

Kindness and Confidence.

A rough-looking man brought his son one day into a district school, saying, "I have brought my boy here, and would like to see if you can do anything with him. I confess he is more than I can manage. Of all the stubborn boys I knew of he is the worst."

One day as the teacher was passing along by the desks, he laid his hand kindly on his shoulder; but the boy shuddered and shrunk from him.

"What the matter, Henry?" asked the teacher.

"I thought you were going to strike me."

"Why should I strike you?"

"Because I am such a bad boy."

"Who says you are a bad boy?"

"Father says I am a bad boy, and mother says so, and every one says so."

"But you are not a bad boy—at least I think so; and you can be a good boy as any one. Ask God to help you to be good, and you will be sure to succeed."

The poor boy's eyes filled with tears. He was not used to such kind words; and when his teacher left him he thought, "Can I be a good boy when every one says I'm so bad? But he did not say I was bad; he said I could be a good boy. I will be a good boy."

From that time a marked change was observed in the boy. He took a great interest in his studies, and made rapid progress. His school-fellows soon learned to love him. He grew up to be a great and good man, and became governor of one of the largest States in America.—British Workman.

She Wanted Papa.

A lady in the street met a little girl between two and three years old, evidently lost, and crying bitterly. The lady took the baby's hand and asked where she was going.

"Down to find papa," was the sobbing reply.

"What is your papa's name?" asked the lady.

"His name is papa."

"But what is his other name? What does your mamma call him?"

"She calls him 'papa,'" persisted the little creature.

The lady then tried to lead her along. "You had better come with me. I guess you came this way."

"Yes, but I don't want to go back. I want to find my papa," replied the little girl, crying afresh as if her heart would break.

"What do you want of your papa?" asked the lady.

"I want to kiss him."

Just at this moment a sister of the child who had been searching for her came along and took possession of the little runaway. From enquiry it appeared that the little one's father whom she was so earnestly seeking, had died, and she, tired of waiting for him to come home, had gone out to find him.

The mining fields of Idaho, having been neglected during the mining excitement of recent years, which has colored all eyes to be turned to Colorado and Montana, are now again receiving attention. For some six months past prospecting has been set on foot by Eastern parties, and the result of their exploration has been sufficiently favorable to give rise to the formation of a strong syndicate for the purpose of developing the mineral resources of the southeastern portion of that Territory. A number of New York and St. Louis capitalists have taken a bond on certain properties in that district, and if the expert's report confirms the accounts already received the properties will be purchased and a fund of at least \$500,000, all of which has been promised, raised for their proper development.

NASAL BALM

TOTTENHAM, ONT., May 3rd, 1887.

I have been troubled with nasal catarrh for the last five years. Seeing Nasal Balm advertised I procured a bottle, and although I have only used part of it, I do not hesitate to pronounce it the best remedy in the world for that loathsome disease, Catarrh. It is easy and pleasant to use, soothing and healing in its action, instant in giving relief, removes and changes the poisonous secretions to a healthy state, stops the droppings from the head into the throat, and removes all the symptoms of Catarrh and Coid in the Head. In fact, if the directions are faithfully followed, nothing but a sure and permanent cure can be the result.

Yours truly, JNO. S. GEORGE, Baker and Confectioner.

WHAT WALS YOU?

Do you feel dull, languid, low-spirited, lifeless, and indifferently miserable, both physically and mentally; experience a sense of fullness or bloating after eating, or of "goneness," or emptiness of stomach in the morning, tongue coated, bitter or bad taste in mouth, irregular appetite, dizziness, frequent headaches, blurred eyesight, "floating specks" before the eyes, nervous prostration or exhaustion, irritability of temper, hot flushes, alternating with chilly sensations, sharp, biting, and burning pains in the chest, cold feet, drowsiness after meals, wakefulness, or disturbed and unrefreshing sleep, constant, indescribable feeling of dread, or of impending calamity?

If you have all, or any considerable number of these symptoms, you are suffering from that most common of all American maladies—Bilious Dyspepsia, or Torpid Liver, associated with Dyspepsia, or Indigestion. The more complicated your case becomes, the greater the number and diversity of symptoms. So matter what stage it has reached, it will submit to the Golden Medical Discovery.

Dr. Pierce's Golden Medical Discovery will cure you, if taken according to directions for a reasonable length of time. If not cured, complications multiply and Consumption, the Lungs, Skin Diseases, Heart Disease, Rheumatism, Kidney Disease, or other grave ailments, are quite liable to set in, and sooner or later induce a fatal termination.

Dr. Pierce's Golden Medical Discovery acts powerfully upon the Liver, and cleanses the great blood-purifying organ, clearing the system of all morbid humors, and purities from whatever cause arising. It is equally efficacious in acting upon the Kidneys, and other excretory organs, cleansing, strengthening, and healing their diseases.

An appetizing, restorative, tonic, it promotes digestion and nutrition, thereby building up both flesh and strength. In malarial districts, this wonderful medicine has gained great celebrity in curing Fever and Ague, Chills and Fever, Dumb Ague, and kindred diseases.

Dr. Pierce's Golden Medical Discovery cures all HUMORS, from a common Blotch, or Eruption, to the worst Scrofula, Salt-rheum, "Fever-sores," Eczema, or Itching skin, in all its diseases, caused by bad blood, or conquered by this powerful, purifying, and invigorating medicine. Eruptions of Ulcers rapidly heal under its benign influence. Especially has it manifested its potency in curing Pter, Eczema, Frysipelas, Boils, Carbuncles, Sore Eyes, Scrofulous Sores and Swellings, Hip-joint Disease, "White Swellings," Goitre, or Thick Neck, and Enlarged Glands. Send ten cents in stamps for a large Treatise, with colored plates, on Skin Diseases, or the same amount for a Treatise on Scrofulous Affections.

"FOR THE BLOOD IS THE LIFE." Thoroughly cleanse it by using Dr. Pierce's Golden Medical Discovery, and good health and strength will be established.

CONSUMPTION,

which is Scrofula of the Lungs, is arrested and cured by this remedy, if taken in the earlier stages of the disease. From its marvelous power over this terrible fatal disease, when first offering this now world-famed remedy to the public, Dr. Pierce thought seriously of calling it his "CONSUMPTION CURE," but abandoned that name as too restrictive for a medicine which, from its wonderful combination of tonic, or strengthening, alterative, or blood-cleansing, anti-bilious, pectoral, and nutritive properties, is unequalled not only as a remedy for Consumption, but for all Chronic Diseases of the

Liver, Blood, and Lungs.

For Weak Lungs, Spitting of Blood, Shortness of Breath, Chronic Nasal Catarrh, Bronchitis, Asthma, Severe Coughs, and kindred affections, it is an efficient remedy.

Sold by Druggists, at \$1.00, or Six Bottles for \$5.00.

Send ten cents in stamps for Dr. Pierce's book on Consumption. Address,

World's Dispensary Medical Association, 683 Main St., BUFFALO, N. Y.
