Harold Ballem Visiting

FORMER ISLANDER, Harold Ballem, who has become a notable among five-pin bowlers in upper Canadian circles, is back in P.E.I. this week to catch up on a little vacation and some of our Island beaches.

Harold dropped by the office yesterday, and after chatting with some of his old friends, found a few minutes to tell me of some of his accomplishments in Ontario bowling circles during the past year.

Perhaps the biggest event of the year Harold took part in was the famous O'Connor Open at Toronto, in which 1,181 kegglers battled for money totaling $28,000. Harold led the pack following the first day and finished 7th with an average of 251.5 for $75. Stan Battsbury won the meet with an average of 266.

Harold had his best tournament of the year at Stoney Creek, Ontario, this spring when he rolled an amazing 2,856 for 10 games. That time he finished third.

In the Mixed Majors League, Oshawa, he captained the championship team for the third consecutive year and finished with second high average, 252. He had high triple, 1012 and high single, 432.

Ballem, who also bowled for Toronto City Majors in television competitions, missed winning $4,970 in 1962 by one strike. In the Lucky Seven contest at O'Connor Bowl he had strikes in his first six boxes but missed the near $5,000 in the seventh when he punched the five pin.

He said he had one tip he would like to pass along to Island bowlers. "Wrist action is just about the most important thing in this game," he said. "It must be kept stiff when the ball is released. I've found the best way to do this is to press my thumb on top of the ball when I grip it and keep the thumb pressing firmly when the ball is released. Not hard, mind you, just firm."

Harold will be on some of the Island lanes this week. And he said if anyone would like to drop by at Spy Ready's Rec Centre lanes in the next couple of afternoons he would be available to help them with their game.

Off The Cuff

HARNESS RACING will have its biggest day of the season so far this year in Summerside today with three double dashes going this afternoon and a full program of eight dashes on tap tonight. Races will also be held Friday and Saturday. . . . Montreal Als Tuesday made a four player trade with Winnipeg Blue Bombers. The Alouettes gave up guard **MARV LEE** and defensive half Barrie Hansen for Doug Daignault, an import halfback, and **VERNON COLE**, a quarterback and defensive half ..... **HAKON SVERDRUP**, 46, and Otto Pedersen, 59, both of Toronto, enter Lake Chemong, near Toronto, in a couple of days bound for Norway in a 25-foot cabin cruiser. The two hope to make the 3,200-mile trip to Oslo in 10 days. Their 3.7 ton craft, Viking, is powered by a 160 h.p. eight-cylinder motor. "I would take our craft over a larger ship any day," said Sverdrup. "It'll just be like riding a giant roller coaster." They plan to stop at Greenland and Iceland for fuel ..... An outbreak of **EQUINE INFLUENZA** has forced officials of the Cape Breton Turf Club to stick strictly to local horses for the feature $1,000 New Waterford nurses race at the Sydney Sports Centre tonight. Racing secretary **JIMMY FERGUSON** said that Maritime horsemen are afraid to ship their horses from track to track because of the possibility of either carrying or contacting the virus. Tonight's race will include however, Normal Hal C., **STARRY HAVEN**, Perky Z., Edgewood Jimmy, **EBENS ACE**, Highland Lad, Judy's Beauty and Dance Me Loose.

Twilight Meet Is Big Success

More than 50 athletes from Summerside and Charlottetown took part in last night's Centennial Twilight track and field meet at Memorial Field, held as a warm-up meet for this weekend's invasion of Antigonish and the Highland Games by the Islanders Track Club.

A group of approximately 20 athletes, many of whom gave outstanding performances last night, will go to Antigonish for this year's Games, held Friday and Saturday.

Athletes who have been working out regularly with the Charlottetown Division, Islanders Track and Field Club are asked to meet at Memorial Field, this evening, 6:30. Performers in other areas of the province who will be making the trip Friday morning will be notified today.

TOP PERFORMANCES

The outstanding performance turned in at last night's Twilight meet was Andy Arsenault's 2.01 2 run in the 880, on a very poor ly conditioned track. Dave Bernard of Summerside shone in the men's high jump with a leap of 5' 8" and 14-year-old Ken O'Brien reached a new personal high in the jump of 5' 1".

Bob Simmons won his specialty, the discus with a heave of 149 feet and Summerside RCAF's Bob Smith took the shot put with 46' 1".

National Park Downs Brace

The National Park All Stars defeated the Main Brace Mariners 6-5 in Charlottetown city league softball action at the new soft ball diamond, last night. Lloyd 'Teet' Gregory was on the mound for the losers and Vince Bradley was toeing the slab for the National Park squad.

Joe Caswell was the top batter for the winners as he belted out three hits in four appearances at the plate. Team mate Kevin Hughes turned in a two for three performance for the winners.

Mike O'Brien led all batters as he had a perfect four for four night at the plate. Vince Mulligan had two hits in four appearances in the batter's box for the Brace. League action resumes tonight when the BIS Shamrocks will tangle with Barry's Lions.

Angels Top City Police

The Guardian Angels defeated the Charlottetown city police 12-7 in commercial league softball action at the Queen Charlotte diamond last night. The Police led 4-3 after the first inning but the Angels came on strong in the latter stages of the contest.

Dick Murley was the winning pitcher and aided his own cause by lashing out with a triple and drawing two walks. Barry LeClair of the winners had a perfect night at plate as he garnered two hits in two appearances. LeClair also drew two walks.

Arsenault had two home runs and a double in four attempts. MacGonnel of the police squad belted a single and a double in three appearances.

SETTING UP YANKEE RUNS

Yankees' Mickey Mantle steals third as Orioles third baseman Brooks Robinson whirls with throw from catcher Johnny Orsino in second inning of game at Yankee Stadium yesterday. Umpire is Sam Carrigan. Play was part of double steal with Tom Tresh pilfering second. Both Mantle and Tresh scored as Joe Pepitone singled them in. The Yankees won, 2-0 behind the three-hit pitching of Whitey Ford and went into first place ahead of the Baltimore Orioles. (AP Wirephoto)

Whitey Ford Leads Yanks To American League Lead

By THE CANADIAN PRESS

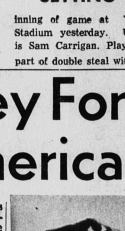
The New York Yankees wrested first place from Baltimore Wednesday, whipping the Orioles 2-0 behind the three-hit American League pitching of Whitey Ford.

Joe Pepitone drove in the Yankees runs with a second-inning single.

In the Nationals, Lew Burdette scored the home run that gave the Chicago Cubs a 3-2 victory over the New York Mets.

The victory in New York was the second in succession over the Orioles and increased the Yankees' winning streak to six straight. The three-game series will be concluded Thursday with right - hander Jim Bouton of the Yankees opposing Oriole southpaw Steve Barber.

Ford treated the crowd of 26,476 to one of his finest pitching performances of the year. He struck out five to take over the league's strikeout leadership with 110. Whitey did not issue a walk as he outpitched



WHITEY FORD

his rival, Dave McNally, and recorded his 12th triumph of the campaign against only two losses.

The veteran left - hander did not permit a runner beyond first base. Sam Bowens, the Baltimore left - fielder, singled to centre with one out in the second but Ford disposed of Gino Cimoli on a fly to Roger Maris and got Jerry Adair to ground out. Adair singled to centre with two out in the eighth but John Orsino grounded to third, ending the inning.

The Mets, going down in Chicago to their second straight defeat since their surprising doubleheader sweep of the Cincinnati Reds Sunday, helped the Cubs with some shoddy fielding.

Plumbers Capture First Win

SUMMERSIDE — John MacLaren clubbed two home runs, batted in four runs and scored the other run himself in leading Inman Plumbing to a close 5-4 win over Enman Drug last night in Prince County softball action. The win snapped a 14 game losing streak by the Plumbers that began since the season opened way back May 25. Enman Drug have won eight and lost seven.

Wayne Moore led off the seventh inning with a single for Inman Plumbing but Devana retired the next three batters.

Spider Crawford drew a walk to start the last half inning. "Toy Toy" Gallant fouled out and Lou White forced Crawford at second base. With two out Devana kept the threat going with a single but White, in an attempt to go all the way from first to third on the hit was easily thrown out by center fielder Jim Jenkins to end the game.

Devana in taking his fourth loss fanned six batters and walked one. Jack Grabowski pitched for Inman Plumbing, he didn't strike any batters out and walked six.

Gord Montford had two singles for Inman Plumbing. "Toy Toy" Gallant belted a home run and Devana had two singles for Enman Drug.

Ball Action At Souris

The Down Towners defeated the Up Towners 8-4 in Souris town baseball league action, last night. Dave Gallant and Augustine Clinton combined on the hurling duties for the winners as they fired a no-hitter, Augustine Clinton was the top batter for the winners as he turned in a perfect two for two performance. P. Grant, L. Kelly, and Simon MacDonald were top batters for the losers with zero for one performances.

SPORT ECHOES

By Norman Macdonald
Summerside Bureau of The Guardian

Coming On Strong

Lloyd "Toy - Toy" Gallant, known for some time now for his hockey ability seems to be coming into his own in baseball. "Toy" started out this year in the summer pastime as a batter who could hit the apple out of the park if he hit it at all, but that "if" was a little too big to place Lloyd among the top batsmen. His batting eye has come along surprisingly since the beginning of the season, he's been getting the ball into focus much better. Result — "Toy-Toy" is one of the leading hitters in every game he has played recently.

The above reminds us of another Summerside batter,

Maurice Cannon. Cannon could and did hit long home runs, but there was usually a long time between "pinks". He struck out frequently, and in doing so looked like a Comanche doing the snake dance, But Mo moved over to Halifax, played for the seniors there, and became a very dangerous hitter. Besides polling them over the fence, Mo led the league in percentage batting. Baseball in that way is something like golf. You've got to lose that eager desire to knock the cover off the ball. Easy does it.

Exception To The Rule

We watched the San Francisco Giants wallop the Chicago Cubs on TV Saturday to the tune of 7-0 and we saw Willie Mays make two of his famous "basket" catches. Mays' method of catching a fly is directly opposite to the way coaches tell ball players it should be done. They say: "Catch it high as you possibly can so that if it wiggles out of your glove, you'll still have as in other phases of achievement, can write its own rules. a chance to catch it before it hits the ground." Super-stars can generally do things their own way and get away with it. Junior Stephens, an old batting star of the Boston Red Sox, broke every rule of good stance when he faced the pitcher, yet he got a lot more than his share of base-hits. Tyros learning the game are not advised to copy these gentlemen's styles. Genius, in sports as well

Big Days Are Looming

Two big sports events for Prince County are getting close. We refer to the Eastern Canadian (age-group) Track and Field Meet at Summerside on July 24 and 25, and Big Jim's Big Swim from Cape Tormentine to Borden on August 1. You will doubtless see some of tomorrow's super-stars at the new track and field at Hillcrest in Summerside in eight days' time, and it will be interesting to see how "—ed athletes shape up with Eastern Canada's best. Andy Arsenault of Charlottetown certainly did himself and his province proud by winning the 880 yd. and Mile runs at Greenwood last week-end. Some more Island athletes may add to these laurels on July 24 and 25. L'Courslere, last year's big swim winner, will be back to defend his championship on August 1. We'd like to see a large contingent of Island swimmers in that race. A swim of this kind is not like a 100 yard dash or a softball game which you can watch in its entirety. But be assured that the promoters at Borden will see that everyone is being entertained while the swimmers are kicking their way to the finish.

Power Kings Down Sharks

In B.V.C. Softball action Wednesday night, the Power Kings defeated the Sharks 12-5. M. Burns hurled the win while K. Doyle absorbed the loss.

Top batters for the winners were J. Cormier with 2 for 4, including a three run homer and L. Thompson with 3 hits, one a booming triple. For the losers it was E. Lawlor with a 2 for 3 performance.

Ch'town Loop Holds Meeting

An important meeting, chaired by League President D. J. MacCormack, and attended by league officials, resulted in a drastic re-alignment of all teams and personnel in the Charlottetown City Baseball League.

A new three team set-up, comprised of Steads Pharmacy, handled by Harry Callaghan; Bike Shop, skipped by Irv MacKinnon and Sunshine Island Dairy led by Charlie Ryan will compete for City League honors, with a new schedule beginning with tonight's encounter between Steads and Bike Shop, billed for 6.15 p.m.

In a new move, batting practice will be held by Steads 5.45-6.00 and by Bike Shop 6.00-6.15 p.m.

Any interested players, not included below, are asked to appear at Memorial Field tonight, while all others are asked to kindly turn in their uniforms to the Bike Shop as soon as possible.

Lineups for tonights game are as follows:

Steads: Kennedy, D. LeClair, Callaghan, G. Whitlock, Pineau Kane, Rice, Fox, Davis, Larter, Reg Gallant, Dunn, McLean, Hollerook, Huggan.

Bike Shop: B. Arsenault, B Gallant, Connolly, Sherry, J. Arsenault, Duffy, W. MacDonald, Baglole, MacKinnon, Lewis, R. McLeod, L. Ellsworth, Lane, Rose, Sherran.

A new league schedule will be issued in the near future.

Billeting Question Remains Prevalent

SUMMERSIDE — Only eight more days remain until the highly touted Eastern Canadian age class track and field championships commences at the newly finished sports complex here.

Different aspects of this forthcoming event have been straightened out but one question that is in everyone's mind is the problem of billeting. This is a problem that has plagued the organizing committee, a group that is responsible for this track meet July 24 and 25 from almost the beginning of their meetings.

Firstly, Creelman MacArthur, appointed accommodations manager for billeting, resigned because of business pressures. Nancy Knowles then took over, heading a seven member womens committee and did a tremendous job but recently was called away on an urgent matter, putting another kink in the affair. What happens now? The billeting committee has now been taken over by Jim Hogan, also chairman of the organizing committee and Molly Pharaoh secretary of the same committee. They both took on the added job as late as this past Monday. Stepping in to their new jobs, Mr. Hogan and Mrs. Pharaoh promptly added another 16 billets to the total via phone.

Despite the total of 233 billets with the 16 included the billeting question still proves troublesome and perhaps could become serious before July 24.

The sticky problem of trying to house the athletes, lately after so many previous attempts was summed up by Mrs. Pharaoh as she said, "it has got to the point where even one billet helps, we would like to have more billets in case there is more than the 300 athletes." If attempts fail to lodge all athletes the sound idea of using cots is the all alternative. Seventy of these portable beds have been planned for use in either the Prince County Vocational School or in the Athena Regional High School. An additional eight from the Summerside fire hall will be used and where is perhaps unsolved as yet, but may possibly remain in the fire hall.
