Odds and Ends.

Do not hurry the cows from the pasture.

Sow turnip seed after, not before, a rain.

It is not too early to begin on your fair exhibits.

Better have whitewash than manure on the sills.

Try hard to keep the stable dry during damp days.

The poorest land is too valuable to grow weeds and briars.

Reduce the amount and improve the quality of the fencing.

Pasturing meadows is like removing the door to stop a knot-hole.

More hoe is the best remedy for poor quality among vegetables.

Cultivate the mud-wasps—they are the sworn foes of the cricket.

Better miss a good trade than fail to praise your child's deed.

Plows in the fence corner are a sign of "farm for sale" within ten years.

A mixture of grasses stimulates the appetite and affords better nourishment.

Buckwheat and sheep are most excellent help in renovating foul worn land.

Empty the slops on a heap of dry earth under a shed near the house—not in a sink drain.

It is well-rotted chip-manure liberally applied that made the radish so sweet and tender.

If the children will despoil flowers and shrubs in the school-yards, their parents should blush with shame.

A weak fence, a pond near a house, a scrub male, or a lean manure heap, is not seen on a well-managed farm.

Having too many implements is as bad as not having enough; and having implements in bad condition is always bad.

A large per cent of merchants are ruined by the failure of other merchants; few farmers indeed lose by the failure of other farmers.

Plowing around stumps and rocks is not unlike driving slower to reach your destination sooner; yet the children would be afraid of you if you did the latter.

The farmer who thinks that to make money he must go where land is cheaper, should consider well if he would not make more money by making the land he has deeper and richer.

WHAT AILS YOU?

Do you feel dull, languid, low-spirited, lifeless, and indescribably miserable, both physically and mentally; experience a sense of fullness or bloating after eating, or of "goneness," or emptiness of stomach in the morning, tongue coated, bitter or bad taste in mouth, irregular appetite, dizziness, frequent headaches, blurred eyesight, "floating specks" before the eyes, nervous prostration or exhaustion, irritability of temper, hot flushes, alternating with chilly sensations, sharp, biting, transient pains here and there, cold feet, drowsiness after meals, wakefulness, or disturbed and unrefreshing sleep, constant, indescribable feeling of dread, or of impending calamity?

If you have all, or any considerable number of these symptoms, you are suffering from that most common of American maladies—*Bilious Dyspepsia, or Torpid Liver, associated* with Dyspepsia, or Indigestion. The more complicated your disease has become, the greater the number and diversity of symptoms. No matter what stage it has reached, **Dr. Pierce's Golden Medical Discovery** will subdue it, if taken according to directions for a reasonable length of time. If not cured, complications multiply and Consumption of the Lungs, Skin Diseases, Heart Disease, Rheumatism, Kidney Disease, or other grave *maladies are quite liable to set in and, sooner* or later, induce a fatal termination.

Dr. Pierce's Golden Medical Discovery acts powerfully upon the Liver, and through that great blood-purifying organ, cleanses the system of all blood-taints and impurities, from whatever cause arising. It is equally efficacious in acting upon the Kidneys, and other excretory organs, cleansing, strengthening, and healing their diseases. As an appetizing, restorative tonic, it promotes digestion and nutrition, thereby building up both flesh and strength. In malarial districts, this wonderful medicine has gained great celebrity in curing Fever and Ague, Chills and Fever, Dumb Ague, and kindred diseases.

Dr. Pierce's Golden Medical Discovery

CURES ALL HUMORS,

from a common Blotch, or Eruption, to the worst Scrofula. Salt-rheum, "Fever-sores," Scaly or Rough Skin, in short, all diseases caused by bad blood are conquered by this powerful, purifying, and invigorating medicine. Great Eating Ulcers rapidly heal under its benign influence. Especially has it manifested its potency in curing Tetter, Eczema, Erysipelas, Boils, Carbuncles, Sore Eyes, Scrofulous Sores and Swellings, Hip-joint Disease, "White Swellings," Goitre, or Thick Neck, and Enlarged Glands. Send ten cents in stamps for a large Treatise, with colored plates, on Skin Diseases, or the same amount for a Treatise on Scrofulous Affections.

"FOR THE BLOOD IS THE LIFE."

Thoroughly cleanse it by using **Dr. Pierce's Golden Medical Discovery,** and good digestion, a fair skin, buoyant spirits, vital strength and bodily health will be established.

CONSUMPTION,

which is **Scrofula of the Lungs,** is arrested and cured by this remedy, if taken in the earlier stages of the disease. From its marvelous power over this terribly fatal disease, when first offering this now world-famed remedy to the public, Dr. Pierce thought seriously of calling it his "CONSUMPTION CURE," but abandoned that name as too restrictive for a medicine which, from its wonderful combination of tonic, or strengthening, alterative, or blood-cleansing, anti-bilious, pectoral, and nutritive properties, is unequaled, not only as a remedy for Consumption, but for **all Chronic Diseases** of the

Liver, Blood, and Lungs.

For Weak Lungs, Spitting of Blood, Shortness of Breath, Chronic Nasal Catarrh, Bronchitis, Asthma, Severe Coughs, and kindred affections, it is an efficient remedy.

Sold by Druggists, at **$1.00,** or Six Bottles for **$5.00.**

☞ Send ten cents in stamps for Dr. Pierce's book on Consumption. Address,

World's Dispensary Medical Association,
663 Main St., BUFFALO, N. Y.

Dr. Culverwell's Celebrated Essay

on the *radical cure* of Spermatorahœa or incapacity induced by excess or early indiscretion.

The celebrated author in this admirable essay, clearly demonstrates from a thirty years successful practice, that the alarming consequences of early error may be radically cured; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and *radically.*
