NEW YORK

NEW YORK (AP)—Late selling in steels upset the stock market's equilibrium Thursday and the list took a minor loss.

Steels and motors were soft throughout the session.

Losses in these groups were small during most of the day but they widened, especially among the steels, in the final hour.

The Dow Jones industrial average took a loss of .28 at 87.54.

U.S. Steel, which sold most of the day at a fractional loss, ended the session with a decline of 1¼ at 56¼. Jones and Laughlin fell 2½ and Youngstown Sheet 1⅞.

American Motors had the additional handicap of a sell recommendation from one of the largest brokerage houses, based on the company's relatively poor sales performance lately. American Motors ended the day as the most active stock down 1⅛ at 14⅞—a sizable percentage loss—on turnover of 80,700 shares.

The market decline was cushioned by selective strength in a broad selection of blue chips. Sears, Roebuck gained 1¼, Eastman Kodak 1, American Telephone ¼, Standard Oil (New Jersey) ⅜, General Electric ½ and Southern Pacific ¼.

Sinclair was the second most active stock and up 2⅝ at 55¼ amid favorable reports including news of the flow at its second oil well in a new field in Montana.

The Associated Press average of 60 stocks took a loss of .2 at 329.1.

Among Canadian issues Dome Mines and Hudson Bay Mining added ⅜, McIntyre Porcupine and Walker Gooderham ⅛ each. Canadian Pacific lost ¼, Granby Mining, International Nickel and Aluminium Ltd. each lost ⅛.

Prices settled irregularly lower on the American Stock Exchange. Brazilian Traction gained ⅛, Preston 1-16. Canadian Javelin lost ¼, Scurry Rainbow oil ⅛.

Statements By Quebec Leaders Are Criticized

TORONTO (CP)—Statements by Quebec leaders that French-speaking persons in other provinces are oppressed, second-class citizens were criticized here by Fern Guindon, a French-speaking member of the Ontario legislature.

"As far as the province of Ontario is concerned," said Mr. Guindon, "I am prepared to say without qualification that such statements are absolute rubbish."

Mr. Guindon represents the riding of Stormont for the Progressive Conservatives.

Mr. Guindon told a women's meeting of the Ontario Progressive Conservative Association Ontario need no advice from outside of the province.

Certainly there are things the Ontario government could do to improve the lot of French-Canadians in the province, he said. But on the whole, French-speaking persons in Ontario had achieved most of their aspirations.

Mr. Guindon also said minority groups who would put the future of their race ahead of that of their country exist both in Quebec and Ontario.

"But they are minorities in both cases," he added, "and I think the time has come for the majority of us who are Canadians first to let them know where we stand."
