GETTING THE FACTS

The Signs and Symptoms of Dyspepsia Pure and Simple.

Dodd's Dyspepsia Tablets Knock Them All out—The First Dose Relieves—More Relief Follows Other Doses—Then Comes the Complete Cure.

IS THIS YOUR STORY?

I have pains in the chest, after eating.

I have burning pains at the pit of the stomach after every meal.

I am tortured with neuralgia in head and face. Nausea, or sickness follows every meal. My toogue is coated and furry, there is a bad taste in my mouth, and I am tormented by toirst.

Acid fluids come up into my mouth, leaving a burning sensation; I can't concentrate my thoughts; I am pale and am losing flesh daily; have "lost heart" in my work, can't sleep my hands and feet sweat, my bowels seem full of gas.

I dread being alone; if I walk any distance a lump forms in my throat, a fulness grows in my chest, and my pulse gets weak and rapid. I feel as if I would fall, my knees become shaky, I tremble all over, and I have to sit down. There is a terrible pain near my heart.

IS THIS YOUR EXPERIENCE?

I have been doctored for heart trouble and other diseases. But all such treatment utterly failed.

I grew worse daily. Finally I was attacked by dizzy spells. Everything would grow black, as if I were blind. I was afraid I would die.

HERE IS YOUR CURE.

I read of Dodd's Dyspepsia Tablets and tried them. The first dose relieved me. The second relieved me much more. Two boxes cured me completely.

Today I am sound and well, strong and healthy, thanks to Dodd's Dyspepsia Tablets.

Dodd's Dyspepsia Tablets are sold by all druggists at fifty cents a box, six boxes for $2.50, or sent, on receipt of price, by The Dodds Medicine Co. Limited, Toronto.

A Bad Bargain.

The unprofitableness of some of the rush and worry of business life is neatly suggested in the following dialogue, found in one of the papers:

"Where is Jones?"

"Gone to California."

"What for?"

"To regain his health."

"How did he lose his health?"

"Earning the money to go to California."—Youth's Companion.

One Field Uninvaded.

"I see that glass bricks are coming into general use," said the popular science boarder.

"They won't invade the gold brick field," said the cheerful idiot. "They are too easily seen through."—Indianapolis Journal.

Papa's Watch.

"By their works ye shall know them," as the ourious small boy said when his father gave him his watch to play with.—Boston Courier.

How a person can gain a pound a day by taking an ounce of Scott's Emulsiom is hard to explain, but it certainly happens.

It seems to start the digestive machinery working properly. You obtain a greater benefit from your food.

The oil being predigested, and combined with the hypophosphites, makes a food tonic of wonderful flesh-forming power.

All physicians know this to to be a fact.

A Good Dictionery for Three-Cents.

A dictionery containing the definitions of 10,000 of the most useful and important words in the English language, is published by the Dr. Williams Medicine Co., Brockville, Ont. While it contains some advertising, it is a complete dictionery, concise and correct.

In compiling this book care has been taken to omit none of those common words whose spelling or exact use occasions at times a momentary difficulty, even to well educated people. The main aim has been to give as much useful information as possible in a limited space. With this in view, where noun, adjective and verb are all obviously connected in meaning, usually one only has been inserted. The volume will thus be found to contain the meaning of very many more words than it professes to explain.

To those who already have a dictionary, this book will commend itself because it is compact, light and convenient; to those who have *no dictionery whatever*, it will be invaluable. One may be secured by writing to the above concern mentioning this paper, and enclosing a three-cent stamp.

Five Doctors Pronounced his Case Incurable—All Remedies except Dodd's Kidney Pills Failed to Help Him—Dodd's Kidney Pills Cured Him

LIVERPOOL, N. S., July 8.—The all-absorbed topic of conversation for the past few days here, was furnished by an incident that occurred on the market on Saturday.

A well-known farmer, resident a few miles from town, had purchased a box of Dodd's Kidney Pills from Dr. Hutchins drug store. To a friend he remarked that his son was taking them for Bright's Disease.

"Are they doing him any good?" asked his friend.

"They are," was the answer. He has used only one box yet, but he has improved wonderfully. No other medicine that we tried did him the slightest good."

"Dodd's Kidney Pills are the greatest and grandest medicine that ever was made," put in a bystander, who had overheard the conversation.

The little group turned to the speaker questiongly. He continued:

"I was travelling in Prince Edward Island and was staying at a place called Carleton,

"Everybody was talking of a Mr. M R Connick, who had suffered with Bright's Disease for fifteen years.

"Five doctors attended him. They all pronounced his case incurable. The best doctor in the district said the same.

He was induced to try Dodd's Kidney Pills. Ten boxs cured him. They will cure your son, sir you may be sure."

Dodd's Kidney Pills are sold by all druggists at fifty cents a box, six boxes $2.50, or sent, on receipt of price, by the Dodds Medicine Co, Limited, Toronto, Ont.

HUMAN SACRIFICES

On the Altar of Diabetes, Saved by Dodd's Kidney Pills, Only.

Hardly a family in the country is free from Diabetes. Great thirst, failing sight, numbness in the thighs, bleeding gums, swollen ankles, emaciation, nervousness, pale or turbid urine, loss of sexual power, decaying teeth, pains in the loins or small of the back, are all positive signs that Diabetes is in the system.

Do you know how it ends? IN DEATH. A premature, horrible, agonized, pitiful death. The victim has no peace, no ease in life. His days are filled with tortures. His nights are waking dreams of agony. He longs to die, yet fears the terrors of his end. He dies, a bloated, fetid, repulsive mass of corruption. That is the only end of unchecked Diabetes. Dodd's Kidney Pills will cure it. They drive it out of the system thoroughly, create new, clean blood, rebuild the diseased kidneys, and restore robust health
