TORONTO

TORONTO (CP)—The stock market continued its aimless drifting Wednesday, although several highlights added more interest to the session than has been seen recently.

Interprovincial Steel and Pipe grabbed the spotlight early, racing through impressive volumes and showing a wide-swing price range. Reacting to news the company has received a $5,000,000 order from Pacific Petroleum, the stock churned through 63,000 shares while rising as high as $2.40—best price this year—then easing to $2.10, up 20 cents.

Dominion Bridge emerged as another favorite, climbing two points to 19. BC Power, an extremely heavy turnover, touched a 1962 high of 19⅜ before settling back to 19¼, ahead ⅜.

Canadian Breweries had two special-sized transactions of 10,000 at 10⅜ net, and it closed at that price, unchanged on the day.

Banks firmed, with Montreal, Nova Scotia, Toronto-Dominion and Royal all showing gains ranging to a point. Walker-Gooderham gained 1⅝.

On the exchange index, industrials rose .57 to 565.15 and base metals .24 at 186.85. Final volume was 2,609,000 shares compared with 1,962,000 Tuesday.

Gunnar Mining sparked base metals with a 40-cent gain to $9.95 on turnover of 45,000 shares. International Nickel
