Billy Harris Paces Leafs To 5-1 Win Over Rangers

NEW YORK (AP)—Toronto Maple Leafs, with a two-goal performance by Billy Harris and solid goaltending by substitute netminder Don Simmons, broke out of a minor slump for a 5-1 National Hockey League victory over New York Rangers Wednesday night.

The victory boosted Leafs into a third-place tie with Montreal Canadiens, each with 11 points. A loss would have sent them down to fifth spot, behind Rangers.

The victory—Leafs' fifth this season—was only their second in their last six starts.

Simmons, once regular goaltender for Boston Bruins and a Stanley Cup playoff performer for Toronto last season, was called up from Rochester to replace aged Johnny Bower. Bower, 38, had allowed seven goals in his last outing.

Simmons missed a shutout only on Andy Hebenton's third-period goal and got the benefit of some solid Toronto defensive work. He was required to make only 19 saves, including only four in the middle period.

Harris scored Toronto's first two goals and Frank Mahovlich made it 3-0 just 30 seconds before the middle period ended. Hebenton got one back early in the final period, but Toronto—with a wide edge in play throughout—then threatened to skate the Rangers off the ice.

George Armstrong raised the Leaf margin to 4-1 while Toronto's Tim Horton was serving a penalty. Then defenceman Kent Douglas rammed in the fifth goal to make a bout of it, while 11,714 New York fans howled in protest.

Only four penalties were called, of which only one went to Rangers. That was a major for fighting to Balon for ramming Armstrong into the boards in the final minute. The game was delayed while Armstrong received stitches. He left the ice under his own power.

Harris, who had an assist in addition to his two goals, scored at 16:40 of the first period, taking a bouncing pass from Ron Stewart and slicing it over the shoulder of Ranger goalie Gump Worsley. His second came in the middle period when he steered in Bob Baun's long slapshot.

Mahovlich's score came on a point-blank shot after a fine pass from Red Kelly. Mahovlich, off his feet after his shot, slid hard into the post and was helped off the ice favoring his right ankle. He returned in the third period, and did not appear to be badly injured.

Armstrong's goal while teammate Tim Horton was in the penalty box, hit Worsley on the shoulder and dribbled into the net. Harris assisted on Douglas' screen shot that closed out the scoring.

Networks To Continue Grey Cup Negotiations

OTTAWA (CP) — The Board of Broadcast Governors Wednesday enacted a regulation which compels, in effect, the publicly-owned CBC television network to carry the Grey Cup football game exactly as originated by the privately-owned CTV network—complete with commercials.

However, the board, following a closed meeting, deleted a section of an original proposed regulation which said that the board might impose financial terms on sharing of the sponsorship revenue between the networks if they were unable to agree voluntarily.

The deletion leaves room for negotiation between the networks with respect to the precise terms and conditions of complying with the regulations.

A CBC spokesman said that negotiations would continue between the networks right up to the Grey Cup kickoff on Dec. 1 in Toronto, if necessary, in an effort to find a satisfactory arrangement of terms.

TRIED FOR SOLUTION

In a statement, the BBG said that during the recent weeks "continuous and serious efforts have been made by the president of the CBC (J. Alphonse Ouimet) and the president of CTV Television Network Limited (Spencer Caldwell) to find a solution acceptable to all parties involved," on how to make the Dec. 1 game in Toronto available to all Canadian TV viewers in keeping with the expressed wish of the board.

"Their efforts have proved unsuccessful," the board said.

"It now becomes necessary to impose a solution.

"The responsibility to do this rests upon the Board of Broadcast Governors under the authority vested in it by the Broadcasting Act.

"The board's regulation now becomes part of the law governing broadcasting in Canada. Failure to comply with it would represent a deliberate infraction of the law.

"No matter how strongly any of the parties may feel about the regulation, the board does not expect the law will be held in defiance."

The CTV network, which provides football coverage to 10 cities, owns the TV rights to the game. However, full national coverage can be achieved only by telecasting the game over the 120-station CBC network.

It was the coverage factor which prompted Wednesday's meeting.

Fire Kills Six Horses

BOSTON (AP)—A four-alarm fire killed six horses and caused an estimated $75,000 damage at Suffolk Downs race track early Wednesday.

The fire destroyed a barn at the giant racing plant which straddles Boston and Revere. Fire Chief Alfred Long of Revere estimated the damage.

Many of the horses at the track were led to safety by stable hands, police and firemen, but there were no personal injuries reported.

"Firemen from five communities battled the blaze and prevented it from spreading to nearby barns.

Cause of the fire was not determined but Long said it apparently started in a feed room. The fire was discovered about two hours after some 8,000 persons had left the track.

A track spokesman said Suffolk Downs would offer its usual program of 10 races Wednesday night. He termed the damage "minor."

Three of the horses killed were owned by the Jerry Roider Stable of Saratoga, N.Y.

PWH, Sum-Hi Play Draw

SUMMERSIDE — Prince of Wales High School and Summerside High School fought to a 12-all draw at Queen Elizabeth Park yesterday afternoon in the first game of a best-of-three series for the Senior "A" Interscholastic championship of Prince Edward Island.

All games will be played at Summerside and there will probably be a delay before the second encounter as the Welshmen are in the midst of examinations.

One minute before the end of the first half Richard Perry ran 45 yards for the Sum-Hi first touchdown. The same boy was hit in the end zone by quarterback John Poirier for a second td in the third quarter making the score SHS, 12 PWH, 0.

Then the Welshmen roared back into contention. John Beer making a two or three yard plunge over the line on the second down. Unfortunately while Beer was kicking for the convert, the ball was slow coming to him, and he kicked into a rushing line of Summerside boys, and is believed to have sustained a broken leg.

Doug Ross got the equalizing touchdown in the last quarter. No touchdowns were converted.

Ortiz Batters Japanese Champ

TOKYO (AP)—Carlos Ortiz of New York, world lightweight champion, battered Kazuo Takayama, Japan's featherweight champion, for 10 rounds and an easy decision Wednesday.

Wednesday night's bout was a tune-up for Ortiz' title defence against Teruo Kosaka, former lightweight champion of the Orient, here Dec. 3.

AAA Meet Held Wed.

SUMMERSIDE — The annual meeting of the Summerside Amateur Athletic Association was held at Crest Lanes last night with the president Jim Hogan in the chair.

It was decided to change the name to Summerside Community Recreation Commission, and the retiring president, Mr. Hogan, was elected president of the new organization with Charles Morrison as secretary - treasurer. Other officers, consisting of representatives of service clubs and other groups in the town, will be elected at a meeting to be held the week of Nov. 19.

The SCRC's winter program will begin Nov. 15th. Advertisements are to be placed for position of a coach, assistant to Mr. Morrison at a weekly salary of $35, and an equipment manager at a $15 weekly salary.

Bob Schurman, Sid Forbes and Gord Kelly were appointed as a minor hockey committee. The possibility of securing insurance policies for boys participating in minor hockey will be investigated, and the organization will make sure that all boys from Bantam up be fully equipped before playing hockey. There will be no charge for playing hockey this winter.

Not Too Rosy

THE Maritime hockey situation presents a rather drab outlook at the present time but things could change for the better in the next few weeks.

The Nova Scotia Senior Hockey League is probably the most uncertain of any at the present time and Windsor Maple Leafs, a member last season, have decided to ask for a year's leave of absence.

There was a yarn out of Windsor early this week that a new group was endeavouring to get the Maple Leafs back into the fold but our latest word was that the attempt had failed. The drive for something like $5000 failed last week and it was then that the Windsor management decided to call it quits for the 1962-63 campaign.

THAT leaves Halifax, Amherst, New Glasgow and Moncton in operation and by the reports, New Glasgow appears to be lining up the greatest array of talent.

Parkdale Royals' Angie Carroll is planning on playing with the defending champions, Amherst Blue Ramblers. Freddy Burke, last season with Windsor, is reported to be donning a New Glasgow Rangers' uniform and Alf Flannagan, also of Sandy's outfit, has already joined Moncton Beavers. All three are top calibre hockeyists and they'll be a big help to their respective squads. We understood that Flannagan was dickering with North Sydney Victorias but apparently they were unable to come to terms.

WE talked to some hockey officials around Halifax last weekend and there was anything but optimism coming from them. However, they may be looking at the darkest side and four teams may work out all right, provided the league has plenty of balance. We still think it's a mighty long haul from Halifax to Amherst and an even greater distance to Moncton. The clubs were complaining bitterly about travel last season, yet nothing has been done to rectify this campaign.

It's costing plenty to put such a league in operation and the chances are that more than one club will finish in the disastrous 'red'.

On The Island Scene

HERE at home, news is mighty scarce. We know that four teams are going but the makeup of the squads is still a big question mark.

When we wrote this column, only one team, RCAF Eagles, had taken to the ice. Tuesday night the Eagles went through a session with F/S Matthews in charge. They had a lot of capable material on hand including former Crystals Doug Tucker, Tom Dwyer, Bob Sleigh and goaltender Irv Walsh. We have the notion that the Eagles will be good competitors all through the season.

As far as the Crystals are concerned, we know little about them yet. Pardon us, we should not have used that word 'Crystals'. This year's team that will play out of Civic Stadium in Summerside will be a joint effort of the former Crystals and Cape Traverse Evinrudes. Perhaps we missed out somewhere along the line but we can't recall a definite name on them as yet.

However, word is that Benny and Grant Grady will not perform this season. Both were top performers and the Prince County club will sorely miss them. However, the combined talents of the remaining Crystals and Evinrudes should give any club in the league a run for their money.

The Defending Champs

SINCE the Old Spain Penguins are going junior this year, the chances are that Sandy's Parkdale Royals will grab some of last season's Birds. However, the loss of Angie Carroll and Alf Flannagan will really hurt Sandy (Freddy Burke was with Windsor last season) and the Royals may not be the shoo-in many are predicting they will be. You can't lose pointgetters like Carroll and Flannagan and not see your stock take a quick dip.

Myron Bell's juniors are pretty much of an unknown quality. However, juniors always are fierce competitors and Myron hopes to have a strong club ready to face mainland juniors when playoff time arrives. He isn't counting on chasing any of the senior clubs out of the rink during the ISHL campaign but he merely hopes his club can give good competition all the way.

We'll have something to say about his hopefuls tomorrow.

Faloney Resumes Light Workout This Evening

HAMILTON (CP) — Bernie Faloney, Hamilton Tiger - Cat quarterback who underwent surgery about five weeks ago for damaged leg cartilages, is to resume light workouts with the Eastern Football Conference champions tonight.

Neither coach Jim Trimble nor Faloney would speculate whether the quarterback will rejoin the Ticats in the EFC finals against the winner of Saturday's sudden-death semi-final between Montreal and Ottawa.

Faloney was injured in a game against Toronto Argonauts early in the season, played against Winnipeg when the leg still wasn't well and finally entered hospital for surgery after the injury was aggravated in a game against Calgary.

Floney is in the first year of a three-year contract with the Tiger-Cats.

Nicklaus Named Rookie Of Year

NORWALK, Conn. (AP)—Jack Nicklaus, who won the United States Open championship and more than $100,000 in his first year as a professional golfer was named "rookie of the year" Wednesday by Golf Digest magazine.

Previous rookie winners have been Ken Venturi, Bob Goalby, Joe Campbell, Mason Rudolph and Jacky Cupit.

Plante's Return Expected Tonight

MONTREAL (CP) — Jacques Plante likely will be back in Montreal Canadiens' nets tonight when the Montrealers meet Detroit Red Wings in a National Hockey League game, the first meeting on Montreal ice between the clubs this season.

Plante played only in the first game of the season and was coming down with flu and an asthmatic condition at the time. He and his mates were beaten 5-0 by Boston Bruins.

Since then Cesare Maniago has looked after the net-minding.

Following Wednesday's workout, coach Toe Blake would say only that Plante is a "probable starter," but the goalie is reported in good shape again.

Jean Beliveau, who missed one game because of an eye injury, will play and so will Dickie Moore, still bothered by knee trouble.

Glen Hall Keeps Record Intact

CHICAGO (AP) — Chicago Black Hawk goalkeeper Glenn Hall was forced out of a National Hockey League game for the first time in his eight-year career Wednesday night when he left the ice at 10:21 of the first period.

A pinched nerve in his back, which had threatened to keep Hall from starting and thus ending his consecutive game streak at 551, forced him to leave after a shot by Boston's Murray Oliver skittered under his pads and into the net to tie the score at 1-1.

He was replaced by Denis DeJordy of the Hawks' farm team at Buffalo in the American League, who had been called up in case Hall couldn't start.

Chihawks, Bruins Play 3-3 Draw

CHICAGO (AP) — Johnny Bucyk's goal with seven seconds left to play pulled Boston Bruins into a 3-3 tie with the Black Hawks in a taut National Hockey League game here Wednesday night.

Bucyk's marker came while Boston goalie Bobby Perrault was out of the nets and teammate Ted Green was serving a slashing penalty.

Sub goalie Denis Dejordy was the victim of two of the Bruins' markers. DeJordy took over the nets for Chicago goalie Glenn Hall, who was forced to leave a game for the first time in his eight-year NHL career midway in the first period because of a pinched nerve in his back.

Hall, who had complained earlier in the day of a pain in the back, started and kept his consecutive game streak alive at 551.

TALKS WITH PILOUS

He conferred with Hawk coach Rudy Pilous after a goal by Murray Oliver and DeJordy, who had been called in from Buffalo of the American League Wednesday afternoon, took over.

Len Lunde gave the Hawks a 1-0 lead at two minutes, 37 seconds of the first period but Oliver pulled the last place Bruins even at the midway mark.

Ken Wharram put the Hawks back on top midway in the third period, but Cliff Pennington skated around the Hawks defence a few moments later and tied the score again.

Airmen, Pirates Grab Hoop Wins

RCAF cagers racked up their second straight hoop victory and Pirates edged a power-packed SDU team in 'Golden Ball' hoop action at Prince of Wales College last evening.

The airmen, who had won their first game Saturday against BYC, took the lead early in the first half of their game and by halftime were sporting a 7-point edge with the score reading 23-16. The visitors again had a slight edge in play in the final half outscoring the city collegians 38-33 for a final score of 61-53.

Top pointgetter for the airforce was DeJana with 19 points and he was followed close behind by Stewart with 17 points.

Feelings ran high at one stage of the second game between the Saints and the Pirates which ended up with the score reading 50-44 for Pirates and one Pirate player was ejected from the game for using unnecessary roughness.

It was a come from behind victory for the winners. At half they were trailing the Saints 25-19. They pulled up even with the Malpeque Road students with nine minutes remaining in the game and for the next couple of minutes neither team could garner a clean-cut lead. Wayne MacDonald drove in for a couple of quick baskets minutes later and from then on the Jack Ross - coached Pirates never looked back.

Len Sirois and Larry Farrell, two ex-varsity players were playing last night along with Joe Sassi, and Francourt, two other varsity teammates last year.

Francourt was the big gun for the losers. He picked up 13 points, Sirois 11 and Joe Sassi 10.
