

16. Which articles have you enjoyed the least?

17. Do you have any suggestions for articles you would like to see in future issues? If you can suggest writers it would be appreciated.

18. Please provide any other comments you might have about the newsletter.

CHILDREN'S ACTIVITIES:

19. The Society's activities have been largely oriented to meeting the needs of the adult members of the Society. In an attempt to broaden this base, the Society has developed the colouring book Island Wings for children and it introduced Operation Lifeline, an endangered species program, to Grade 6 science teachers across the province. What kinds of other services would you like the Society to offer for children?

GENERAL COMMENTS:

20. Please use the space below to provide any other comments you might have about the Society's performance or suggestions you might have to improve our performance.

21. Please use the space below to provide suggestions on how to improve membership involvement in the activities of the Society.

22. Do you have any time to help the Society with mailings, setting up chairs, leading a field trip, writing articles, etc.? If so, please indicate how much and where you could help us out.

If you answered yes to # 22, please : _____
provide your name or call Dan McAskill. : Name (optional)
