

last met, at a cost of £6,409, the particulars of which will be laid before you.

The returns from the Land Office are very satisfactory, and evidence the desire of the occupants of the Government Lands to become Freeholders, and an appreciation, on their part, of the advantages conferred by the Land Purchase Bill.

An Act for the amendment of the Laws relating to the Militia and Volunteer Forces will be laid before you. Its object will be to reduce the attendance now required by Law for Drill of the General Militia; but, at the same time, to extend such encouragement to a stated number of Volunteers as will increase the efficiency of that valuable branch of the Public Service.

We have reason to be grateful to Almighty God for the general prosperity with which the Colony has been blessed during the past year, and I fervently pray that His favor may be continued to us, and that your deliberations, during the Session now opened, may be so guided by Him as to advance that prosperity and tend to the contentment and happiness of the People.
