DOWN THE BACK STRETCH

Clarence B. Smith, R. R. 2, French Village, King's County, N. S., is getting ready a stable of three horses for the coming racing season and has none other than Frankie Carr as trainer and conditioner. Frankie has had a long experience with horses and has handled some of the best in the land and no one has anything on him when it comes to balancing a horse. A visitor to the stable writes that the Smith horses look to be ready for a good campaign. They are New Look 2:11 by Simcoe Harvester 2:04 1/4, that was 7 times first, 9 times second and 7 times third last season and has winnings of $3,600. New Look was a popular horse when he raced over the Charlottetown oval and many will remember his lightning brushes from the head of the stretch to the wire. Then there is the trotter Stanford Peter 2:13 1/4, eligible to the 2:21 class that should have a good season, and also McHarvester. Our best wishes for a successful season go to owner and trainer.

We welcome back again to our column our good friend Cecil H. McGinley of Houlton, Maine, who writes . . . "On April 9th our race track was harrowed and the next day we went slow double-headers. However, on the following day it rained and since then our activities have been confined to jogging on the cinder track on the infield. We are no worse off than other sections as Mrs. Bob Ryan has just returned from Harrington, Delaware, and reports continued rains there that interfered with training schedules. Bob had hard luck with the Jollity filly, Jollity Girl 3, 2:07 2/5, as she has gone lame on an ankle and the attending veterinary recommends turning her out for a year. An X-ray showed a chipped bone.

"I visited the Harold Birmingham Stock Farm a few days ago and found it a very busy place. Thirteen of the farm mares were bred to Bell Boy 2:01 last year and 11 have nice smart foals. Vallie Lee 2:09 1/4, dam of Sam Hy 2:05, etc., also dam of the Pinehurst, N.C. sensation, Harold B. Jr. 2:13 2/5 (matinee record) is due to foal in May and one mare failed to get in foal. Another one was not bred. Mr. Birmingham has recently added four new mares to his band, giving him 18 fast record and highly bred matrons. Three of the new mares were bought at the Dufferin Park sale Toronto, on March 25th. They are Margaret Grattan, fourth dam of Margaret Hy 2:08 1/5, etc., by Grattan Bars 1:59 1/2, dam, Olive Evans. She is 14 years old and bred to a young son of The Diplomat 2:01 1/2, and was bought out of the H. E. Hatch consignment. Betty Lee Grattan 2:12 1/2 is 15 years old and sired by Jack Grattan 2:07 1/2, dam, Princess Lee W. by Lee Harvester. Marlin Hanover 3, 2:10 trotting, is 12 years old and by Dean Hanover 1:58 1/2, dam, Delphia Hanover 2:01 1/4, second dam, Miss Bertha Hanover 2:00. This mare is one of the most beautiful individuals to be found on any farm. She is a full sister to Deanna Hanover 2, 2:05 1/2, and a half sister to Corona Hanover 2, 2:06 2/5 and Great Hanover 2:07 4/5, recently sold to parties abroad. Her second dam produced Colby Hanover 2:00 1/2, one of the principal sires at Two Gaits Farm, also Desira Hanover 2:02 2/5, Brenda Hanover 2:02 3/4, etc. It is Mr. Birmingham's intention to breed her to Bell Boy 2:01 this year and then send her next year to one of the leading trotting sires in hopes of getting a fast trotting stallion to cross with his trotting bred mares.

"His fourth purchase was Peggy Noon 2:12 1/2, trotting, 19 years old, by High Noon 2:02 3/4, dam, Calumet Azalea 2:02 3/4, second dam, Jane the Great 2:03 1/4, by Peter the Great. A lot of good breeding here. She has a three-year-old by Lusty Frisco 2:07 3/4 and a two-year-old by Bell Boy, but was not bred last year. She is young appearing and looks good for several more foals.

"Miss Molly O'Reilly, a student at Houlton High School, wso is very much interested in horse racing, has been quite successfdl in guessing the identity of the horses pictured in The Harness Horse under the heading "What Horse Is This?" She is the teen age daughter of Hilary O'Reilly who has spent a life time with the horses as owner, trainer and caretaker, until ill health forced him to the sidelines a couple of years ago, and is very popular as well as getting high rank in her studies. She has enlisted the aid of local horsemen who have been digging up old Christmas numbers and various horse publications in their efforts to help. I think that to date she has picked seven out of the last ten correctly.

"In looking through a Trotter and Pacer Year Book of 1929 I found a summary of races at Charlottetown. There were nine races of 31 heats contested in three days and the MacKinnon name appears as the driver of eight of them with Fred Medium 2.11, Quinla 2.04½, Donna Harvester 2.15½, Briar Mac 2.14½, Zelma Dewey 2.14½, Bingen Aubrey 2.11½, Jessica the Great 2.15½ and Worthy Louise 2.15½. You were certainly having a busy week.

"Bob Ryan took ten horses to Harlington, Delaware. Lee Erwin is at Rosecroft with one and Harold Birmingham sent eleven to Pinehurst, N.C., to train in the winter. This leaves only sixteen head at the Houlton Fair grounds getting their spring training. Alvin Brewer has six, Bay State Joe and Bay State Larry for G. C. O'Donnell, Houlton; Reynolds Hanover, Prodigal Hal and Mr. McGee for E. C. Wellington of Monticello, and Marcia Clegg, a full sister to Mr. McGee, owned by Daigle and Davis of Houlton. Eldon Margingson is training three for E. C. Grant, Houlton, Marion Budlong, Gail Budlong and a three-year-old Bell Boy colt out of Dolly Yvonne 2.06¼, by Bonnycastle. Amos McLean has three for Dr. H.B. Keirstead of Presque Isle, Free Trade, Sky Cruiser and Jean Lybrook, and James A. Jensen is training four for me, Sudden Mary, Miss Federal, Federal Girl and Linda Belle. All we need is a couple of days of sunshine and our track will be fit to train over but we won't be able to miss many workouts and still have eighty or ninety training miles by the time racing starts at Woodstock in late June." . . . Thanks, Cecil, for the trouble you have gone to in giving news of Houlton and vicinity.

Don Larlee, a Maritimer and well known trainer and caretaker, has just finished up spring preparation at Aiken, N.C. He has the Rimouski stable and among the workouts we noticed was the two-year-old Darn Pretty, the two-year-old Rotary Hanover, both in 2.30, Nibbler in 2.20, Bishop's Worthy in 2.20, Betsy Brewer in 2.35 and The Black Prince in 2.17.

Quite a number of Maritimers will be leaving the first of the week or earlier for Saratoga race track, Saratoga Springs, N. Y., where the 10th annual Saratoga Horse Sale Company auction will take place May 5th and 6th. Two good ones that came from that sale were Silk Hal 2.09 1/5 and Pet Hanover 2.13 2/5. The latter is now in the stable of Del McTavish at Roosevelt Raceway. Among the consignments we note one of 12 head from R. T. Morrison, whose horses sold for very high prices at Harrisburg last fall. This consignment is entered in stakes totalling $345,000.

Then there is the H.M.C. Fry consignment of 26 head. Fry is one of the most astute horsemen in the business. He attends the fall sales, knows performances of all the horses that are being offered, buys the bargains, patches them up if they need it or need more education in the winter time and has sold a lot of good ones in the past eight or ten years. This lot he claims is the finest he has ever owned at one time and among them are many proven race horses with records.

Fred Bach, Jr., is consigning ten head record horses and young prospects. One that we like well is Patsy Chief 2.10 2/5, six years old by Chief Abbedale. Then there is Miss Forbes Chief 2, 2.12 1/5 by Chief Abbedale 2.00. She is entered in $37,000 worth of three-year-old stakes and has been timed in 2.10 over a half-mile track. Still another good one is Miss Ann Key 2.08 4/5, eligible to the 2.20 class, and Warning 2.10 2/5 by Colby Hanover 2.00½, eligible to the 2.22 Trot. Grey Eagle 2.12 and Smokey Way 2.10 2/5, a winner at Yonkers last fall.

The above are just a few of the large number of horses that will

Name Manager For Junior Abbies Baseball Team

Tom MacFarlane, well known baseball coach and former player, was appointed manager of the Abegweit Junior baseball team last night as the juniors held an organizational meeting at the Armouries. The meeting was presided over by Russell St. John, chairman of the Abbies Baseball committee.

MacFarlane, who has coached with success in the junior and intermediate ranks during the past several years, will call a practice of all players in the junior age bracket within the next week or so.

In fact he will go under the junior age limits in a search for talent to fill the shoes of those who graduated from junior to intermediate ball during the past year He will call on all players between the ages of 14 and 20 to turn out for the first practice so that no players will be over-looked in the Abegweits efforts to build another junior club.

As it stands now the Abbies expect to have a junior team ready to go in the proposed Island Baseball league. They will be considerably weaker than last year's team at the start of the season but they can be counted on to improve as the season progresses.

At least six of last year's team will be playing intermediate ball. The remaining players and they include Forbes Kennedy, Cliff Ready, Ian Kennedy, Johnny Squarebriggs and Don MacLeod will form the nucleus around which this year's team will be built.

And the Abbies may have left hander Benny Carson working on the mound for them. As far as is known Carson will be remaining in the City for the summer months and will certainly be working for one of the City clubs.

At any rate there will be plenty of openings on the Abbie juniors for young players seeking a chance to play organized ball.

MacFarlane is anxious that all youngsters turn out for the practices. For those that don't make the team it appears qutie possible that a City House League may be organized. This would provide baseball for players in the 14 to 18 year old age bracket.

"Who's who" in trout fishing seems to be holding the spotlight at the moment and will continue to do so with the odd lapse for the whole season. The 6 pounder taken from the Dunk River is tops to date and the angler who beats that poundage will have his name inscribed in the fisherman's Hall of Fame for 1953. Prince County appears to be leading in large trout landed so far this season but wait until North Lake gets into Production.

I saw one of the lesser heavy weights landed by a Summerside angler. It was a nice trout broad across the back, deep sided, chunky and shapely The place where it was caught is supposed to be a deep secret but I have seen trout just like it taken from the Morrison's bridge and Gunn's bridge sector of the Stanley River. It was not a fresh run trout but had the orange strips on the belly and faded markings of a trout that had denned up in a mixture of fresh and salt water most of the winter.

• • •

On the opening morning I watched a farmer angler land 4 trout from the pool at the foot of the by-pass below Ross's Dam (now MacLean's) at the head of the Vernon River. They were clean and silvery without any visible scales and were in the half pound class. I remarked to him: "You got yourself a nice fry there" I saw him at the same spot the following afternoon and asked how his trout went. He replied: "I got a surprise. They were a nice flavour but their meat was white as milk and not the least bit red or pink". About a week later I checked a Charlottetown angler at Marie bridge who had just landed clean cut, full sided 9 incher on a fly. This trout sported no quicksilver scales peculiar to fresh run trout that will rub off on one's hands when handled. I saw him later in the city and inquired as to his luck. He told me he had landed several identical mates to the one I saw but when cleaned their flesh was quite pale without any sign of pinkness. The flavour was quite good however.

Trout were on the move a month or 6 weeks ahead of schedule this spring and they may have cleaned off externally without getting toned up internally. If someone can dream up a trout tonic we may get somewhere with the complexion of early season trout. For myself I like some colour in the frying pan and a peroxide trout has no place on my menu.

Here's just a bit of advice boys . . . I mean your urban fishermen . . . a fishing license is a necessary part of your equipment. A few have neglected this item so why risk laying out eight dollars for the price of one. Just think eight seasons licenses shot down the drain. It's quite simple to overlook this little chore so drop into The Bike Shop or Foster's Drug store, or any other of the license vendors, when you are uptown.

Procrastination they say is the thief of time and it can also deflate one's pocket book. I was handed out a little touch yesterday morning just on account of putting off the evil day till the last moment. Early in the month I started to make out my Income Tax return and something turned up that called me out of town. It slipped my mind until my better half asked me if I had made it out. This won on the last day of grace. By the time I had completed the form the Banks were closed. I debated with myself whether or not to mail the return minus a certified check or wait until the morning and hand in both together.

Yesterday morning May 1st I walked into the den of lions and handed over my little contribution with the explanation that I had refrained mailing it the night before, etc. etc. The man at the wicket was very polite but — "I hate to have to do this to you but this is just like being caught fishing without a license . . . . I'll

Tigers Win Third Game In 16 Starts; Cardinals Continue Unbeaten Streak

By THE ASSOCIATED PRESS

Detroit Tigers won their third game in 16 starts and St. Louis Cardinals continued their unbeaten tour of the East in the only daylight action in the major leagues Friday.

Breaking a six - game losing streak the Tigers whipped Philadelphia Athletics 7-3 on the flutterball tosses of Ned Garver. All three of the A's runs came on homers—by Eddie Jost, Gus Zernial and Cass Michaels.

The Cardinals defeated an old jinx, lefty Dave Koslo, in edging New York Giants 3-2 at the Polo Grounds.

Gerry Staley, who lost six out of seven to the Giants last season, survived a two-run homer by Al Dark in the second inning to pick up his second victory of the year. The Cards bunched four singles after two were out in the third for all of their runs off Koslo, who had beaten them 13 times in a row before losing one late last season.

Garver's victory for the Tigers was his first against three losses and only his second since the club bought him from the Browns last year.
