

PRINCESS DROPS IN ON WELL

Princess Margaret enjoys a laugh as she watches bucket drop into well on grounds of Burnham Abbey, Buckinghamshire, England. The Princess inspected the well on the grounds of the abbey, one of the oldest ones in England. The abbey houses the Servants of Christ, an Order of Anglican monks. Skipper Of Spanish Trawler Says Canadian Grounds Best

HALIFAX (CP) — Captain Buenaventura Souto of the Spanish trawler Buena Vista says his country's big fishing fleet covers much of the northern Atlantic but it is waters off the Canadian coast that it finds its biggest harvest. The Buena Vista is one of about 50 Spanish vessels fishing the Grand Banks off Newfoundland, the Labrador coast and the banks off the Nova Scotia coast. In Halifax recently for minor repairs and to dodge a storm, the Buena Vista's skipper said it was his first visit to the port despite 20 years fishing in the northwest Atlantic.

Proximity To U.S. Called Best Card

HAMILTON (CP) — Ontario Young Progressive Conservatives were told here Canada's strongest diplomatic card is its proximity to the United States.

Anglican Bishop Dies At Age 85

VERNON, B.C. (CP) — A former Anglican bishop of the Yukon and Canada's senior bishop died Monday. Bishop Arthur Henry Sovereign, 85, ordained in New Westminster, B.C., in 1906 and elected bishop of the Yukon in 1931, was born in Woodstock, Ont., in 1881.

Don't Neglect Slipping FALSE TEETH

Like most others in the Spanish fleet, his ship fishes off Canada for seven months of the year and the rest of the time at home, with three-week vacations between each cruise. His catch here ranges from 1,200 to 2,000 tons.

The trawlers always fish in pairs, dragging a net between them. Besides a sea captain each carries a fishing captain.

Aboard the Buena Vista the sea or navigation captain is Capt. Souto. In charge of fishing operations is Capt. Antonio Lejo who says Spanish vessels have been coming across the Atlantic to the Grand Banks and Nova Scotia waters since about 1925. This, he adds, is not nearly as long as the French and Portuguese.

"Capt. Lejo says bad weather plagued the fleet for most of last winter but the fishing itself has been very good."

Home port for the Buena Vista and her crew of 20 is San Sebastian. A sort of secondary home port is St. Pierre on the French owned islands of St.

Pierre-Miquelon where a doctor and three priests are brought out annually from Spain to minister to the needs of the crews.

Peyton V. Lyon, professor of political science at Carleton University, said Canada's "easy access" to Washington is envied by most other countries.

But, he added, the economic policies of Walter Gordon, former Liberal Finance minister, weakened Canada's diplomacy almost as much as its economy.

Prof. Lyon also said Conservative Leader Diefenbaker and Howard Green, former Conservative minister of external affairs, "did even more damage to Canada's stand in Washington than Mr. Gordon."

He said neutral nations are unhappy whenever Canada's access to the U.S. is "prejudiced by indulging in public denunciation." This does not mean Canada should always agree with the U.S. in public, he said. "It is no more in the U.S. interest than Canada's that we should appear a docile satellite."
