M. Bram for killing the second mate, and the indictment, not pressed at the first trial, for the killing of the captain's wife.

AN OLD AND WELL TRIED REMEDY.—Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething with perfect success. It soothes the child, softens the gums, allays all pain, cures wind, colic, and is the best remedy for Diarrhoea. Is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup, and take no other kind.

THE MILLIONAIRE'S VIEW.—Young Bradley Martin contributes to one of the current magazines an article to justify the lavish expenditure of great wealth by those who possess it. He calculates that a man with a fortune of \$100,000,000 and an income of \$5,000,000 a year spends a great deal more money than would be spent if this \$100,000,000 were owned by 10,000 people with an income of \$500 a year. Therefore, the one hundred millionaire puts more money in circulation than the 10,000 persons with the \$500 income, and as such is a greater boon to a community.

ISLAND APPLES FOR ENGLAND.—John Leitch a well known farmer and fruit-grower of Prince Edward Island was in the city this morning and left by the Atlantic express for his home. During the present season Mr. Leitch has shipped over 2500 bb's of P. E. Island apples to the old country his principal market being Liverpool. He says that Maritime province apples are eagerly sought for on the other side and excellent prices are obtained in almost every case. He has realized more out of his English shipments this year than he has from the local market in three seasons.—St. John Gazette.

Hardly.
Miss D.—Angelina, why don't you marry Lieutenant Y?
Miss A.—First, because he has no brains—and he can't ride, dance or play tennis. What could we do with him?
"But he swims beautifully."
"Oh, yes; but one can't keep one's husband in an aquarium, you know."—London Tit-Bits.

The Poor Wife.
"John Henry, it isn't any good, I know, that keeps you down town so late, when you ought to be at home with me and the children."
(Shrugging his shoulders.) "Honi soit qui mal y pense, my dear."
"That's right! Swear at your wife in Latin."—Chicago Tribune.

ESTEEMED EXCHANGES.

St. John Sun: The canvass of the patronage purveyor is heard in East Prince. Promises are more than abundant there this week. But these promises are becoming somewhat monotonous. They were numerous last spring in West Prince but West Prince is none the better for them now. If the people of East Prince want the promises fulfilled, let them elect Mr. Lefurgey. Then they will see such an outpouring of expenditure as they have never witnessed before. Sir Louis will then perceive that promises are not enough. He will begin to perform. No members of parliament have received such favors from this government as the members who kicked. A constituency which kicks will be sure to receive attention.

The Mail and Empire: There was tremendous excitement in Washington the other day. A special train steamed into the station with a gorgeous palace car attached. The baggage was speedily unloaded and forwarded to the Shoreham. A large entourage of secretaries and officials disembarked and meekly awaited the great man who was soon to follow. Immense crowds gathered around the palace car to catch a glimpse of the celebrity, whoever he might be. A little man with a twitch to his neck and a closely trimmed beard finally emerged and bowed to the assembled citizens. "Who is he?" asked the people, supposing that they had captured one of the crowned heads of Europe. It was Tarte, who had taken it into his head to run down and share in the spree part of the performance.
