Sunday School
Continued from page 8
This was prepared for use at the world convention held in Toronto last year, and the pictures were drawn by a young Korean Christian studying in the United States. This session closed with prayer by Rev. J. M. Fraser.
Mr. Percy King, vice-president, presided at the evening meeting.
Dr. Dalrymple explained the work of the M. R. E. C. which he stated came into being in 1919 under the name of Sunday School Associations. The work of the council is co-operative and could not be done if the church had to carry on by itself.
Special music was rendered by the Lower Montague choir, with Mrs. Austin Ross as organist. Excellent reports on the Maritime Sunday School convention recently held in Halifax were given by Mrs. Sterling Conrad and Miss Sybil King, who were delegates.
Rev. W. A. Paterson also spoke on the convention at Halifax.
Officers Elected
The report of the nominating committee read by Mrs. Percy King, showed the following slate of officers for next year: president, Mr. Gordon Coffin, Montague; vice-president, Mrs. Chessel Annear, Lower Montague; secretary-treasurer, Miss A. M. MacGregor, Montague.
The report of the courtesies committee was given by Mrs. Sterling Conrad.
Another film "The Story of Our Bible" was shown and commented on by Mr. Dalrymple.
Rev. W. A. Paterson led the closing worship period. His remarks were based on the 16th verse of the 66th Psalm "Come and hear all ye that fear God, and I will declare what He hath done for my soul."
Mr. John A. MacPherson, Valleyfield, led in prayer.
The hymn "Tell Me The Stories Of Jesus", and benediction pronounced by Rev. Mr. Paterson brought the convention to a close.

Believe Missing Plane Located
ANCHORAGE, Alaska, Nov. 12 (AP) - An Alaska Air Command officer said Tuesday that search leaders are convinced an airplane wreckage sighted on Mt. Silverthorn is that of a missing C-119 troop carrier from Miami, Fla.
Maj. Joe Jeffers of the Command's information section said "there is no doubt in their minds that this is it."
Although no one has yet been able to reach the 12,000-foot high crash scene, Jeffers said "it is their opinion that there are no survivors."
The "Flying Packet" vanished Friday with 19 men aboard - five crew members and 14 soldiers. The 438th Troop Carrier Wing at Miami reported it was listing the five crew members as dead. Telegrams were sent to their next-of-kin.
