N. Y. Stocks

NEW YORK, (AP) — The stock market ended higher Thursday despite a lashing taken by steels.

Minutes before the market closed Bethlehem Steel directors declared a dividend of $2.25 compared with $1.25 in the previous quarter and $2 a year ago. But they made no move to split the stock as Wall street had expected.

The stock immediately was the target for concentrated selling that drove it from a high of 120 down to a close of 114, a net loss on the day of 3¾.

Just before the Bethlehem announcement, the market was rolling along with higher prices all around.

Aircrafts and some defence stocks headed lower with steels building materials, and utilities.

Up were coppers, most radio-televisions, oils, mail order houses, and a goodly list of individual issues.

The Associated Press average of 60 stocks advanced 50 cents at $154.60. The industrial component gained 50 cents.

Canadian issues were mostly lower. Dome Mines and Distillers Seagram both dropped ⅛ and Hiram Walker fell ½. Canadian Pacific added ¼.

On the American stock exchange Canadian issues were mixed. Royalite Oil lost ½ and Giant Yellowknife slipped ⅛. Lake Shore was up ⅛.

Toronto Stocks

TORONTO, (CP) — Base metal stocks shot ahead for the best advances in months on the stock exchange Thursday amid rumors of an impending increase in the price of copper.

Brokers said the rumors were apparently touched off by a strike of copper miners in South Rhodesia. The strike forced an increase in copper prices on the London, Eng., metals market to about 40 from 30 cent sa pound, and it was expected Canadian producers would soon make some upward adjustment.

Noranda, up $2 to $84.50, had the best gain. Hudson Bay climbed $1.75 to $56.75, International Nickel $1.25 to $59.25 and Quemont $1.62½ to $23.50. Falconbridge climbed a major fraction and Consolidated Smelters, East Sullivan, Steep Rock, Normetal and Waite Amulet were strong.

Western oils eased narrowly with Canadian Williston, General Pete A and Triad leading the decline. Gridoil climbed 55 cents to $9.70 and Western Leaseholds, Scurry and Liberal were also strong.

Lower-priced mines were comparatively quiet. Speculatives were mostly mixed but some issues moved well up. Cangg chibougamau climbed 60 to $6.90, Faraday 25 to $2.25, and Opemiska 25 to $3.20. Quebec Copper, Pronto, Quebec Metallurgical and American Nepheline were also strong.

Index changes: Golds up .01 to 80.75, base metals up 2.52 to 166.65 and western oils of .03 to 103.20.

Cobalt Bomb Reaches France

LE HAVRE, France (Reuters) — France Thursday received from Canada her first two radioactive cobalt "bombs" for treating cancer.

Two Paris hospitals have paid the Canadian Atomic Energy Commission about $110,000 for the "bombs," which weigh 10 tons each, including their thick lead and steel containers.

They arrived here aboard the Dutch freighter Prins Willem George Frederik.
