MORE AXON.

DOES IT PAY TO TIPPLE

You know it don't. Then why do you do it? I know why. It requires too much self-denial to quit. The Dixon Cure, which is taken privately, is purely vegetable, is pleasant to the taste, and will cure you of all desire for liquor in two or three days, so that you would pay five cents for a barrel of beer or whiskey. You will eat heartily and sleep soundly from the start, and be better in every way, in both health and pocket, and without interfering with business duties. Write in confidence for particulars. The Dixon Cure Co., No 40 Park Avenue, (near Milton St.), Montreal.

REMEMBER the 27th, is the evening of the concert in St. Patrick's Hall and all who are interested in the New Cathedral should attend.
