FIRE ALARM—A fire broke out at residence of Charles Cummings, Johnstone River shortly after six o'clock Wednesday morning. The fire had gained considerable headway on the roof when noticed and only for the timely assistance of kind neighbors the house would have been completely destroyed. One of the oldest persons in the Province, if not the oldest died Friday morning in the Charlottetown Hospital in the person of Mrs. John Donovan.

Mrs. Donovan was born in Ireland on June 12th, 1820 so that she had lived three more days since she was celebrated her birthday. She came to this province when a very young child.

Mrs. Donovan, whose maiden name was Jane Bell, married John Donovan of this city who died about thirty-four years ago. She was a woman of remarkably strong constitution, and had enjoyed excellent health up to about four years ago, when, owing to infirmities of advanced years she entered the Charlottetown Hospital, where she remained until her death. She was bed-ridden for the past year. Up to almost the last her eyesight was remarkably good and her centenario. Her hearing was also good, and her mental faculties remained practically unimpaired. She had a most retentive memory, and could relate many interesting incidents of the long ago.

Out of a family of four sons and seven daughters, three sons James, Samuel and Thomas in Charlottetown two daughters, Katie, wife of Frank Barry of Boston and Carrie, wife of Daniel McLeod of Rutland, Vermont survive her. There are also a number of grand-children and great grand-children.

New London and the surrounding communities were very much shocked by the death of Mrs. Andrew Graham MacKay of the Pointe-au-Loup on June 6th, 1922. The cause of death was the death of her husband, who passed away on Dec. 13th, 1921. Mrs. MacKay, who was Miss Janie Wares of Wheatley River has not been in robust health for a number of years but was able to go about her work and was always cheerful and uncomplaining, so that friends and neighbors did not realize till about three weeks before her death that she was in the grip of a fatal and insidious disease, which quickly terminated her life at the age of 63 years. Her last days were cheered by sisters and nieces in her residence and her passing was peaceful and happy.

She leaves to mourn her niece, Miss Margaret Stevenson who lived with her from early childhood, two brothers Robert and John Wares of Wheatley River and four sisters, Annie, Mrs. James B. Anderson, Barnaby Lake, B. C.; Miss Margaret of Waltham, Mass.; Catherine, Mrs. Charles A. Stevenson of New Glasgow, P. E. I.; and Mary, Mrs. James Simpson, Bay View, P. E. I.

The funeral services were conducted by Rev. John Murchison of Malpeque. Mrs. MacKay's nephew by marriage, assisted by Rev. John Stirling of Cavendish and Rev. W. I. Green of Trinidad, B. W. I. in turn took place in the New London cemetery.

It is with the utmost regret that the residents of Mont Carmel and vicinity learned of the sad and timely death of Mrs. Theodore Richard which occurred on June 2nd. Having been in feeble health for some time and although no hope was entertained for her recovery, still the sad news of her death came as a shock to her numerous friends and relatives.

All that loving care and tender nursing could do proved of no avail. The late Mrs. Theodore Richard (nee Louise Gallant) was a daughter of Mr. and Mrs. Jerome Gallant of that place. She was 24 years of age and had been married only 2 years and 7 months. All during her illness she bore her sufferings with such patient resignation which won all hearts to her.

Several times during her illness she was assisted by her beloved pastor, Rev. P. P. Arsenault, who also conducted the funeral service which was held on June 4th. The pall bearers were: Auguste Richard, John Richard, Honore Gallant, Emmanuel Aucoin, Brunau Arsenault and Albin Poirier.

Besides her sorrowing husband and father and mother there are left to mourn the sad loss three sisters and six brothers also numerous friends and relatives who will for ever cherish the memory of a dear and loving one. May her soul rest in peace.

Snowy white without boiling

THAT dull, grey, streaky look that you always had to boil out of your clothes is never there when you use Rinso. It soaks the dirt, softens it, loosens it so thoroughly that it all runs away in the rinsing, leaving the clothes sweet, snowy-white and fresh as new. It's because Rinso is the new, modern scientific washing preparation that works in an entirely new way. It washes by soaking. It is altogether different from ordinary soaps and washing powders. So, it should be used differently. Do not pour Rinso itself into the tub. Make your Rinso liquid first, as per directions.

IF YOU USE A WASHING MACHINE Soak your clothes in the Rinso suds as usual—for one hour, two hours, overnight, or whatever time is convenient. Then add more suds solution and work the machine. Rinse and dry—you'll have a clean, sweet, snow-white wash.

At All Grocers Rinso Made by the makers of LUX

Armstrong Is Enthused Over Fine Results Declares It is Wonderful How Talc Overcame Wife's Trouble After Everything Else Had Failed "I am glad to say there has been a wonderful improvement in my wife's health by taking Talc," said William Armstrong, 98 Winter St., St. John, N. B. "She suffered terribly from indigestion and gastritis. Her food acted like poison on her stomach and she had to be very careful of her diet. But even so the gas bloated her up until she would almost choke and sometimes she would faintly groan with agony. She had frequent bilious spells and at one time was so bad off we had to send her to the hospital. They patched her up but it wasn't long before she was just as bad as ever.
