Baseball Records Fall As Boston Red Sox Crush St. Louis 29-4

(By The Canadian Press) Offensive baseball records were shot to bits Thursday as Boston Red Sox slashed four St. Louis pitchers for 28 hits and a humiliating 29-4 victory over the last-place Browns.

The hit-crazy Sox established these new marks:

The most runs in one game in modern baseball - formerly 27 by Cleveland in the American League and 28 by St. Louis in the National.

The most total bases in one game, 60, formerly 55 by Cincinnati in the National and 53 by New York in the American.

Most runs in two games, 49. The old record of 40 was held by both New York and the Red Sox.

Most hits in two games, 51, formerly Philadelphia and Boston American League clubs.

The Sox also set records of their own, equaled some others and approached still others.

By whacking four doubles, Boston's Al Zarilla equaled a mark held by several players for one game.

The Sox also came within one of the major league record of eight homers in one game.

Bobby Doerr hit three and now has six for the season.

Ted Williams and Walt Dropo each hit two, making their totals 16 and 14 respectively.

In this current home stand, which ends Sunday with a doubleheader against Detroit, the Sox have scored 104 runs to their opponents' 37 in seven games. They have won six of the seven.

Other oddities in Thursday's bat-fest included pitcher Chuck Stobbs' four consecutive bases on balls. Stobbs won his fourth game.

Centre fielder Clyde Vollmer had seven times at bat in eight innings and walked an eighth time.

Vollmer, by facing the pitcher eight times in as many innings, set a modern mark. The old record was seven.

Doerr drove eight of the Boston runs across the plate and Dropo sent home seven. Williams accounted for five.

Boston's biggest inning was the second when they scored eight times.

Hit producers included Johnny Pesky with five in seven times at bat, Zarilla with five for seven, Doerr who had four for six, Dropo with four for six, Vern Stephens with three for six.

The 29 runs gave the Red Sox a total of 49 in the last two games. Wednesday they buried the Browns 12-4.

New York Yankees pounced on Art Houtteman in the sixth with two out, scored seven runs on five hits, and went on to defeat Detroit Tigers 11-4.

Elmer Kellner settled down after yielding three runs to the first three batters and won his first game since May 6 as Philadelphia Athletics defeated Chicago White Sox 5-4 for the second straight time.

Mickey Harris, Washington reliever pitcher, won his own game with a ninth-inning single which scored Johnny Ostrowski from second base with one out. Cleveland went down to a 7-6 defeat despite Al Rosen's grand-slam homer in the first inning.

Shoots Amazing Round Of Golf In U. S. Open

(By GAYLE TALBOT) ARDMORE, Pa., June 8 - (AP) - A 26-year-old Birmingham, Ala., pro with a beat-up bag of clubs and no job to his name, today shot one of the most amazing rounds of golf in the history of the game.

Unheralded Lee MacKey, Jr., shot an almost-unbelievable 64 - six strokes under par for the tough Merion course - to shatter every record for a single round in 50 United States open championships and grasp a three-stroke lead at the outset of the 1950 classic.

The record for the rugged layout was 66, set by Tom Creavy in another open here 16 years ago. When the unknown shooter from Alabama got through with Merion it knew it had met its masters - all 6,894 yards of its fairways and all 120 of its traps.

Young MacKey one-putted 10 greens in registering his 33-31-64. He went over par once, on the 230-yard 17th, where he took three puts from about 60 feet. He needed just 27 putts for the route.

His score clipped a stroke from the previous open record of 30-35-65, set at the St. Louis Country Club three years ago by Jimmy McHale of Philadelphia. The St. Louis course, though as long as Merion, is not considered to be nearly as exacting.

"I guess I just got lucky," was all MacKey could think to say.

Closest to MacKey and his magic wand was Al Brooch, a 38-year-old from Long Island, N. Y., who scored a commendable 34-33-67. He led the field after two rounds of last year's open at the Medinah Club at Chicago.

Right on Brooch's heels were Skip Alexander of Knoxville, Tenn., and Julius Boros of Southern Pines, N. C., each with a 68.

Boros, who turned pro only last November, was blazing hot as he went out in 32, and needed only to shoot par golf on the final three holes to record a 66. But he faltered in the afternoon, went one over perfect golf on the 18th and two over on the home hole to miss his chance.

Knotted at 69 were Harold Williams of Tuscaloosa, Ala., and Henry Williams of Seacane, Pa., and they were the last of the field of 166 to better Merion's par 70. Only six mastered the layout.

Sam Snead, the favorite, couldn't get a putt down on the slick, cross-grained greens and wound up with 38-35-73.

Syndicate Would Buy Athletics

PHILADELPHIA, June 8 - (AP) - James P. Clarke, trucking executive and president of Philadelphia Eagles of the National Football League, said today he has organized a syndicate to purchase the Philadelphia Athletics "if and when they are for sale."

"I talked with Connie Mack, Jr., today," Clark said, "and I plan to have another talk with him or members of the Mack family tomorrow."

Clark said the syndicate is composed of members of the 100-man group which owns the Eagles and others.

N. S. Horseman Breaks Ankle

PICTOU, N. S., June 8 - (CP) - Wilfred L. Shea, well-known Nova Scotia horseman, suffered a broken ankle today when the pacer Flash Volo fell on him during a work-out. Shea had just got the pacer on his feet after a fall when the horse toppled again, pinning his right leg underneath.

Drillon Plans Shopping Trip For Players

MONCTON, N. S., June 8 - (CP) - Gordie Drillon, newly-appointed coach of Moncton Hawks of the Maritime Senior Hockey League left today on a "shopping mission." Drillon said first two stopping points would be Halifax and Sydney but declined to elaborate on what he expected to find.

The former N. H. L. scoring champ who last season starred with Saint John Beavers said that going beyond the Maritimes in search of players without first looking over what is available in these Provinces was a "short-sighted" policy.

"If this Maritime trip produces even one good Maritime player it will be well worth while. I realize we cannot build a strong team without imports, and we will be going after some of them too. But first I want to make sure we are not overlooking any good bets in the Maritimes," Drillon said.

Max Bentley To Retire Next Year

LEOYDMINSTER, Sask., June 8 - (CP) - Max Bentley, Toronto Maple Leafs centre, said today "I think I'll retire after this next season" as a player in the National Hockey League.

"I could have quit this last year but Conny Smythe talked me out of it. So I'll be back and if we win the Stanley Cup I'll call it quits for sure."

"I'm 30 now and can see the handwriting on the wall. I'd like to coach an amateur club out here."

Joe Louis Not Interested In Savold's Title

NEW LISKEARD, Ont., June 8 - (CP) - Joe Louis, former world's heavyweight boxing champion, does not intend to take a crack at Leo Savold's new heavyweight crown, Louis' secretary said tonight.

The secretary, Leonard Reed, was asked if Joe intended to take on the Englewood, N. J. battler who won the British and European versions of the world heavyweight title today by defeating Bruce Woodcock of England at London.

"Joe certainly does not intend to take a crack at him," replied Reed. "The proper thing would be for the winner to take on Ezzard Charles, the current champion. Joe hasn't made his mind up yet on any comeback. His next statement in this regard will depend on what the doctors say about Ezzard Charles."

Charles, recognized as world champion by the United States National Boxing Association, now is laid up with a heart ailment.

The N. B. A. covers all the states except New York, which never recognized a successor to Louis after his retirement in 1949.

Louis, who is travelling through Northern Ontario, was not available for comment.

Savold May Defend Title In September

LONDON, June 8 - (AP) - Promoter Jack Solomons said that Leo Savold will defend his British and European titles of the world heavyweight title in London, probably in September.

"I don't know who he will fight," Solomons said, "but I guarantee you that the man we get will be a worthy opponent."

These days, the list of "worthy opponents" for even partial world heavyweight champions is mighty short.

Fight men here have suggested four guys named Joe-Louis, Max Baucus, Ezzard Charles and Ezzard Charles.

"It might be any of those," Solomons admitted, "but I won't say any more until I have the man signed to a contract. Of course I'd like to have Louis, who wouldn't? But as far as I know he is still retired."

Savold personally disposed of the last British or European possibility by thrashing Bruce Woodcock, the British champion, before a sell-out crowd of 50,000 here last night.

Woodcock, drenched in his own blood which gushed from a huge gash over his left eye and from his nose and lower lip, quit after four rounds.

The fight will go into British boxing records as "retired, four rounds."

Nat Fleischer, whose record book is the recognized authority in the United States, said he will list the bout as a "fourth-round knockout."

SUTTON, Surrey, England - (CP) - Three 13-year-old boys, accused in court of stealing three surveyor rods, were discharged when they explained they thought the rods would make "smashing spears."

Pinch Hitter Pays Off For Durocher As Giants Edge Chicago Cubs 6-5

(By The Canadian Press) Little Roy Weatherly, brought back from the minors by New York Giants for pinch-hitting duties, paid off for manager Leo Durocher Thursday.

The outfielder stepped in an emergency role in the eighth inning and singled in the run that gave the red-hot New Yorkers a 6-5 victory over Chicago Cubs and their sixth consecutive triumph.

With the score tied 5-5, two out and Alvin Dark on second, Weatherly was called on to replace Clint Hartung at the plate. Hartung had two strikes and one ball on him and Weatherly assumed that deficit.

He then walloped Bob Rush's pitch to left for a single and Dark scampered home with the winning run.

Rush, fourth of five Chicago hurlers, was charged with his second loss in as many days.

Pittsburgh Pirates snapped a five-game losing streak by defeating Clint Hartung at the plate. Brooklyn Dodgers 4-3. The Dodgers scored two runs in a hectic ninth inning, one of them on a decision which Pirate manager Billy Meyer protested vigorously.

Ken Raffensberger, "the old pro-fessor" of the Cincinnati pitching staff, racked up his fourth straight as the Reds drubbed Philadelphia Phillies 8-4.

Raffensberger, who now has won five and lost five for the season, who helped along by some justly slugging by his mates, particularly Johnny Wyrostek, who batted in four runs with a pair of doubles.
