**What to Remember.** Remember that happiness, when it comes at all usually comes to those who do not go in search of it. Remember that in the struggle of life it is always possible to turn one kind of defeat into another kind of victory. Try it and see. Remember that if you cannot realize the ends of your being in one way you can in another. Realize something! Remember that there is nothing noble in being superior to some other man. The true nobility is in being superior to your previous self. Remember that, as you grow older, nature's tendencies are laying their grip upon you. Nature may be on your side when you are young, but against you later on. Remember that you can get the better of tendencies if you fight hard enough, although, you can never get the better of nature's laws. Remember not to talk to much about yourself. Remember that having fine sentiments is a poor substitute for being a man. Thoughts are gifts; but your life and your acts speak for you. Remember to judge people by what they do, not by their sentiments—especially yourself. Remember that you may have your best friends among those who disagree with you. Men can disagree with their heads and agree in their hearts. Remember that the easiest person in the world to deceive is yourself. You can make yourself believe almost anything about yourself if you try it. Remember that the self of the selves is never deceived. It keeps a record of what you are and it puts down everything. An act can never be undone. It has to stay. Remember that the true way to conquer prejudice is to live it down. Do not talk about it with others; do not talk about it to yourself. Remember that prejudice hurts the one who cherishes it much more than the one against whom it is aimed. Remember that to give up the struggle when it is in part over, because you cannot get the chance you want, may show that you deserved no chance at all. Take what chance you can get and fight it through. Remember that to keep chafing because fortune favors others more than you is the way to get even less out of fortune. Be a man! Remember that great yearning and noble ambitions usually die away just about the time they are most wanted. Act on them now. Remember that it is brave to be in the minority. That is where the strong usually are. Weak natures like to hide behind a majority.—Christian Commonwealth.

**ASTHMA CAN BE CURED**

And is being Permanently Cured Daily by Clarke's Kola Compound—Here is What a Hamilton Lady Says: Mrs. Gilbert, 105 Rebecca street, Hamilton, writes: "I suffered from a bad form of asthma for over nine years, and, no matter how much the doctors could do for me, got worse and worse, so that my neighbors looked for my death at any time. I spent money lavishly in the efforts to get relief, but all to no purpose. For six weeks at a time I could not get up or down stairs, and was in a miserable condition. My daughter, who clerks in a drug store, had heard of a good deal of Clarke's Kola Compound, and urged me to try it as a last resort. I paid \$2 for a bottle, but that is nothing, for it is worth more than that for every teaspoonful. Two doses gave me splendid relief, and, after using but one bottle, I am a marvel to all who know me. I am doing my own work, can get around as well as ever, and feel like a new creature. Clarke's Kola Compound has been a Godsend to me, and I look upon it as a marvelous remedy. You may use this testimony as you see fit, and I shall be glad to give fuller particulars to any one inquiring. I gratefully endorse Clarke's Kola Compound."

Sold by all druggists. A free sample will be sent to any person troubled with this disease. Address: The Griffiths & Macpherson Co., 121 Church street, Toronto, Ont. Sold by Geo. E. Hughes.

**Short Views.**

Too long outlooks are bad. They are depressing—disheartening. We have not the faith or the energy necessary to cope with them. Many a possible result has never been attained because the way to it seemed so long. An aged woman said to a little child, "If you look at the whole length of Mrs. John Trainor, King St. offers for sale a three story dwelling house situated on Pownall St. containing 13 rooms and shop with good stabling in connection. Dwelling suitable for double tenement. 92 dy&wkly 1 wk.

your seam you will never get it sewn; look only at the little bit between your thumb and finger." Our life is mercifully cut up into "littles." God knows that the "whole" of many things cannot be presented to us at once. And so our Lord taught us to pray for our daily bread, and said that sufficient unto the day was the evil thereof. God does not will His children to be crushed with anything too heavy for them. Let us be content to do each "little" as it is presented to us, and then the "great" will be attained. The great is always the aggregate of littles. While we are doing only some one "little" we are making progress—we are on our way to the end. There are many attainments both spiritual and temporal which we could never have arrived at but by a progress of littler. It is not God's measures which crush us—it is our own. We will not become small enough—simple enough. We want to have to do with years, when God only means us to have to do with days. God's years are made of days.—Selected.

**HER LIFE WAS SAVED.**

Sent Home From the Hospital to Die. Yet Dodd's Kidney Pills Saved Edna Rathburn—Her Case was One in a Thousand—Tortured by Diabetes—A Remarkable Cure. Hampstead, N B, March 24.—If ever any remedy for human ills was put to a stringent test, in practical experience, that medicine is Dodd's Kidney Pills, and the test was the case of little Edna Rathburn, of this place.

The case is still fresh in the memory of the inhabitants of York County, for it was the principal topic of discussion throughout the country for weeks. Six years ago, Edna, who was then only two years old, met with a terrible accident, two of her ribs being torn from her spine. The fractured ends refused to "knit." The child could not straighten her body, but was bent almost double, and could walk only with the greatest pain and difficulty. Diabetes set in, and her sufferings were terrible to witness. Night and day she was in the most awful agony. The doctor could do nothing to relieve her, and advised that she be sent to the St. John Hospital. The surgeons there said the case was hopeless. They sent her home again, with the advice to give her the greatest care as that was all that could be done for her. In despair, Mrs Rathburn one day decided to try if Dodd's Kidney Pills would help the child. They did. Day by day she improved under their influence, till after a time came perfect health. Not a vestige was left. Now, Mrs Rathburn says: "Our child's life was saved solely by Dodd's Kidney Pills. Sufferers from Diabetes who read of this case can rest assured that they will find a cure just as surely as did little Edna Rathburn, in Dodd's Kidney Pills."

**A LONDON CASE.**

Proving the Value of Dodd's Kidney Pills in Kidney Disease. LONDON, March 20.—Mr. Charles Dean, stableman at the City Hotel, comes forward to add his quota to the mass of evidence in favor of Dodd's Kidney Pills. Mr. Dean states that he had for three years suffered from severe cutting pains in the small of his back. At times they were so great that he had to lie down to get relief. Several remedies were used without benefit. A doctor prescribed for him, saying his kidneys were affected, but no good resulted. Finally he took a friend's advice and used Dodd's Kidney Pills. The usual result followed. Three boxes cured him out and out.

William Thistle, druggist, of Hartland also certifies that he sold four boxes of Dr. Chase's Ointment which cured Gracie Ella."

**Tailor-Made vs. Factory-Made!**

Take up the printed announcements of makers and importers of ready-made clothing, and when they strive to give emphasis to the alleged merits of their clothing they invariably tell how nearly they approach to tailor-made. Here are some quotations— "Elegantly tailored." Cut and finished equal to ordered work," equal in quality, fit, and finish to suits made to order, or similar statements. Then tailor-made clothes are different to imported factory-made, otherwise there would be no need to make comparisons. If tailor-made were not the better clothes they would not be held up as the ideal to which the ready-made strive to reach.

The fact is there is a great deal of difference between a factory-made imported suit and a tailor-made in style and durability. The man that is indifferent as to the appearance of his clothes when he buys them and when worn a month, may be satisfied with a factory-made, but if he has regard to looks and economy, he will buy tailor-made garments.

For those who are not disposed to give the prices usually paid for clothes made to special order, and are not satisfied with the imported ready-made clothing, we have made, and are daily adding, Suits and Overcoats of superior workmanship that we are selling as low in price as imported makes of inferior quality.
