A young man named Crochean residing on Dock Road, near Campbellton, left home about four o'clock Wednesday afternoon for John Warren's, about one mile distant, and has not been heard of since. What Stronger Proof Is needed of the merit of Hood's Sarsaparilla than the hundreds of letters continually coming in telling of marvelous cures it has effected after all other remedies had failed? Truly, Hood's Sarsaparilla possesses a peculiar curative power unknown to other medicines.

Hood's PILLS cure Constipation by restoring the peristaltic action of the alimentary canal. They are the best family cathartic.

Ties differ. Some people can see beauty even in a looking glass; others can not.—Boston Transcript.

The merit of Hood's Sarsaparilla is not accidental but is the result of careful study and experiment by educated pharmacists.

Laplanders often skate a distance of 150 miles a day.

Let's reason together. Here's a firm, one of the largest in the country over the world; it has grown, step by step, through the years to greatness—and it sells patent medicines! Why? "That's enough!"

Wait a little—This firm pays the newspapers good money (expensive work this advertising) to tell the people that they have faith in what they sell, so much faith that if they can benefit or cure they don't want your money. Their guarantee is not indefinite and relative, but definite and absolute—if the medicine doesn't help, your money is "on call."

Suppose every sick man and every feeble woman tried these medicines and found them worthless, who would be the loser you or they? The medicines are Dr. Pierce's "Golden Medical Discovery," for blood diseases, and his "Favorite Prescription," for woman's peculiar ills. If they help toward health, they cost \$1 a bottle each! If they don't, they cost nothing!

MAHONÉ BAY, N.S.—Dear Sir:.. We find the "Opeleka" Cough Mixture the best selling cough mixture in our store. J. ERNEST & SON.

There are some valuable pet animals in Boston. A gentleman mentions that he has a very fine guinea pig, which he is worth \$50. Boston Commercial Bulletin.

Got hay fever? Some say Johnson's Anodyne Liniment will cure it. Try it and report to us.

"There are some rich men among the lawyers." "Well, they won't remain very long rich if they've got among the lawyers." Dorchester Beacon.

The remedies that do more than recommend, Johnson's Anodyne Liniment stands first.

"Do-s' time fly as fast as it did before you were married and were merely engaged?" "Does it?" "Oh, grocery bill, death tread upon another's heels, so fast they follow." Indianapolis Journal.

A HAPPY HINT.—We don't believe in keeping a good thing when we hear of it, and for this reason we take special pleasure in referring sufferers with Piles in any form, bleeding, protruding, etc., to Bettons' Pile Salve, the use of which will prevent a vast deal of suffering and inconvenience.

Five million sterling was last year given or bequeathed to various charities all the world over.

SEKODA'S GERMAN SOAP. "Soft as Water, Pure as Gold," that tells the whole story. Most highly medicated soap ever made. Try one cake. Price, 25 cts.

The swallow is a bird of easy flight. This is why a man is slight when he has taken several swallows. Binghamton Reporter.

Health Department. A GOOD SUGGESTION.—By constipation is meant irregular action of the bowels, often called costiveness, and commonly caused by excessive neglect, excess in eating and drinking, etc. It is a serious complaint and not to be neglected under any circumstances, as it leads to impure blood, headache, debility, fevers, etc. A uniformly successful remedy is Buck's Blood Bitters, which, if faithfully tried, never fails to secure a prompt and lasting cure even in the worst cases. The following extract from a letter from Mr. Jas. M. Carson, Banff, N. W. T. will speak for itself.—"I have been troubled with constipation and general debility induced to use your I now take great pleasure in recommending it to all my friends, as it completely cured me."

Said a revivalist the other day: "I like to hear a man say he owes a great deal to a woman when he means his mother or, it is wife, but not when he means his landlady or his washerwoman."

The Bye-Elections have passed by and we can now consider the best protection against disease. There is a restricted reciprocity of sentiment between people in Canada in pronouncing Burdock Blood Bitters the very best blood purifier, dyspepsia and headache remedy, and general tonic renovating medicine before the public.

A man's political friends are not always the men he would like to trade horses with.—Columbus Post.

Sandwich. "Sir,—For five years I suffered from lumbago and could get no relief until I used Haggard's Yellow Oil, and must say I find no better remedy for it."

JOHN DESHERDAN, Sandwich, Ont. The Dreaded Grippe Following this scourge of humanity come a train of evils in the shape of obstinate colds, coughs, lung troubles, etc. There is no remedy so prompt, and at the same time effectual and pleasant, as Hubbard's Cold Liver Oil Emulsion with Wild Cherry and Hypophosphates, which is the latest and best combination of anti-consumptive remedies. Price 50c. and \$1 per bottle.

The combined debt of all the nations in the world amount to more than \$30,000,000,000.
